Kidneys Cured by This Simple Treatment.

Get your druggist to mix the following ingredients: One-half ounce fluid extract Buchu, one ounce of compound fluid Balmwort and two ounces of syrup Sarsaparilla compound. Shake well and take a teaspoonful before each meal and one when retiring. Drink plenty of water, but little of any liquid at meal times.

The Buchu is an excellent tonic for the kidneys and bladder, but combined with the excellent qualities of Balmwort and Sarsaparilla, its efficacy is ten times greater. The great urinary specialist, Gaut, whose single fees range from \$500 to \$1,000, acknowledges in his latest reports that this simple mixture is most reliable and will cure all but the most complicated and aggravated kidney and bladder affections; therefore, it is well worth trying.

Puffing under the eyes, backache, headache and dizziness, burning of the eyes, blurred vision, extreme nervousness, and insomnia all indicate urinary trouble. Many more symptoms could be named, but the reader will surely recognize them.
