By winning both games of a double header from the Hoosiers yesterday afternoon at Athletic park, the Kibbeys clinched the city league championship. The Starrs lost to Easthaven on the hospital diamond in one of the best games of the season by a score of 3 to 1.

The Kibbeys not only played ball but had a picnic as well in their first contest, which was won by the score of 12 to 0. In the second there was more doing on the part of the Hoosiers and the margin was narrower, the score being 5 to 2.

It was a rattling good game on the hospital play grounds. Yaggy was working in his most approved fashion and the hard hitting piano makers could secure but four clean bingles off his delivery. Kuhlbeck was feeling good and the perspiration was keeping his arm working well. He allowed but seven hits. Yaggy pitched his best game of the season. Eleven of the ivory artists fell before his shoots and were unable to touch the sphere in their three chances. He allowed but one base on balls and his delivery was not touched for an extra sack. The team mates were swinging the willow, however, and two doubles and a triple were poked out. Score:

Kibbeys Are Sure Winners.
By annexing both games of the double header, the Kibbeys acquire a lead that will put them on the top round for keeps. They can lose both of their remaining games and the Starrs win both and still remain one game to the good. Bulla was in fine form in the first and aided by the misplays of the Hoosiers the 12 to 0 score came easily. The haberdashers were handy with the pummeling rod and lambasted the ball about the lot with astonishing regularity. In the second the Hoosiers tightened. They made a gallant struggle but the Kibbeys were not to be denied, so could not be beaten. Both teams played a snappy game in this session and some clever work was executed. The score was 5 to 3. Helmick on first had but one put out. Score:

Affairs of the Sporting World

After resting for a few Sundays the Nationals will meet Fairview on the Beallview diamonds this afternoon at 2:30 o'clock. A good game is expected for the fray. Fairview has a bunch of good ball players and will give the boys of the mighty name a good struggle. Lantz and Frimman will be in the points for the Nationals and Hannon and Ashenfelder will work for the Fairview boys.

The All Stars went to Boston yesterday afternoon and returned with the scalps of the township boys after a ten inning struggle. There was plenty doing all along and the score was 16 to 15. The great work of Kuhlbeck for the All Stars and the batting and base running of Scherb were features. Kuhlbeck broke the backs of fifteen Bostonians by his curves. Errors behind him account for the large number of runs. Batteries—All Stars, Kuhlbeck, Nabore and Scherb. Boston, Bratton and Shaeffer.

And now come the Nationals and jump into the limelight of city independent championship, after that little matter was believed to have been settled by the final victory of the X. Y. Z. nine over the Glen Millers last Sunday. The manager of the Nationals is responsible for the following: "The X. Y. Z.'s claim the city championship. This team has defeated the Glen Millers but the Nationals have defeated the Glen Millers and the X. Y. Z.'s twice. Now if you X. Y. Z.'s think you can lay claim to the championship of the city come ahead and try. We will play one game or the two best out of three on the Beallview grounds. The Nationals record for the season is 18 victories and 5 defeats. This is better than any other local team can boast. We lost to Centerville last Sunday but with a patched

up team, only three regulars being in the lineup. We play Centerville next Sunday, but if the X. Y. Z.'s want to claim the championship they must beat us. Any team wanting a game, notify George Brehm or Roy Mull, manager of the Nationals."

No extension of the season will be made by the city league. At the start the schedule called for the close of the season with the games of August 29. This rule will be adhered to. It has been suggested the league continue during September but the plan is not given favor. The league has had a most successful year.

More good amateur teams have appeared in the city this season than for a number of years past. The dissolution of the league team and the heart ache to the loyal fans has been somewhat patched over by the interest displayed by the amateurs. Whenever the vacant lots are converted into base ball diamonds there is indication the death of the sport is not near. The public school playground diamond is in use nearly every afternoon.

The city league is developing a number of good players. It is an old adage but ever new that nothing succeeds like success and this may account for the way in which the boys of the league are cutting up capers.

The Cambridge City Grays are preparing for a trip to Centerville one week from today. Wonder what the third chapter of this continues story will be. Will it be similar to that written by the New Castle team?

Hammers are out at Cambridge City because the management of the team has turned down some of the local players, former members on the team and imported semi-professionals from other places. It is claimed the management is overlooking the good of the sport for commercialism. Somebody will be yelling frenzied finance in baseballdom.

Former Wealthy Saloon Keeper Announces Self for Governor.

