

SALOONISTS STAND FOR THOS. MARSHAL

All Saloon Attaches Will Be Asked to Work for Democratic Candidate.

WORK FOR COLORED VOTE.

EFFORT BEING MADE TO SWING COLORED VOTE AGAINST WATSON POINTING OUT "HORRORS OF OPTION."

Indianapolis, Oct. 12.—That each of the 20,000 saloon keepers, bartenders, saloon porters, brewery agents and brewery workmen and saloon hangers-on in Indiana is to be asked to pledge himself to secure five votes for Thos. R. Marshall for governor, it has developed, is the latest plan of the liquor interests in the present campaign. It has also come to light that it is the plan of the brewers to line up as much of the colored vote of the state as possible, and the word comes from Allen, Delaware, St. Joseph, Vanderburgh and Vigo counties, especially, that an effort is already being made to reach the colored saloon patronage through the saloon porters, who in many instances have been assigned to the work of organizing them.

The colored voters are being appealed to on the ground that if they vote for James E. Watson they vote to sustain the county local option law which must be repealed at all hazards or the "personal liberty"—the right of the colored man to drink what he pleases—will be taken away.

Appeal to Party Loyalty.

It has also developed that an effort is being made to club all of the temperance democrats who signed petitions that went to the legislature at its recent special session, urging the enactment of a county local option law, into supporting Thomas R. Marshall and democratic candidates for the legislature.

At Ft. Wayne the brewery workers are advising the "liberal" element of republicans to vote for Taft if they choose, but to defeat Watson at all hazards. The same advice is heard in Muncie, Terre Haute, South Bend, Evansville, Vincennes, Anderson and other cities besides Indianapolis.

A Scarcity of Washwomen.

One reason for the scarcity of wash women and the principal one, is illness—consumption. The unhealthy, impure nauseating odors which arise from the use of some laundry soap cause more sickness than a dozen other reasons. "There is only one white laundry soap—Easy Task. Made of cocoanut oil and Borax, the fumes from which are pleasant, yet it will wash anything—and without boiling. Try a five cent cake and results will surprise you."

STORK WAS BUSY.

Outdistances Death During Month of September.

The stork proved a more frequent visitor during the month of September than did the grim hand of death. During the month there were fifty-one births and twenty-seven deaths. This shows a gain of twenty births and ten deaths over the preceding month.

The report that has just been completed by Dr. Bond is as follows:

Deaths—Total, 27; white, 25; colored, 2. Six of the deaths under the age of one year, and eight above 65.

Births—Total 51; white 48; colored, 3; boys, 34, and girls, 17.

The report for the contagious diseases has not been completed.

MILLS RESUME.

Evansville, Ind., Oct. 12.—After having been shut down for some time the Evansville Cotton Mills resumed operations this morning. Employment will be given to several hundred persons.

Women's Woes.

Richmond Women Are Finding Relief At Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. Frances Hamilton, of 27 North Ninth street, Richmond, Ind., says: "I was induced to try Doan's Kidney Pills by my sister who had used them and been cured of kidney trouble. At the time I was having severe back-aches and pains in my loins and shoulders, and I accordingly got a box of Doan's Kidney Pills at A. G. Lukens & Co's drug store. I used only two boxes in all and was entirely freed from the aches and pains. I have never had a return of my trouble since, although it was several years ago that I used Doan's Kidney Pills. My sister and I both think there is no remedy equal to this one, and very gladly recommend it to other kidney sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

RELEASED AFTER LONG IMPRISONMENT.

CHARLES B. PATTON.

Patton, who was convicted of being an accessory to a murder of which the principal had long been pardoned, has just been released from the Georgia penitentiary after 22 years of imprisonment.

ROOSEVELT AS THE PRESIDENT OF WORLD

Predicted He Will Preside Over The Hague.

