

DOPE SHEET AGAIN BADLY MARRED

Richmond Vets Stepped All
Over the Eastern Polo
Players Again.

THE SCORE WAS LOPSIDED.

BONE CAVORTED ABOUT THE
FLOOR IN HAIR RAISING FASH-
ION SCORING A MAJORITY OF
QUAKER GOALS.

(By Tort.)

In a deluge of goals the Quakers defeated the Eastern Stars last evening by a score of 11 to 8. The wise lads who had it all fixed for the latter team to win last evening so that the rubber could be played off tonight, are now once again revising their dope sheets. These wise ones have consistently ignored the fact that the two teams are not on the basis, that the team which wins three of the five games played gets the long end of a \$500 purse. We will once again repeat, gentle reader, that there is a purse up each evening and up to the present time the Quakers have accumulated most of this pin money. It can also be stated that tonight the Quakers will again attempt to pull down the Wall street share of the purse.

Bone The Star.

Despite the heavy scoring last evening the game was by far the most interesting and fastest played of the series. King Bone again gave the constant readers in attendance a glimpse of his old time form and the way that New Haven lad did rare-up was a sight to see. In the first inning when not engaged in filling the opponents cage full of balls he was burning the leather of Mr. P. Sutton's shin guards.

Higgins and Hart for the Easterners also played a whirlwind game but the rough riding tactics of Mansfield and Doherty held them in check the first two periods. In the windup these two star rushes succeeded in breaking through the Quaker defense and as a result Mr. Jessup experienced a bad quarter of an hour. Cunningham, Sr. started the game for the locals but owing to the vicious batterment he received, was forced to retire at the close of the first. The last two periods Young Cunningham rushed with Bone and he played a good game. The populace gave him a warm welcome. Higgins started the goal making in the first. Four minutes after his first dashing count, Bone began work, smashing a liner past Sutton. Hart then counted but Bone came back with two other spectacular goals. The fifth local goal was registered by Cunningham. To make certain that the ball would not come out of the netting Mr. Cunningham slid into the cage. The final goal of the period was made by Higgins on a beautiful pass from Hart. In the second period Young Cunningham tickled two into the draperies and Bone counted on a beautiful side swipe. Cameron and Hart did the scoring for the Stars.

Just to show the populace that he was as fresh as in the first period Bone started the windup by making three goals in rapid succession. All of them were sensational enough to be dramatized by Lincoln J. Carter. The next two goals were hung up by Higgins and Hart, then Bone once more repeated. The final goal of the game was made by Hart. Summary:

Woman's Sorrow.

Did you ever notice those small holes in your beautiful table cloths or underwear? Those holes grow larger and larger. There is a remedy, stop your laundry from using strong rosin laundry soap at once. Get a couple of cakes of Easy Task soap, the standard laundry soap of America. All good grocers sell it.

Outside the officials and engineers there are 2,000 firemen in New York city, who are divided into four grades. There are 1,804 of the first grade getting \$1,400 per annum; 294 of the second grade getting \$1,200; 313 of the third grade getting \$1,000, and 485 of the fourth grade and on probation getting \$800.

If this concerns you, read carefully. Dr. Caldwell's Syrup Pepsin is positively guaranteed to cure indigestion, constipation, flatulence, offensive breath, malaria and all diseases arising from stomach trouble.

Affairs of the Sporting World

(By Tort.)

Under the schedule for the Indiana-Ohio league, from May 5 to July 5, which has just been issued, Richmond has thirty games at home and twenty-four abroad. Logansport has thirty games at home and twenty-four abroad. Van Wert has twenty-seven games at home and twenty-seven abroad. Huntington has twenty-two games at home and thirty-two abroad.

Infielder Bauman and Outfielder Hurst are the two latest additions to the Quaker squad. Both have showed up nicely in practice. Bauman and Hurst both have reputations of being swatters.

