

QUAKERS SECURE SWEET REVENGE

Defeat Richmond High School Team by a Score of 5 to 0.

FIGHT FOR QUARTERBACK.

FOUR CANDIDATES FOR POSITION AND THERE IS STRONG RIVALRY AS TO WHO WILL RUN TEAM IN BIG GAMES.

By Tort.

Minus the services of Gaston, Swain and Captain Harrel, Earham defeated the strong Richmond high school team yesterday afternoon by score of 5 to 0. High school fought desperately from start to finish, and the Quakers had to dispute for every inch of ground gained.

The Quakers are gradually rounding into good form and the stars who are now being kept out of the game for fear of further injuries will all be included in the lineup against Wittenburg next Saturday. It is conceded that the game will result in an Earham victory and the only question is what the score will be.

J. Jones played at quarterback yesterday and made such a splendid showing that there is a possibility of him being kept in the position next Saturday. He is a fast, clever player, and a good field general. He had his men "up on their toes" and going all the time yesterday. What the Quaker backfield needs is ginger, and Jones injected it.

Furnas, the former Shortridge high school star, was tried out yesterday in Gaston's position, right end, and he made a splendid showing. There is but little chance of Furnas being used regularly at end unless Gaston or Hancock are injured and forced out of the game.

The fight is now on as to who will run the team as quarterback in the two final games of the season. In Lawrence, Rebe, J. Jones and Hill, Coach Vall has excellent material for this position. If the former fully recovers from his injuries it is probable he will have the call for the job. He is one of the best players that ever donned a Quaker uniform.

INTEREST IN BOUT

Carl Busch Expected to Give Turk Great Go Thursday Night.

OLSON WILL CHALLENGE.

By Tort.

Local fans are taking a great deal of interest in the bout Thursday night between Carl Busch and the "Terrible" Turk. The match will be fought Greco-Roman. This style of wrestling will place the German's chances of victory on a par with his heavier rival. The Turk at catch-as-catch-can has it on Busch, but at Greco-Roman Busch is as clever a light heavyweight as can be found in this country. The match Thursday night will be pulled off at the Coliseum. Both men have been training hard for the event. The Turk has been making his training headquarters at Ridgeville, and he writes that he is "in the pink."

Some time ago the Palladium published a challenge issued by Charley Olson, of Indianapolis, to meet the winner of any bout pulled off in this city, but his challenge has never been accepted. Today the Palladium received a communication from Olson in which he stated he would wait no longer to receive a reply to his challenge, but would attend the bout at the Coliseum, Thursday night, and would then issue a public challenge to the winner.

Olson is the champion light heavyweight of America, and has had the distinction of going an hour with Gotch, champion heavyweight of the world, before going to the mat. Local fans are of the opinion that Olson could eat the "Terrible" Turk alive if necessary, and they would like to see him have the opportunity of getting to the Sultan's favorite.

BUSCH DEFEATED IN MUNCIE MATCH

Peterson, the Swede, Wins Over German.

Muncie, Ind., Oct. 21.—Charles Peterson, the big Swedish wrestler, was a home with Muncie sports last night when he dumped Carl Busch, German champion for two out of three falls at the auditorium. Busch won the first fall in thirty-five minutes, but Peterson took the next two, at catch-as-catch-can, in twenty-eight and twenty-seven minutes respectively. There was some dispute among the spectators as to whether Busch's shoulders were on the mat on the second fall, the German claiming that he was not given a fair decision by referee Kazarine but the third round Peterson so conclusively demonstrated that he could floor Busch that the crowd became pacified and satisfied that the Swede was entitled to the honors.

Affairs of the Sporting World

In an exhibition game yesterday at Terre Haute, the home of "Three Fingered" Brown, the Cubs defeated the Tigers 7 to 1. Brown, who was presented with a silver service by the Terre Haute fans, was invincible while in the box. Cobb's batting was the feature of the game.

The Baseball Magazine in its current issue has picked the following all star baseball team, picked from players in the National and American leagues.

Catchers—Kling, Chicago Nationals; Bresnahan, New York Nationals. Pitchers—Walsh, Chicago Americans; Mathewson, New York Nationals; Brown, Chicago Nationals; Rucker, Brooklyn Nationals.

