

EARLHAM SNOWED UNDER BY PURDUE

Quakers Defeated by Decisive
Score of 40 to 0 Saturday.

TACKLING WAS HIGH.

QUAKERS SEEMED TO BE DEFICIENT IN THIS ESSENTIAL OF GAME—CAPT. HARRELL RENDERED UNCONSCIOUS.

Lafayette, Ind., Oct. 10.—Stewart field presented a gala scene this afternoon upon the occasion of the opening of the football season, there being a large attendance, although Purdue was predicted the winner over Earlham some time before the game. The game resulted in a victory for Purdue, the score being 40 to 0.

The Purdue team had a fine interference, but the back field was exceptionally slow. Earlham played a fierce game, but the Quaker men tackled too high and as a result several men were laid out during the game. It did not take the Bollermakers long to make the first touchdown, and never during the entire contest was the game in doubt. Rockford and Wyant of Purdue were the stars, making many brilliant plays. Beebe and White of Earlham were easily the stars for the Quakers.

In the second half, Captain Harrell was knocked unconscious and was carried from the field. During the entire game Earlham failed to make any showing against Purdue.

The lineup and summary is as follows:

Purdue	Earlham
Wyant	Spencer
Eggeman	Left End
Kassabaum, Dunham, Walthal, Swain	Left Tackle
Lockey	Center
Brundage	Right Guard
Sparks	Right Tackle
Goebel	Right End
Ruffner, Driver	Quarter Back
Mebegan	Left Half Back
Hanna	Right Half Back
Stillinger, Merrill	Full Back
Referee—Kilpatrick of Chicago.	
Umpire—Waltrip of Indiana.	
Time of halves 30 and 25 minutes.

The two "burly coons" as Gabe Sullivan calls them, who stole the chairs from his front yard, were arrested yesterday afternoon and locked up. They gave the names, S. J. Buckler and Sylvester Knight. They were taken in tow by Officer Yingling and the stolen property located at a junk shop.

PEOPLE OF CITY ARE BASEBALL MAD

Universal Interest Being Taken in World's Championship Series.

POLITICS TO THE REAR.

LEADERS IN POLITICAL CIRCLES WILL FEEL MUCH RELIEVED WHEN THE CHAMPIONSHIP HAS BEEN DECIDED.

Richmond is base ball mad.

Just as soon as the series of games between Detroit and Chicago for the world's base ball championship has been played off, about three-fourths of the able-bodied men of this city will once more devote their attention to their business, inquire of the frantic political leaders who the republican and democratic candidates for president are and learn with surprise from the newspapers that a war is brewing in the Balkans which threatens to involve all Europe.

For the past two weeks the numerous score boards in the city have been surrounded by hundreds of frenzied fans eagerly scanning the results of the great race in both the National and American leagues. Last Thursday evening when it was learned that New York had been beaten by Chicago for the National league championship in the final league game of the season, discussion of the great game was the sole topic of conversation on the down town streets and in the saloons, pool rooms and cigar stores.

Newspapers generally place all sporting news on inside pages but so great is the interest being taken by the fans, men, women and children, the newspapers have been printing all news matter connected with the world's series on the first page.

Today the telegraph companies furnished bulletin service on the Detroit-Chicago game, giving the score by innings. These bulletins were posted on all score boards in the city and many merchants had bulletins delivered to their places of business.

"Party leaders will breath sighs of relief when the question of which team is the champion of the world has been definitely decided," stated a prominent republican politician of this city last evening. "This statement to some people may appear far stretched, but it is the truth. No one seems to be taking any interest in the campaign and all efforts to stir up some campaign interest and enthusiasm have been failures. You talk politics with a man and he will listen restlessly to you and then say, 'who do you think is going to win, the Cubs or the Tigers?'"

INDIANA DEFEATED

Chicago University Triumphs
Over Hoosier Lads by a
Score of 29 to 6.

CAPT. PADDOCK PUT OUT.

Chicago, Oct. 10.—Coach Stagg's Maroon football machine ground out a 29 to 6 victory over the Indiana university team today at Marshall Field. The Hoosiers sprung a surprise by the strength of defense and especially in the first half when they held Chicago to a score of 11 to 6. A misdirected forward pass was responsible for the Hoosier score and Johnson, Indiana's left half back, grabbed a toss intended for Crowley in the middle of the first half and ran fifty yards for a touchdown. The Maroon team gathered speed as the game progressed and was tearing through disorganized Hoosiers almost at will when the struggle ended. The superb endurance of the Maroons told at all times.

