(By Tort.)

Capt. Will's rejuvenated Muncie outfit, was given a severe jolting yesterday afternoon at Athletic park, the locals taking them by a score of 11 to 5. The game was an even up affair until the eleventh, when Will's yanked Matt, who was just getting his stride, and put H. Hay on the firing line. The reception given the underhand artist was feverish in its intensity and Harry lasted just one round, during which he issued two bases on balls and was touched up for a double, and two singles, three runs squiring in. Gillis finished the game and was combed for four safeties, netting three more runs. Aresmith started in to work for the locals, but he was wild and was hit freely. After Muncie secured its third run in the third with two down, Jessup sounded retreat for Aresmith and trotted Brown out. In the six and a third inning Brownie worked, he allowed only three hits and struck out eight men.

Four home runs were made in the course of the game. All but one of them were rank flukes and made possible by the rough condition of the outfield, which is badly in need of rolling. Twice Hall rushed into field hits which looked good for about a base, only to have them hit a rut, bounce over his head and roll a mile. Hurst had this experience on the home run made by Dowling. The cleanest hit of the day was three bagger made by Jessup.

In the first two hits combined with two bases on balls allowed Muncie two runs. Richmond followed with three runs made by Parker's single and home runs by Bauman and Hurst. In the second Richmond added two more counts on Jessup's triple and Parker's single. When Parker stole second, Clarke made a beautiful throw to catch him, but H. Bambaugh was not there and the ball went to the outfield, permitting Parker to count. H. Bambaugh draws an error for this little Rip Van Winkle stunt.

Richmond did not count again until the debut of Hay in the seventh. Muncie counted one in the third and one in the fourth. In the first of the seventh Muncie tied the score, 5 to 5, on Dowling's home run.

The distinct features of the game was the pitching and hitting of Brown, who made four hits out of four times up, and the third base play of Beck and Johnny Bambaugh. Clarke was loaned to Muncie in the absence of Wolfe and he caught a nice game. Summary:

HUNTINGTON EASY.

Van Wert Aggregation Jumps to Leadership.

Huntington, June 6.—Van Wert jumped into the lead by taking the opening game of the series here, Friday. Although the Indians out hit the Buckeyes and, at stages, were much faster on inside play, five costly bores helped the visitors and Louie Hunt's

cluster of Buckeyes won 8 to 6. Three double plays were reeled off in which Witham and Fowler were prominent factors. Howard was eluded to the bench in the eighth, Moore relieving him. In all but two innings, Wentz for the locals, was decidedly stingy with his delivery. In the second the visitors turned a trick of getting three runs without a hit, accomplished by three bases on balls and two errors. Four bingles in the eighth, two of them doubles by Campbell and Hardin, aided by Witham's costly bobble of Gray's easy triple along the third base line, added four more to the visitor's count. ## CAMPBELL THE STAR

Through His Work, Earlham Annexed State Tennis Championship.

TWO SCHOOLS DEFEATED.

Bloomington, Ind., June 6.—The Earlham College tennis team, composed of Beebe and Campbell, won the state championship in the doubles at the State Intercollegiate Tennis Tournament here yesterday by defeating Butler and DePauw, winning six games in succession. The two men easily outclassed their rivals in all the games. Beebe guarded the rear of the court in fine shape and Campbell was a star at playing the net. Many of the returns they made were nothing short of remarkable. A good sized crowd saw the contests.

In the single, Uhl representing Rose Poly, defeated Nichol of DePauw, 3-6, 6-2, 6-2. Rose of Butler defeated Harlan of Indiana 6-0, 6-3. In the semi-finals Campbell of Earlham was defeated by Rose of Butler 6-3, 8-6, 6-1. A meeting of the representatives of the different schools in the association was held yesterday and it was decided to hold a tournament at Butler next year. The officers for the coming year were chosen as follows: President, H. Cornelius, DePauw; manager, H. G. Davenport, Butler; secretary-treasurer, Beebe of Earlham.

## A FATHER'S CRUELTY

Hoppe Neglects His Children, Not Supporting Them As He Should.

FINED IN THE CITY COURT.

Because he persists in becoming intoxicated and neglecting to support his six children, Henry Hoppe was fined \$5 and costs in city court this morning. It was after his arrest yesterday afternoon that the authorities learned of the manner in which Hoppe has neglected his children. His wife is dead and the grandmother and aunt have endeavored to provide for the children. Hoppe formerly was employed at the Rowlett Desk works. He said he has not had any regular employment since the factory shut down four months ago. In the meantime it has been the custom of Hoppe to remove articles from the home and sell or pawn them so as to obtain money with which to purchase liquor.