Spokane, Wash., Aug. 15.—James Durkin, railroad president, wealthy saloon-keeper and temperance advocate, who some time ago gained considerable notoriety by erecting his own tombstone in Greenwood cemetery, has filed his declaration as a candidate for governor on the democratic ticket in the primary election, Sept. 8. Regarding his platform he said it will declare what he will do if elected and not what the party wants him to do. "It is not a case of fitting a collar on a yellow dog," he added. "My platform will be radical; anything except the conventional. I've looked over the list of candidates and I've decided I'm as good as any of the others and will make as good a governor."

QUALIFYING ROUNDS PLAYED AT CLUB

Golf Course Record Is Not Approached.

The qualifying rounds for the golf championship of the Country club was played yesterday afternoon. The golfers did not appear in their best form, but creditable scores were made by several. The course record was never approached. Sixteen players will qualify and the eight losing out in the club championship contest will play for the president's cup. Strattan, Stimson, Torrence and Hiatt remain to play. Their scores may be better than some of those made yesterday. Those qualifying and their scores were: W. C. Hibbard, 80; W. R. Dill, 80; Dudley Elmer, 81; George Bond, 87; Frank Braffett, 89; J. F. Thompson, 90; George Sidell, 92; Isaac Wilson, 93; Dr. Tieme, 93; E. T. Truitt, 94; Dr. C. S. Bond, 94; S. E. Swayne, 95; Charles McGuire, 97; W. D. Waldrup, 99; J. Y. Poundstone, 104. The first championship round will be played Wednesday afternoon.

HUNDRED TENTS ON CHAUTAUQUA GROUNDS

Already a Few Campers Have Taken Possession.

More than one hundred tents have been erected on the Chautauqua grounds at Glen Miller park. The auditorium tent has been erected and the United Brethren church will hold their services in it this afternoon. On account of trouble caused by rain last year the board of directors are having men place soft drain pipes under the big tent. This is hoped to offset any difficulty this year.

Already a number of people have moved to their tents. Among these are Mr. and Mrs. B. F. Wehrly and Mr. and Mrs. Henry Bentlage. Several others expect to take possession today. The majority of the campers will arrive tomorrow. The headquarters tent has been put up and will be ready for occupancy by the first of next week.

RUNS AWAY WITH ANOTHER'S WIFE

Jacksonville, Ore., Aug. 15.—C. W. Parker, residing near Jacksonville, bears the record so far in the Rogue river valley, the land of big undertakings. Parker yesterday ran away with the wife of O. Olson's efforts to get sympathy call out congratulations only.

Fair Warning.
A cat belonging to Mrs. Jones had caused great annoyance to the small boys of the neighborhood by killing some of their pets, so they decided to set a trap for it. Dwight, a little boy of seven, with a very innocent cat, was much afraid some innocent cat would suffer, so printed the following notice and pinned it on the trap:
"This is for Jones' cat only."—De-lneator.

DEFEAT FOR SALOONS

E. S. Shumaker of Anti-Saloon League Speaks to U. B. Conference.

MEMORIAL SERVICES HELD.

The address given last evening at the United Brethren conference by the Rev. E. S. Shumaker, state superintendent of the Anti-Saloon League on the subject of "Temperance" was attended by one of the largest crowds of the conference. Mr. Shumaker is from Indianapolis and is one of the ardent workers against the saloon. He stated that one of the things that the league hoped to do is to put the liquor business out of commission in Indiana in the year 1912.
Mr. Shumaker reviewed the working of the league and gave statistics to back him up in his statement that Indiana would soon be dry.

At the afternoon session of the conference yesterday the memorial services were held and were very impressive, being conducted by N. B. Froce who spoke in memory to Rev. L. W. Crawford. Rev. J. T. Roberts spoke in memory to Rev. Mrs. S. A. Robbins. The report of the Bible cause as given by Rev. John Selig. The question box on evangelism was conducted by Rev. J. E. Shannon and the main thought of this was the power of music on man.

The program for today's meeting follows:

ORGANIZED BUSLERS IN NORTH DAKOTA

Clever System of Stealing Horses Disclosed.

Williston, N. D., Aug. 15.—The officers believe there exists in North and South Dakota an organized gang of horse rustlers with a regular relay route. Within a few months hundreds of fine horses have disappeared and no trace has been found.
The man who performed the original theft is suspected and in the early morning a visit had been paid to his home, where he has been found sleeping quietly. The fact is that he had some fifteen miles away with the horse and turned it over to another man and hurried back. The second party to the contract has taken the horse fifteen miles farther and turned him over to a third party, who sometimes conceals the horse for several days and then sends him to the fourth.
Each rustler generally brings back to his own stable a horse that has been stolen at the other end of the route.