Boston, Mass., Oct. 12.—Theodore Roosevelt as president of the world, with the capital at The Hague, was the prediction of the Rev. William Crafts, superintendent of the Reform Bureau, with headquarters at Washington, Sunday. He was speaking in the Warren Avenue Baptist church. "I believe we shall see President Roosevelt as President of the world," said Dr. Crafts. "I believe there will be a Hague government with a legislature and an executive department. For example, if Venezuela refuses to submit its troubles to a conference the nations in the conference will withdraw their diplomatic relations and Venezuela will become like Dr. Hale's 'Man without a country.'"

He said President Roosevelt has done much to aid the work of the bureau and is a man who is not afraid to "but in," but one who makes precedents that will be followed for years to come."

DUDES AND CLOWNS CLASH IN GAME

Milton Sunday School Pupils Meet at Baseball.

Milton, Ind., Oct. 12.—The classes in the M. E. Sunday school taught by Miss Florence Newman and Mrs. L. M. Gentle played a baseball game Saturday afternoon. Mrs. Gentle's class team was termed the "Dudes," and Miss Newman's class team as the "Clowns." The former were victorious in a score of 4 to 3. The lineup was as follows:

Dudes—Raymond Lowry, first base; Irvin Warren, pitcher; Emerson Gause, second base; Marshall McColm, catcher; Ed Warren, third base; Clark Faust, short stop; Harry Borders, right field; George Borders, center field; Ivan Parkins, left field.

Clowns—Walter Tempkin, catcher; Fred Murley, pitcher; A. J. Newman, short stop; Dr. L. M. Gentle, first base; Charles Davis, second base; John A. Brown, third base; S. E. Werking, right field; Albert Hood, center field; J. O. Bragg, left field.

Rev. F. A. Scott, pastor of the Christian church served as umpire. A large crowd witnessed the game.

HAVE NARROW ESCAPE.

Horse Driven by John Anderson Upsets Buggy.

Whitewater, Ind., Oct. 12.—The horse driven by Mr. and Mrs. John Anderson, of Bethel, became frightened west of town Friday evening upsetting the buggy and pitched both occupants out. Mr. Anderson prevented a runaway and fortunately neither was hurt except for a few slight bruises. The rig was considerably broken.

SUNDAY A BUSY DAY AT CHURCHES

Special Services Marked Day At Many of Houses of Worship.

OBSERVED ANNIVERSARY.

THE FIRST ENGLISH LUTHERAN CHURCH IS TWENTY-FOUR YEARS OLD—PASTOR SHOWS GROWTH OF CONGREGATION.

In commemoration of the twenty-fourth anniversary, the First English Lutheran church of this city, special services were held Sunday. During the morning hours the communion was held and the roll of all the members of the church was called. Communications from various members of the church who were unable to attend the services were read and proved to be very interesting. Special music was furnished by a quartet composed of Mrs. Dr. Kruger, Mrs. Fred Bartel and Messrs. Oliver and Lee Nusbaum. In the evening the Rev. E. G. Howard, pastor of the church, preached the anniversary sermon. "The Two Essential Elements in the Church of Value to the Community," was his topic. In reviewing the history of the church through its successful career of twenty-four years, the Rev. Howard showed that there were 774 members; children baptized, 375; the present confirmed membership, 441; absent from the city, 31; present confirmed membership, 404; communicant membership, 360."

Old People's Day.

Yesterday was Old People's day at the First M. E. church. During the services special music was furnished by the choir under the direction of Justin Le Roy Harris. The Rev. J. Wade preached a sermon appropriate to the day on "The Bright Side of Growing Old." In speaking, Mr. Wade said, "Many people speak of old age as the western slope of life, which is a poetical expression. The promise is that every life shall be light. It is the Christian belief that there is no dark places in life, but a continually brightening path and reaches its goal at old age and death is an entrance into the gate of eternal life."

Rally Day Success.

The annual rally day was held at the South Eighth Street Friends' church Sunday and proved to be a great success. The total attendance for the Sunday was considerably over 200. Special music was furnished by the quartet consisting of Dr. W. J. Smith, Harry Doan and Misses Halcyne Harold and Ethel Patton. Solos were rendered in a most charming manner by Mrs. Dempsey Dennis, and Miss Ethel Patton. Recitations were given by Miss Morris and Mr. Merle Hobson. Supt. John H. Johnson of the Sunday school gave a very interesting talk on the general interests of the Sunday school. The church was decorated with many palms, ferns and chrysanthemums.