Capt. Scott Paddock of Indiana was removed from the game in the first half for slugging. His loss caused a noticeable slump in the Hoosier team work and was responsible for the weak condition of offense for the rest of the game. The lineup follows:

Chicago.	Position.	Indiana.
Rogers-Schommer	Left End.	Johnson.
Ehrhorn-Hoffman	Left Tackle.	Hatfield.
Worthwine	Left Guard.	Hoover.
Badenoch	Center.	Hoover.
Elliott-Smith	Right Guard.	Netherton-Rockman.
Kelley	Right Tackle.	Dutter.
Page	Right End.	H. Paddock.
Steffen	Quarter Back.	Bernadt.
Iddings	Left Half.	Cunningham.
Bonsib-Crowley	Right Half.	S. Paddock-Markel.
Schott	Full Back.	Sutphen-Winter.
Touchdowns—Johnson, Iddings, Steffen (2).		Page Goals from touchdowns—Johnson, Kelley, Schommer (3).

RICHMOND HIGH TIES HAMILTON

Sturdy Buckeye Warriors
Were Expected to Win
With Ease.

SCORE STOOD 11 TO 11.

ALL MEMBERS OF RICHMOND TEAM PLAYED EXCELLENT GAME PROVING TO BE AGGRESSIVE AT ALL TIMES.

Richmond 11; Hamilton 11.
Surprising strength was shown by the Richmond high school football team in the Hamilton, O., game yesterday by holding the visitors to the score of 11 to 11. It was fully anticipated that the Hamilton team, which weighed fully ten pounds to the man more than the locals, would run up a high score.

From every standpoint the game was a success and it is very probable that if Hobson had been permitted to play the whole game by Coach Horton, the team would have won. With Haas, Allison and Hiatt in the back field and with Cox to do the heavy work and Schaffer and the other line men to break up the defense, the Buckeyes had a hard proposition.

All the local men played a good game. Bronson was the star for the visitors. He plainly showed that he is a clear and heady player, playing his position at all times to a good advantage. The forward pass and trick plays failed to work for both teams, but once Hamilton worked a pass that netted a touchdown.

The following is the lineup and summary of the game:

SWEENEY EXPLAINS GAME STATUTES

Object of the Closed Season Is
Set Forth.

The Palladium has received the following self-explanatory letter from Z. T. Sweeney, of Columbus, Ind., state fish and game commissioner:
Mr. Editor—This office is in receipt of many letters from all parts of the state inquiring concerning the open season for squirrels, and if you will publish this reply it will be of interest to all sportsmen:

Section 601 of the present game law makes it a penalty to shoot, destroy or possess any wild squirrel between November 1 of any year and the following July 1. It says nothing about the time from July 1 to November 1. Section 608 makes it unlawful to hunt any kind of game, except wild ducks and other water fowl, from October 1 to November 10. Both of these sections are in force today. The open season for squirrels is clearly limited to the time between July 1 and October 1. The only closed season for rabbits is from October 1 to November 10.

The object of this closed season is to keep the violators out of the fields that hunters who observe the law may have a fair chance at the quails November 10. The game laws are being better enforced and more respected every year.

Hunters should be careful not to go into the fields without their resident licenses, as some are paying heavy penalties for this violation.

I am putting in a number of extra deputies for October with instructions to arrest all violators of every kind. Very truly,
Z. T. SWEENEY,
Commissioner.

FOOTBALL GAME ON THANKSGIVING DAY

1906 Teams of Richmond and
Dayton Schools to Clash.

Arrangements have been completed for a game between the 1906 team of Richmond high school and the 1906 team of Steele high school, Dayton. The game will be played on Thanksgiving at Athletic park, following which the members of the two teams will banquet at the Westcott hotel. The 1906 team of the local high school will probably line up as follows:
Tallant and Silbermann, ends.
Graves and Schofer, tackles.
Murray and Williams, guards.
Karns, center.
Dingley, quarterback.
Allison and King, halfbacks.
Haas or Metzger, fullback.

and drove Killian from the slab with a volley of hard drives in third inning, and after that, Summers held them in check until the seventh when they forced another run around. Meantime Reulbach, after a bad get away, was going along in superb style, and it looked as if the Tigers were whipped until in the seventh when a fierce drive straight at him hurt his pitching hand. In an instant the Tigers were at him, clawing and fighting like mad. Finally a lucky hit by Summers almost tied the score and set the crowd frantic with excitement.