Bobby Hart has caught on as an umpire in the Ohio state league. After umpiring the opening game at Springfield he wore out an automobile trying to get back to Richmond in time to play in the Thursday night game.

The Huntington fans are not satisfied with their team and it is predicted that there will be a general shaking up in the ranks of the Miamis.

A week from next Tuesday and the I.O. league season will be on in full blast. President Gamble is doing ev-

everything in his power to secure national protection for the league before the opening of the season.

Jack Burke, an umpire in the I.O. league last season, has been charged with perjury at Greenville, O. and it is stated, has jumped his bond to avoid arrest.

Monday night there will be a dance given by the Richmond Amusement company at the K. of P. Temple for the benefit of the local base ball team. It is expected that there will be a large crowd present.

Jim Cameron states that he does not know whether or not he will play base ball this summer. Richmond fans would like to see the hard hitting James back on the job again this year.

"Richmond is, without doubt, the best sporting town of its size in the middle west," remarked a traveling man, who frequently visits here. "The fans here support their base ball team splendidly and the crowds that turn out for polo would make a manager's eyes gladden."

Tonight is the last opportunity the bugs will have to see the polo stars in action and it is probable that there will be a big crowd in attendance.

DAYTON HERE SUNDAY I. O. O. F. LODGE 89 YEARS OLD

Bobby Hart, Polo Star and
Baseball Umpire, to Hold
Indicator.

FIANT QUILTS THE GAME.

Sunday afternoon at Athletic Park, the local I. O. league team will give battle to the Dayton Clippers, a fast independent club. Bobby Hart, the polo star, will umpire the contest. Hart was one of the Ohio State league umpires but because of the fact that he would not jump his contract with the local lodge of Elks, President Quinn of the O. S. league has suspended him.

One face in the local lineup will be missing Sunday. Fred Plant, discouraged because of his lack of swarming ability, has returned to his home. Fred was holding his position at short stop nicely but his work with the bat was decidedly off color. Manager Jessup has signed Shortstop Baumann of the Indianapolis Reserves. When that team played here last Sunday Baumann did some fancy work with the bat and put up a nice game in the field.

GAME IS CHANGED

Kentucky State College to Play
Quakers Next Monday
Afternoon.

PLAY FRANKLIN TODAY.

The game with Kentucky State College, which was slated for April 28, will be played on Reid field at Franklin on Monday afternoon. The Kentucky bunch desired this change of program and the Earlham management readily consented. Kentucky college is out for the championship of Kentucky and Indiana and this game will be a good one as the Earlham bunch has improved wonderfully in the last few days. White is showing much better form than at any time this season and the rest of the team show that it can hold its own with any team. The Quakers journeyed down to Franklin, Ind., today to play the Baptists at that place and a victory for Earlham is expected by all. The lineup is as follows: Harrell, capt.; C. White, P.; Swain, 1st B.; Stanley, 2nd B.; Hancock, 3rd B.; Pugh, S. S.; Hill, R. F.; Furnas, C. F.; Elliot, L. E.; Chambers, sub.

WOULD HAVE SHOT HIM.

Quaint Story of Marshal Soult and Louis Philippe.
In the reign of Louis Philippe Victor Hugo was a frequent and welcome guest at the Tuilleries. Here is one of his anecdotes of the time as told in Victor Hugo's memoirs:

"A few days ago the king said to Marshal Soult in the presence of others, 'Marshal, do you remember the siege of Cadix?'"

"Rather, sir, I should think so. I swore enough before that cursed Cadix. I invested the place and was forced to go away as I had come."

"'Marshal, while you were before it I was inside it.'"

"The eories and the British cabinet offered me the command of the Spanish army."

"The offer was a grave one. I hesitated long. Bear arms against France? For my family it is possible, but against my country? I was greatly perplexed. At this juncture you asked me through a trustworthy person for a secret interview in a little house situated on the Cortadura, between the city and your camp. Do you remember the fact, M. Marshal?"

