Maj. F. A. Denison of Chicago
Will Give a Message to
His People.

HE IS WORKING FOR TAFT.

WILL TELL WHY HIS RACE
SHOULD SUPPORT REPUBLICAN
CANDIDATE— MARKLE SPEAKS
TOMORROW EVENING.

What is expected to prove the largest attended meeting of the present campaign held under the auspices of the Republicans and addressed by a colored orator will be held at the coliseum this evening. The speaker will be Major F. A. Denison, a celebrated attorney of Chicago. Mr. Denison gained the unique distinction of being the only colored man recognized by the chairman of the Republican convention held at Chicago, and accorded the privilege of acting as a vice president.

Major Denison is well known in Chicago, and ranks high among the leaders of the colored race in the entire country. He is a forcible speaker and an orator of no mean power. He will tell the reasons why the colored voter should support the Republican candidates at the coming election. The following have been named as vice presidents for the meeting: Ianno Thomas, Isaac V. Gause, N. Williams, Martin Golsa, W. Dennis, Simpson Oxendine, C. W. Genn, W. Bond, Thomas Mitchell, George Bishop, Albert Ford, William Plummer, Patrick McKinley, W. Russell, and James Clay.

Another important Republican meeting of this week will be held tomorrow evening at the Pythian temple. Harry Markle, of Tipton, Ind., legislative representative of the Brotherhood of Railway Trainmen, will deliver an address. Mr. Markle's speech will be of particular interest to the laboring man. The speaker will tell why labor owes support to the Republican party.

The Trifolium Literary society is being highly congratulated upon the successful and interesting musicals which it gave last evening in the First English Lutheran church.

The periods represented by the compositions appearing on the program were from Luther to Strauss. Mrs. Fred J. Bartel sang in a most charming and pleasing manner, "Cadle," written by Strauss. Mrs. Bartel has a beautiful contralto voice and whenever her name appears on a program the public is assured of hearing something unusually good. "Traumerl," written by Schumann, who has been called one of the three great musical critics of all time, was rendered by a quartet composed of Mr. H. Meyer, first violin; Mr. E. B. Knollenberg, first violin; Mr. Joseph Peltz, second violin, and Mr. Oliver Nussbaum, violincello. Miss Gettrude Grottenick and Miss Miriam Krone

gave several Bach, Mozart and Haydn numbers with unusual ability.

Perhaps the most elaborate numbers on the program were those given on two pianos by four of the city's leading musicians, Miss Esther Besselman, Miss Knollenberg, Miss Ruth Peltz and Miss Elizabeth Krueger.

Miss Ruth Peltz in her composition, "La Zingana," written by Bohm, made a good impression. She received a number of encores from the appreciative audience.

The affair was indeed a delightful one from the beginning until the end. This is the second propitious recital given by this organization, the first having been in the nature of Russian compositions.

The room where the recital was given was attractively decorated with American and German flags. Pictures of the German Emperor and Empress were placed on either side of the two grand pianos, which occupied the platform. Ferns and palms were also used in profusion. The ushers were Miss Ruth Peltz, Miss Alice Nolte, Miss Elizabeth Krueger, Miss Lena Leive, and Miss Elma Nolte.

The program as announced Saturday was carried out with but one change, and that was the Haydn number, which was changed to "Allegretto" from symphony number twenty.

The function was given to celebrate their fifth wedding anniversary and was held at their home, 53 South Seventeenth street. The table was beautifully decorated with carnations and ferns. AGED RESIDENT DIES SUDDENLY

**Charles Stetson Drops Dead
On Farm Near Greensfork.**

WAS A WELL KNOWN MAN.

FOR THIRTY YEARS HE OPERATED A FARM NEAR GREENSFORK BUT OF RECENT YEARS HE HAS BEEN RETIRED.

Charles Stetson, aged 71 years and one of the best known residents of this city and county, died suddenly yesterday afternoon at his farm, two and one-half miles northeast of Greensfork, as a result of an attack of acute indigestion. Mr. Stetson drove out to his farm from this city and on arriving there placed the horse and buggy in the barn. While walking to the house, which is occupied by John Nicholson and family, he suddenly pitched forward onto the ground, dead. The body was found a short time later by one of the Nicholson children.

Mr. Stetson was a brother-in-law of George L. Cates and Edwin H. Cates of this city. For thirty years he operated his large farm near Greensfork but a year ago last May, he and his family moved to this city and of late have resided at 50 South Thirteenth street. Since Mr. Stetson gave up the active management of the farm it has been in charge of Mr. Nicholson.

Mr. Stetson had been suffering from acute indigestion for some time but it was never thought his condition was critical. Sunday he appeared to be enjoying excellent health. Besides his wife Mr. Stetson leaves a daughter Miss Reba, who graduated last spring from Vassar college.

The funeral will take place from the residence Thursday morning at 10:30 o'clock. The cortege will leave the home about 12 o'clock for Williamsburg where Chinkaroror lodge of Odd Fellows will conduct the services at

the grave. The burial will be at Mt. Zion cemetery. Friends may call any time Wednesday afternoon or evening.

PUBLIC OPINION IS GREAT FORCE

(Continued From Page One.)

South Bend, was elected moderator last night for the ensuing year. William F. Padgett and Arthur M. Smith were elected clerks.

This morning the session was opened by devotional exercises conducted by the Rev. A. C. Ormond. The chairmen of the various committees read their reports, all of which were of the greatest interest to the delegates. The report of the educational committee was read by Dr. Garrett who, for five years has been a member of the faculty of Hanover college.

In the report of the Home Missions committee it was stated that this branch of the church was preparing to put forth particular effort to bring to the faith the many foreigners employed at the big steel mills at Gary, Ind.

The Rev. J. F. Horton spoke in the interests of the American Bible society. He told of the great work this society was doing all over the world, but he stated, more good could be accomplished in the United States than in any other section of the globe, because, he said, of the millions of foreigners who annually poured into this country, men and women beset with superstitions, anarchy and the wrong kind of socialism, there was a grand chance to bring. He said that by spreading the gospel among these ignorant masses all of them could be made good Christian American citizens.
