YEARLY MEETING
SUNDAY OBSERVED

permanent board were read but as various recommendations of this board had already been acted on there was little in it of interest. It was reported that the collection of Saturday toward the evangelistic and church extension work amounted to \$900 and it was stated that \$400 was the amount subscribed for missions.

Samuel P. Hill who for 35 years has been a member of the White's institute board resigned and two appointees were named, Phirovance Hunt and John H. Johnson. A report of the White's institute shows that institution to be in a very flourishing condition and doing a magnificent work. Anna Jenkins and Daisy Barr spoke in behalf of the institution emphasizing the duty of the Yearly Meeting to support it. Allen Jay and John H. Johnson were announced by a committee as trustees to Earlham college. The committee on returning minutes reported that epistles had been sent to other meetings in the country.

The question of continuing the Bible Institutes each year at Earlham was a source of discussion, it being the prevailing opinion that as they were a source of much good and that they should be encouraged as a permanent affair. Such action prevailed.

It is thought that the business can be completed at the session this afternoon and many friends are going home today.

A report was made by Timothy Nicholson from the state board of charities. In summary some of the more glaring facts were: Admitted to the jails of Indiana last year 39,262 men and 2,863 women. For drunkenness, 14,368 or about one half; 2,000 vagrants or tramps. There were 609 admitted for insanity. A committee to select a delegate to the next meeting of the state association was composed as follows: Eli Jay, Nathan S. Weight, Ella Parker, Chas. S. Winslow, Haavey Lamb and Mary Woodward.

PRINCE FERDINAND
DECLARES BULGARIA
TO BE INDEPENDENT

(Continued From Page One.)

however, refuses to admit such a step is contemplated and declares that the government is planning some changes regarding the international position of these provinces, which, though forming an appendage of the Austro-Hungarian monarchy, are nominally included in the Turkish empire.

The opinion is held in political circles that these measures will be equivalent to annexation. Some of the foreign governments are reported to regard this step unfavorably, particularly Italy; nevertheless this attitude seems to have no deterrent effect upon the government.

May Become Triple Monarchy.

The speech from the throne at the opening of the dualistic body at Budapest on October 8 probably will not refer to the plan of action, but it is expected that the foreign minister will announce that the provinces hereafter will be called "dominium imperatoris et regis," thus permanently sealing the convention whereby these provinces were handed over by the great powers at the close of the Russo-Turkish war of 1877-78, to Austria-Hungary, to be held and occupied for an indefinite period. What is now called the dual monarchy will thus become a triple monarchy.

The former government with regard to these provinces will depend largely on the attitude of Hungary and the result of negotiations which are now going on between Austria and Hungary on this subject.

Ready to Protest.

London, Oct. 5.—French and English governments have prepared a joint protest against Austria-Hungary in annexing Bosnia and Herzegovina. The crisis in Bulgaria caused great excitement on all European stock exchanges today and all active stocks and securities suffered sharp declines.

150,000 Troops Armed.

Paris, Oct. 5.—Dispatches from Sofia, Bulgaria, say that 150,000 Bulgarians are ready to take the field immediately and are equipped and disciplined. War materials are said to be furnished by French firms.

Conference Proposed.

Constantinople, Oct. 5.—A vast European conference with representation of all the continental powers may be called to mediate the declaration of independence proclaimed by Bulgaria today. It is reported that Turkish officials believe Bulgaria acted upon the strength of promises made by Germany which are as yet of an unknown quantity.

illuminated the countenances of the fighting men. "Some of us have such sore feet that we won't be able to dance, but every one of us will take part in that pie feast," the local delegation was informed by a veteran sergeant.

THE CITY IN BRIEF

A. S. Stratton of Greensburg, formerly of this city, arrived today to be the guest of relatives during the fall festival.

Miss Elizabeth Stratton of Cincinnati who has been the guest of Miss Louise Schlesier has returned home. The Rev. M. Hobson left this afternoon for St. Joe, Ind., where he will attend to business for the local United Brethren church. For this reason the brotherhood meeting for tomorrow night has been postponed.

Cottage prayer meeting will be held at 124 South Second street, the home of Mrs. Hammond Tuesday night.
