STRONG ASSERTION REGARDING HEARST

Former Governor of Pennsylvania Denounces William R's Impertinence.

HE SUGGESTS THIEVERY.
SAYS HEARST EITHER STOLE ARCHBOLD'S LETTERS OR BRIBED SOME ONE TO DO IT OR PAID FOR THEFT.

Pittsburg, Pa., Oct. 26.—Denying positively that he had been influenced in any manner by the Standard Oil company in appointing Judge Morrison and declaring that he did not appoint Judge Henderson, former governor William A. Stone gave out an official statement at his home in Allegheny this afternoon. He denounces William R. Hearst and practically calls him a thief and declares that if Supreme Court Judge John P. Elkin received any money from the Standard Oil company, as charged in the letters from Archbold, read by Hearst at a meeting in New York, the money was for campaign purposes and was used to that end.

In the meantime, Judge Elkin denies that he received any money "illegally." All of today he remained secluded at his home in Indiana, Pa., but this afternoon he was hurriedly driven to the depot, where he boarded the 5:29 train for this city, arriving here about 9 o'clock. He hurriedly went to his hotel, where he denied himself to all callers, explaining that the interview he had given out prior to his departure from Indiana was all that he cared to say at the present time. He reiterated the statement that he had never received any money illegally and that it would be impossible for him to make any statement until he had looked over his papers.

Improper for him to receive contributions for campaigning expenses. The judges of Pennsylvania have the confidence of the people. They have never been charged with partiality to the corporations, nor can they be so charged justly.

"I do not personally know Mr. Hearst. I know J. D. Archbold well enough to believe that he would be incapable of bribing an employee to steal the private letters of Mr. Hearst or any one else and publish them. Mr. Hearst either stole the Archbold letters, or bribed someone to steal them, or bought them, knowing them to have been stolen. These three offenses are crimes of equal grade and are indictable and punishable by fine and imprisonment in all of the states. Hunger, fear, intoxication and insanity may go far to excuse crime, but politics never.

Didn't Appoint Henderson.
"I have no recollection of having received the letters from Mr. Archbold. I did not appoint Judge Henderson. I did appoint Judge Morrison, because of my knowledge of his ability and fitness for the bench."

FAIR EXCHANGE.
A New Back for an Old One—How it is Done in Richmond.

The back aches at times with a dull, indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the loins are so lame to stoop is agony. No use to rub or apply a plaster to the back in this condition. You cannot reach the cause. Exchange the bad back for a new and stronger one. Follow the example of this Richmond citizen.

Dallas Cassel, employed at the Starr Piano factory, and living at 711 South Eighth street, Richmond, Ind., says: "I think it was about fifteen years since I was cured of kidney complaint by Doan's Kidney Pills. At that time I was working for the Richmond Casket Co., and in the course of a hard day's work did quite a bit of heavy lifting, which brought on severe back-aches and headaches. I tried several remedies with no effect and finally I was induced to get a box of Doan's Kidney Pills at A. G. Luken & Co's Drug Store. After I had used them for a short time the dull aching in my back disappeared and with it the headaches. Since that time I have not been troubled at all, and have recommended Doan's Kidney Pills to many other sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

SURE THING WAGER

Shafer Bet Factories and Banks Would Close Following Bryan's Election.

LOOK UP THE CALENDAR.

Chicago, Ill., October 26.—A wager of \$200 against \$150 that 80 per cent of the banks and factories in the United States would be shut down four months after the inauguration of William Jennings Bryan, provided he is elected President, was made by Manager Will Shafer, of the Auditorium Hotel, with Henry T. Williams, of St. Louis.

"Did it ever strike you," queried Mr. Shafer, "that four months after the President is inaugurated is the Fourth of July, a national holiday, which, of course, closes"—but he got no further. Mr. Williams led the way to the buffet.

MEMBERS TRYING TO SECURE FUNDS

Church Congregation to Pay Indebtedness by Own Efforts.

The members of the new St. John's church are desirous of raising their indebtedness as soon as possible. The debt on the church is less than \$10,000 and it is now believed this amount can be raised by personal subscriptions by the church membership.

The Rev. Mr. Feeger and the congregation expect to make the deficit up in this manner as they wish it to be said the church is one that raised money for the building entirely by the efforts of the membership.

"Gaddie certainly is stuck on himself."
"Oh, I don't know! He's always running himself down."
"Of course; that's the only way he can keep on talking about himself and get people to listen to him."—Philadelphia Press.
