

## A DAY OF PRAYER

Sunday Schools of the World  
Hold Special Meetings  
Next Sunday.

## COUNTY CALL IS ISSUED.

E. J. Humpe, chairman of the Wayne County Sunday School association, has notified superintendents that next Sunday will be a day of prayer in the schools of Wayne county, in accordance with the call for the observance of the day issued by the executive committee of the World's Sunday School convention.

The day will not only be observed in Wayne county, but all over the world, it being the most universally observed day of any similar one in the history of the World's Sunday School association. The call issued by that organization follows:

**To Evangelical Christians in All Lands**  
Greeting—The World's Sunday School association assembled in Rome recommended that the third Sunday in October of each year be observed by evangelical churches everywhere as a day of prayer for Sunday schools throughout the world, and the executive committee was charged with the duty of publishing this recommendation.

You are, therefore, invited to observe Sunday, October 18, 1908, by engaging in public and private prayer to Almighty God for a special blessing upon Sunday schools in all lands. Every child of God, young or old, learned or otherwise, may constitute a link in this chain of prayer which is intended to encircle the globe, strengthening the tie which unites us in a common bond of service, deepening our affection for each other, and increasing our zeal in an effort to secure the universal study of the word, which is "the power of God unto salvation to every one that believeth."

In order that this recommendation may have the widest publicity possible, we earnestly invite the co-operation of the religious and secular press, ministers of the gospel and Sunday school superintendents, and all others who are interested in the work of the Sunday school. "And all things whatsoever ye shall ask in prayer, believing, ye shall receive."

By direction of the executive committee of the World's Sunday School association.  
**GEORGE W. BAILEY,**  
Chairman.

## GOODE DENIES ALL

Indianapolis Publisher Accused of Blackmail Says Charges Are False.

## HIS STATEMENT IS BRIEF.

Indianapolis, Ind., Oct. 15.—Solon L. Goode, who is charged by the Republican national committee with attempting to blackmail the committee, returned from Chicago last night, denying the charges against him.

Mr. Goode refused to make any further statement than one which he said he had prepared on his return home, which is as follows:  
"As regards the scurrilous statement given out by the Republican national committee that I had attempted to blackmail the committee I have only to say that it is an unqualified falsehood, and is prompted solely through fear of the popularity which would probably be given Mr. Bryan by an article recently published in the American Farmer, which article is being extensively copied in other publications."

BOSTON MAN MAY  
GO TO DEPAUW

Rev. Francis J. McConnell May  
Accept Offer.

Boston, Mass., Oct. 15.—The Rev. Francis J. McConnell, D. D., pastor of the New York Avenue Methodist Church, has declined to be dean of Boston University School of Theology. He has written a letter to President Huntington stating that he has another position in view.

This is believed to be at DePauw University, whose trustees have been seeking him for the presidency to succeed the Rev. Edwin H. Hughes. There has been speculation here as to which college call the eminent pastor would accept. In view of the rejection of the Boston University office it is generally believed by Dr. McConnell's many Massachusetts friends that he had decided to go to the Indiana university.

Wanted—Something New.  
A good lady of indefinite education, but ample purse, went into a book-seller's to buy a gift for her husband. She hovered around and manifested the usual indecision, whereupon an assistant, to help her out of the difficulty, suggested a set of Shakespeares.

"Oh," replied the lady very promptly, "he read that when it first came out."—Harper's Weekly.