Then Chance, hard pressed, summoned Overall to stop breach and he escaped alive in that inning, but in the next he wobbled and Chance, called upon Brown, his mainstay in time of trouble. Even Brown failed and the daring, dashing base running of Cobb, a wild throw and a screaming hit, put Detroit in the lead and seemingly robbed the Cubs of the game.

Still champions refused yield, and in the ninth inning they opened one of the most terrific bombardments of the year, and running bases, butting and fighting.

They snatched victory from defeat. Before they stopped six safe hits had yielded them five runs, and first of the great battles was theirs.

Score by innings:

CRUELTY COVERS PAST TEN YEARS

Mrs. Christopher Elstro Desires Divorce From
Husband.

\$3,000 ALIMONY IS ASKED.

COUPLE WOULD HAVE CELEBRATED GOLDEN WEDDING ANNIVERSARY SOON—MRS. ELSTRO'S CHARGES SPECIFIC.

Less than five years from the time she would celebrate her golden wedding anniversary, Mary Elstro has brought suit in the Wayne circuit court for divorce from Christopher Elstro. The two were married forty-five years ago last March. The petition for divorce was filed in circuit court Saturday.

The plaintiff represents that for more than ten years past the defendant has been exceedingly cruel and inhuman in his treatment of her. She says he has used obscene and profane language toward her, and accused her of having intimate relations with men other than himself. She avers he made these statements in the presence of their grownup children, knowing them to be false, and thereby bring great distress of mind and pain to her. She alleges that because of this mistreatment

her health has become broken. It is stated in the complaint the defendant left home last June without any provocation or excuse and did not return until last Tuesday. He remained only one day and at the time was very cruel and inhuman.

It is represented the defendant has real estate valued at \$4,000 and personal property and stocks worth \$2,000. The plaintiff asks for an absolute divorce, alimony to the extent of \$3,000, and all other proper relief including attorney's fees.

CHANGE OF COURT PERIOD PLEASES

Policemen Gratified Over New Condition.

Members of the city police force expressed their gratification at roll call last evening when informed that beginning tomorrow, city court will be called at 1:30 o'clock in the afternoon instead of 8 o'clock in the morning as heretofore. The patrolmen were real jubilant and the change in the time of court was almost the only topic for conversation.

The members of the force rejoice at the later hour because it will enable them to enjoy their uninterrupted slumber during the morning hours. In the past, when they have had to appear as witnesses it frequently has happened that they obtained no sleep and now they see all of this changed.

How Is Your Digestion Today?

If it isn't right—"there's a reason." The reason is—wrong eating—undigested food. Kodol will digest the food and rest the stomach. It removes cause and "the reason."

Then you have no more indigestion. Indigestion is of course impossible when there is perfect digestion of food. And imperfect digestion of food is impossible where there is Kodol.

If you could see Kodol digest every particle of food, in test tubes, in the laboratory of the manufacturers, you would understand this better. Or, what is even more convincing, let it digest the food in your stomach, the first time you have an attack of indigestion.

Of course, you may never have indigestion. Yet most of us, at one time or another, are subject to its pains and discomforts. It is true that this is usually our own fault—but that doesn't help matters any.

Kodol will help the matter very quickly. It doesn't cure dyspepsia undonore. It isn't claimed to cure anything. The day of "cure-alls" is past. Modern medical treatment merely aims to assist Nature. Kodol is one of Nature's most invaluable assistants.

The best plan by long odds, is to keep good digestion when you have it. Many persons, however, are unable, for one reason or another to do this. Others don't care to take the trouble to do it. But the "troubles" usually come later, just the same. Then you will want to know about Kodol.

A work recently issued by the U. S. Dep't. of Agriculture, says: "In eating, we are prone to let natural instinct be overruled by acquired appetite. . . . We need to observe our diet more carefully—to regulate appetite."

That is the idea! Simply use reason. Don't starve yourself—eat plenty of good, wholesome nourishing food. But eat it at the proper time, and in the proper way. Starving or eating never cured anything—or prevented anything.

Don't worry, eat what you want—Kodol will keep your stomach right.

Nature planned that we should take food to sustain life. But what if the food does not undergo the essential processes of conversion into the elements required by the organs and tissues? Nature's entire scheme is frustrated, at the outset.

Here is where Kodol steps in and sets Nature's scheme right again. It does this by completely digesting all food, for a time. Nature then rests, and cures the digestive organs—and they resume work. After that, you don't need Kodol—until you put your stomach wrong again.