Successful rally day exercises were held at the Grace M. E. church yesterday morning and there was a very large attendance. There was a special musical program and a short address by Prof. C. W. Knouff, principal of the Richmond high school. Short talks were given by several other members of the school and church.

The Rev. J. E. Cathell gave a very interesting sermon at the St. Paul's Episcopal church yesterday morning on the subject of "Salvation Through Hope." There was a large congregation present.

Communion services were held at the St. Paul's German Lutheran church yesterday. In the morning the Rev. Huber preached a German sermon on "The Lord's Last Supper," and in the evening the English communion was held and at this time he spoke on the "Hunger and Thirst of the Righteous."

This is the Secret of Life in Business Or in Health.

It is claimed that Lord Bacon struck the prime keynote of life when he wrote: "Some books are to be tasted, others to be swallowed, and some few to be chewed and digested."

He wrote of books: many who have followed him have written likewise of life. The man who digests his business, makes success; the actor or actress who digests his or her art brings fame; the man who lives life and digests it as he should lives as was the intention he should live.

It is not the food you swallow or taste that brings happiness to you; it is the food you digest.

If you swallow and taste and don't digest and chew, nature cannot give you health, for you do not furnish the ammunition.

Stuart's Dyspepsia Tablets contain in pure, concentrated form the essences which, when they reach the stomach, turn dyspeptic conditions into those of healthy digestion.

These little tablets are dissolved in the mouth by saliva; they mix with this fluid and are passed down into the stomach, where they immediately set to work upon the food and digest it. They are many times more powerful than the human digestive fluids, and thus replenish Nature with those juices which sickness, abuse or wrongful eating have exhausted.

The world's best chemists in Europe and America agree on the ingredients best adapted to perfect digestion. Stuart's Dyspepsia Tablets are these ingredients presented to the stomach in the most pleasant and lasting form.

Powders and liquids soon lose their effectiveness through chemical actions and decay. Stuart's Dyspepsia Tablets are made under terrific pressure, and their qualities are thus made lasting.

Forty thousand physicians prescribe and use these tablets, and every druggist sells them. Price 50 cents. Send us your name and address and we will send you a trial package by mail free. Address F. A. Stuart Co., 150 Stuart Building, Marshall, Mich.

DEBATER NOW IN WALL STREET.

MISS ELIZABETH E. COOK.

Miss Cook was the Cornell debator who gained much fame. She has accepted a position with a Wall street firm.

NEW POSTAL RATE CAUSE OF INCREASE

Enormous Quantity of Mail Sent to America.

London, Oct. 12.—An enormous quantity of American mail is being sent out. That portion of the first two-cent mail to the United States which was sent down to Liverpool yesterday in order to ease the pressure at the general post office, alone easily established a record, while additional letters have been poured in by the thousands from the provinces all night long, and they are still coming.

The general post office has had to reinforce its staff, and the men worked all last night. They were scarcely able to cope with the tremendous rush, and an additional army of sorters was put on this morning. Business firms are taking advantage of the cheaper postal rate to send out masses of advertising. One house alone is reported to have mailed 10,000 letters.

TO RESUME CHARGE OF MILTON SCHOOLS

Prof. C. H. Wood Recovering Health.

Milton, Ind., Oct. 12.—Supt. C. H. Wood is improving in health and will return from Winchester to Milton Oct. 17 and take charge of the Milton schools. During his illness the schools have been capably cared for by Mr. W. D. Cook of Centerville.

Lord Bacon Said, "Digest"

This is the Secret of Life in Business Or in Health.

It is claimed that Lord Bacon struck the prime keynote of life when he wrote: "Some books are to be tasted, others to be swallowed, and some few to be chewed and digested."

He wrote of books: many who have followed him have written likewise of life. The man who digests his business, makes success; the actor or actress who digests his or her art brings fame; the man who lives life and digests it as he should lives as was the intention he should live.

It is not the food you swallow or taste that brings happiness to you; it is the food you digest.