First Base—Chase, New York Americans.

Second Base—Lajoie, Cleveland Americans.

Third Base—Devlin, New York Nationals.

Shortstop—Wagner, Pittsburgh Nationals.

Left Field—Clark, Pittsburgh Nationals.

Center Field—Donlin, New York Nationals.

Right Field—Cobb, Detroit Americans.

A mighty large percentage of the traveling public is never injured by railroad accidents. It is also a fact that a mighty large percentage of football players are never injured by gridiron accidents, so let's quit knocking this strenuous but healthy game.

When the rain comes and the golf course at the Richmond country club softens up, a lot of chesty golf players will cease bragging about how far "I drove the ball last Tuesday."

Will "Casey" Horn, the local baseball player who was with Quincy last

season, would like to secure the position as trainer for the Earlham football team. The Quakers need a trainer badly, and no better man than Horn could be secured.

Joe Suggen is to have a chance next year in the old men's home, the Southern league. Atlanta has drafted the ex-Saint from Vancouver. Birmingham has taken Bill Raffts, three years ago a Senator for a short time.

Chillicothe people are thinking seriously, so it is reported from there, of organizing a company to back an Ohio state league team if a franchise can be secured. It is intimated that Louis Halid, second baseman of much experience who resides there, is in line for the management.

Individually the Cleveland players are as game as they are on any other club. But they do not possess the fighting spirit as team. If they had they would have won pennants for Cleveland long ago. Cleveland is making an awful roar about the Tigers. The only answer is: "It is better to have played and lost, than never to have played at all."—Detroit News-Tribune.

Mike Cantillon, manager of the Minneapolis baseball club, is brought into October notoriety by ruling of both baseball and civil courts. The National commission has set down O'Neill, Wheeler, Kerwin, Smith and Clarke for playing against Jimmy Callahan's Logan Square team, and the district judge at Minneapolis has ordered Cantillon to settle with Orville Kilroy. Mike has been notified that he can't go ahead with signing up his ineligible players until they are reinstated by the commission, and it is hinted that each will have to pay \$200, double the usual fine, before they are put back to good standing.

ISLAND ENVELOPED GERMANY STOPS WAR

Lives of People on Sugar Island Are Now Endangered by Fire.

MUCH PROPERTY RUINED.

SERVIA IS FOR PEACE.

Berlin, Oct. 21.—Reports received from the Soo indicate that the loss from forest fires exceeds that of any day since the conflagration started last week.

From all directions come reports of buildings burned and hundreds of acres of the choicest timber destroyed.

Sugar Island, the largest of all the islands in the great lakes, is ablaze from one end to the other. The island is 12 miles long, 3 miles wide and has a population of about 1,000. The inhabitants are in great peril. Fires on the island received a good start yesterday.

At Six Mile Point, on Hay Lake, the last report says the flames on the island were roaring through the tree tops. Not a soul has left the island for two days, all hands being called out to protect the homes of farmers.

Island is Blanked.

The island is invisible from the mainland. Farmers on the mainland have not attempted to cross to investigate, as all are fighting to save their own buildings.

Gladys, a small town 12 miles west of the Soo, is surrounded by fire, and Sheldrake, on Lake Superior is threatened.

Within five miles of the Soo, fires are running across farms, and every available man has been summoned to help save the buildings.

The list of dead in the Athena district is now placed at 42, with perhaps a dozen more numbered among the missing.

A telephone message from Pickford, Chippewa county, says that a fierce southeast gale has sprung up, fanning the fires to renewed fury; that there is hardly a wooded spot in the country that is not burning and flames are roaring through the tree tops 100 feet high.

Navigation Perilous.

Dense clouds of smoke are rolling over the lake, making navigation nearly impossible.

MRS. HOXIE GETS DIVORCE

Mrs. Mary Walker Named Correspondent.

Portsmouth, N. H., Oct. 21.—As a direct climax of the sensational alienation suit here, last winter, Mrs. Alice T. Hoxie in the district court has been granted a divorce from Joseph Hoxie, the artist and clubman. In her original complaint Mrs. Hoxie named Mrs. Mary A. Walker, of Elyria, Ohio, widow of a millionaire lumberman, as co-respondent.