## DOUBLE HEADER AT CAMBRIDGE CITY

Grays and Little Giants to Do Battle.

Cambridge City, Ind., June 6.—The baseball fans will have the pleasure of witnessing another double header at Capitol hill park Sunday afternoon. The Little Giants and the Elks, of Richmond, will play the preliminary game and no doubt this will be an interesting and closely contested affair as it is said that the teams are evenly matched. Game called at 12:30 p. m. All interest is centered in the big game between the Grays and the Krell-French outfit of New Castle, the fans anticipating the most exciting game so far this season. Game called at 2:45 p. m.

## COAL SUPPLY MAY BE EXHAUSTED

It, However, Will Not Be Until The Middle of the Next Century.

Washington, D. C., June 6.—As shown by a new coal area map of the United States Geological Survey, there are 327,400 square miles of what may be termed the more easily mined coal fields, with an estimated content available for future use of nearly 2,000,000,000,000 tons. At the present rate of increase of population this supply will be exhausted before the middle of the next century.

A gentleman was one day relating to a Quaker a tale of deep distress and concluded by saying: "I could not but feel for him." "Verily, friend," replied the Quaker, "thou dost right in that thou dost feel for thy neighbor, but dost thou feel in the right place? Dost thou feel in thy pocket?"

Terrifying. "Work never hurts anybody," said the industrious man. "No," answered Plodding Pete, "but it's most as bad to be scared as hurt."

## COMMITTEE PLANS GREAT INDIANA DELEGATION

Indianapolis, Ind., June 6.—Plans for the final round-up of Indiana workers at the Chicago National Convention were considered here yesterday afternoon by a committee of Hoosier delegates consisting of Mayor Charles Bookwalter, of Indianapolis; Jack Bryson, of Brazil; Charles Campbell, of Shelbyville; Harry Tucker, of Logansport; and John Zulauf, of Jeffersonville. Arrangements were completed for decorating the Indiana headquarters at the Auditorium Annex in an elaborate fashion. There will be no lack of Hoosier hospitality extended to the Republicans of the country, and an effort will be made to convince the visiting delegations that Vice-President Fairbanks has the loyal and earnest support of his own state.

Several thousand badges were ordered. Mayor Bookwalter said that fully 10,000 people from Indiana will attend the convention. He declared that Captain Harry New, Chairman of the National Committee, is simply swamped with applications for tickets from his constituents who feel that he ought to get them good seats. Mayor Bookwalter asserted that Indiana would send more than enough people to fill the convention hall if Captain New could supply the tickets.

## CHILD LABOR LAWS A GREAT MEETING

North Carolina Supreme Court Hands Down Important Decision.

STATE CONTROLS CHILDREN

Charlotte, N. C., June 6.—The Supreme Court of North Carolina has handed down a very important decision regarding the recently enacted child labor law in this state. The court holds that the State has a right to legislate for the protection of children in a way paramount to the particular rights of the parents, so that the law regulating child labor in mills and factories is properly within the police powers of the State and constitutional; and also as the employment of a child under age is an indictable offense, the act of anyone employing him in violation of such law gives ground for a claim for negligence for injury received by any child so employed, whether the injury be during the performance of the specific duties for which he has been employed or not.

## JOHN P. D. JOHN SPEAKS HERE SUNDAY

His Appearance Here Looked Forward To.

The announcement that the noted preacher, educator and lecturer, Dr. John P. D. John, of Greensburg, Ind., is to preach at the First Methodist Episcopal church tomorrow morning, is welcome news to local Methodists. He has secured a national reputation from his great lecture, "Did God Make Man or Man Make God?" and he appears on the local chautauqua program this year. His topic tomorrow morning at First Church is "An Inevitable Combination." Tomorrow evening he speaks at Earlham at 8 p. m., and the First M. E. church holds vesper services from 6:30 to 7:45 in order to give opportunity to attend the evening service at Earlham.

## TRIAL IS NEAR END CHILD IS DEVoured

Arguments in the Pennsylvania Graft Cases Begin Monday.

TESTIMONY IS ENDED. WAS ON THE CALCASIEU.