"Perfectly, sir. The day was fixed and the interview arranged."

"And I did not turn up?"

"That is so."

"Do you know why?"

"I will tell you. As I was preparing to meet you the commander of the English squadron, apprised of the matter I knew not how, dropped upon me brusquely and warned me that I was about to fall into a trap; that Cadix being impregnable, they despaired of seizing me, but that at Cortadura I would be arrested by you; that the emperor wished to make the Duc d'Enghien a second volume of the Duc d'Enghien, and that you would have me shot instantly. There, really, added the king, with a smile, your hand on your conscience, were you going to shoot me?"

"The marshal remained silent for a moment, then replied: 'No, sire, I wanted to compromise you.' The subject of the conversation was changed. A few minutes later the marshal took leave of the king, and the king, as he watched him go, said, with a smile, to the person who had heard the conversation: 'Compromise! Compromise! Today it is called compromise. In reality he would have shot me.'"

The Twilght Of Life.
The muscles of the stomach in old age are not as strong or active as in youth and in consequence old people are very subject to constipation and indigestion. Many seldom have a bowel movement without artificial aid. Many, also, have unpleasant eructations of gas from the stomach after eating. All this can be avoided by the use of Dr. Caldwell's Syrup Pepsin, which permanently regulates the bowels so that passages come naturally, and so strengthens the stomach that food is digested without discomfort. Druggists sell it at 50 cents or \$1 a large bottle.

SALOONS 73 YEARS OLD DRIVEN OUT

Mississippi Town Experiences
Strange Things.

Canton, Miss., April 25.—Almost an endless line of whites and negroes filled out of Canton at sunset, carrying jugs of whisky. This was the last wet day for this city under the new ordinance.

The saloons were stormed during the morning and afternoon. Not one intoxicated person was to be seen. Canton for many years was the only "wet" town on the Illinois Central Railroad between New Orleans and Memphis.

Prohibition was rarely heard of until recently. The sale of liquor, which has been going on for 73 consecutive years, however, ended perhaps forever at sunset.

CANNON PERSISTENT IN CURRENCY PLAN

Hopes to Carry Out His Program.

Washington, D. C., April 25.—Members who wish to see currency legislation put off until a commission investigates and reports a plan of reforming the present system will be given the choice of voting for a compromise between the Aldrich bill, which passed the senate, and the Vreeland bill, which was introduced as a substitute in the house, or getting no appropriations for public buildings in their states. In this way Speaker Cannon hopes to carry out the financial feature of the legislative program, decided upon some time ago.

A Light For the Young Pickett.
General Grant had been a dear friend of my soldiers ever since the Mexican war. At the time our first baby was born the two armies were encamped facing each other, and they often swapped coffee and tobacco under flags of truce. On the occasion of my son's birth bonfires were lighted in celebration all along Pickett's line. Grant saw them and sent scouts to learn the cause. When they reported he said to General Ingalls:

"Haven't we some kindling on this side of the line? Why don't we strike a light for the young Pickett?"

In a little while bonfires were flaming from the Federal line. A few days later there was taken through the lines a baby's silver service engraved, "To George E. Pickett, Jr., from his father's friends, U. S. Grant, Rufus Ingalls, George Suckley."—Mrs. Pickett in McClure's.

SEVENTY-FIVE MEN AND BOYS WERE DROWNED

Ottawa, Ont., April 25.—The Free Press, Ottawa, last night published this special from Halifax:

"From reports from St. Pierre it is learned that undoubtedly there have been lost two vessels of the French fishing fleet, including every soul on board, numbering about 75 men and boys."

"On March 27 a number of sailing vessels left St. Malo for St. Pierre and the St. Pierre banks. All have turned up with the exception of two, and as nothing has been heard or seen of

them since, the fishing interests of St. Pierre look upon the two vessels and their crew as early victims of 1908."