All of the charges made by Mrs. Hoxie were based on the testimony brought out in the alienation suit, in which she sued Mrs. Walker for \$20,000 for alleged alienation of the affections of her husband.

FILES APPRAISEMENT.

JAPANESE AVOID ANY FRICTION

Treat American Sailors Now
On Shore Leave With
All Courtesy.

MESSAGES ARE EXCHANGED

PRESIDENT ROOSEVELT AND MIKADO EXCHANGE VERY CORDIAL GREETING—A DEPARTURE FROM COURT PRECEDENTS.

Tokyo, Oct. 21.—This city remains the center of attraction for the American fleet's officers, but Yokohama is filled with blue jackets, who are offered every form of entertainment, while large numbers of others are visiting nearby points of interest.

Up to the present time perfect order has prevailed among the sailors on shore liberty, despite their long tour of sea duty. In every case where there has been a possibility of trouble the Japanese have met the situation with the utmost courtesy, avoiding any friction.

The most significant event of the visit of the American fleet to Japan took place yesterday when Rear Admiral Sperry, his flag officers and the captains and commanders of the 16 battle ships were presented to the emperor and empress under circumstances evidencing a radical departure from all court precedents in order to do favors to the Americans.

That it was the most brilliant function that the palace has ever known is vouchsafed by those who have been attached to the court for many years.

The emperor assumed a most cordial manner and the empress shook hands with every officer.

To a message from President Roosevelt, delivered by Admiral Sperry, the emperor responded in a cordial manner.

The exchange of messages between President Roosevelt and the emperor was evidently planned as a surprise. When the President's message was received its evident cordial tone was at once accepted as the highest official endorsement of the peaceful mission and friendly spirit with which the fleet left the Atlantic and is now visiting Japan. Hence the unusual tone of the emperor's reply, which has been published here, was understood immediately as indicating that the entente between America and Japan, although unwritten, was most sincere and real.

The Messages Follow.

The following is the text of President Roosevelt's message to the Emperor:

Sperry, Flagship Connecticut, Yokohama—Convey to his Majesty, the Emperor of Japan, my best wishes for his continued good health and happiness and that of all the inhabitants of his realm. Express to his Majesty the high gratification afforded me and the people of the United States at this opportunity which permits the commander in chief of the Atlantic fleet in person to present my appreciation of the friendship which has existed from the earliest time between the United States and Japan and of the honor of the United States in this invitation to the United States Atlantic fleet to visit the Empire of Japan in its practice cruise around the world. You will express to his Majesty, the Emperor, my earnest wish for the strengthening and continuance of the cordial relations which exist and have always existed between the two countries.

THEODORE ROOSEVELT.

The Emperor's Reply.

Admiral Sperry's reply, which was addressed to the secretary of the navy for the president was as follows:

President's telegram read to Emperor at audience this morning. Reply as follows:

"Admiral Sperry, it affords me especial pleasure to welcome you as the representative of the American Navy and to receive through you from your respected president his very friendly message. I request you to assure the president that I most sincerely appreciate his sentiments of friendship and good will. It is a source of profound satisfaction to me that the most cordial relations of regard and good correspondence exist between Japan and the

United States and my thanks are due to the president for affording my subjects by your visit an opportunity to give new proof of their sincere attachment for your countrymen. I also wish you to convey to the president this message.

"The historic relations of good understanding and genuine friendship with the United States I count as a valued heritage of my reign, and it shall be in the future, as it has been in the past my constant aim and desire to weld the ties of amity uniting the two countries into indissoluble bonds of good neighborhood and perfect accord. I trust that the same success which has so far attended your voyage may still be with you to the end."

Immediately after the audience the Emperor was present in person with the princess and gave a luncheon to our ambassador, flag officers and captains, all ministers of state and the most distinguished officers of the Japanese Army and Navy. The presence of the emperor was a most unusual and marked honor; the reception to the officers and men most cordial, generous, successful and satisfactory in every way.