Harrisburg, Pa., June 6.—The capital conspiracy case in which five men are charged with defrauding the state in connection with metallic furniture contracts has come to a close so far as the taking of testimony is concerned, after having been on since May 11. The taking of testimony was concluded at noon yesterday and court adjourned until Monday, when the arguments will begin.

## IS NOT WITHOUT JOB

Admiral Robley D. Evans on General Board of the Navy.

HE HAS A GOOD INCOME.

Washington, D. C., June 6.—Rear Admiral Robley D. Evans, late commander-in-chief, of the Atlantic fleet, has been detailed to duty in Washington with the general board of the navy. After his retirement on August 15th he will be continued on duty with the board. This detail was given Rear Admiral Evans in order that he may have opportunity to regain at least a part of his personal income that was spent on the cruise. By continuing on the board after retirement he will be enabled to draw full pay of a rear admiral of the first rank, which together with the \$500 per annum increase granted by congress, will make a good income for him. Rear Admiral Evans will be the senior officer of the board on the active list, and will rank next to Admiral Dewey. This will make the membership of the board complete for the first time in more than a year.

## EMIGRATION HURTS BIG IMMIGRATION

Statistics Show That a Large Number of Foreigners Leaving Not for Good.

Washington, June 6.—For the first time since the government began keeping records the country's emigration in a stated period has endangered immigration. During the seven months that have now elapsed since the October panic, 497,000 workpeople have departed from our shores, while only 337,000 have arrived—an excess out-bound of 160,000, and these figures are the more impressive when it is remembered that 117,000 of the 337,000 immigrants came in during November, before the European had grasped fully what was to follow our financial panic.

## RAILROAD IS VICTIM

Government Will Attempt to Dispossess Southern Pacific of Land. IT IS VALUED AT \$35,000.

Washington, June 6.—Legal proceedings will be instituted by the Government to dispossess the Southern Pacific of land in western Oregon valued at \$35,000,000 and to obtain a decree annulling the road's grant and restoring the lands to the public domain. The lands in question were given to the old Southern Pacific many years ago to encourage railroad construction. The roads were built but it is claimed that other stipulations were not lived up to.

## RAILROADS AN AID

Greatly Help Homesteading Throughout the Northwest.

MANY NEW SETTLERS.

Bismarck, Dak., June 6.—The rapid building of railroads throughout the Dakotas this year, is bringing thousands of new settlers from the Eastern States, and they are either buying or homesteading. The Iowa immigration department estimates that 22 per cent of the farmers of that state have moved west to the Dakotas, Canada or Oregon during the past two years, having sold their own land at \$50 to \$75 per acre, and invested in land at \$10 to \$20 an acre, which is worth more than twice, measured by production, as their Iowa land.

Only Shreds of Clothes Left to Tell Horrible Story of Alligator's Work.

THE BEST PILLS EVER SOLD.

Lake Charles, La., June 6.—While the parents, Mr. and Mrs. Gus Frye, were fishing on the banks of the Calcasieu river near Fenton, a large alligator is thought to have caught little Henry Frye, aged 3 years, who was playing near by. The child was missed and when a search failed to reveal its whereabouts it was thought that he had fallen into the river and drowned. The child's clothes were found a short distance from where the parents had been fishing, chewed to shreds. The parents have abandoned the search and express the belief that one of the huge alligators which are known to abound in that vicinity of the river came out on the bank and seized the child at a moment when they were not watching him.

## BROWN SURE WINNER

Parades Mark the Downfall of Governor Hoke Smith In Georgia.

PLURALITY WILL BE 15,000.

Atlanta, Ga., June 6.—With the returns practically complete from all counties in the state, John M. Brown's plurality in the democratic primary is 15,000. Governor Smith lost his own county (Fulton) and most of the other larger counties in the state. Parades of all descriptions were held here in celebration of Brown's victory. Many of the paraders carried sticks with leaves of bread on their tips to signify the Brown campaign slogan: "Brown and bread; Hoke and hard-tack."

## Amusements

Dean's Stock Company. The engagement of Dean's own Auditorium stock company bids fair to be a notable event in theatrical annals. The company comes well heralded by very favoring notices from other cities, and the majority of the members of the organization are well known theatrically. Their repertoire will be drawn from the following plays: "Wife for Wife," "Patience," "Convict Stripes," "A Southern Romance," "Mother and Son" and "A Crazy Idea." The engagement opens Monday night at the Gennett.
