CAREFUL CANVASS SHOWS TAFT WINS

His Plurality in New York State Will Reach 120,000.

COMMITTEE SURPRISED.

BRYAN WILL CARRY NEW YORK CITY, IT IS SHOWN— BOTH HITCHCOCK AND ROOSEVELT ARE CONFIDENT.

New York, Oct. 29.—The Brooklyn Eagle last night published the following:

Taft's plurality in New York, 120,000.

Hughes's plurality, 75,000.

Bryan's plurality in Greater New York, 42,000.

Bryan to lose Queens county.

Debs to run ahead of Hisgen in this state.

Shearn to get twice as many votes as Hisgen in New York.

The foregoing is a summary of the result of what is perhaps the most systematic canvass that has been taken in New York state in this campaign.

It was conducted under the direction of the republican national committee, and the results are largely responsible for the conviction which President Roosevelt and Chairman Hitchcock have that Taft will carry this state and be elected.

The biggest surprise which the men who handled this canvass got was in New York city. They could hardly believe the indicated vote for Bryan.

If their returns are at all reliable the democratic candidates is going to get a pitifully small vote in Manhattan. The estimate of 42,000 plurality is declared to be liberal.

The same canvass indicated that Debs, the Socialist candidate, will get a much larger vote than most persons look for. He is expected to run ahead of Hisgen, the presidential candidate on the Independence party ticket.

Chairman Hitchcock believes that New York is the pivotal state, and that as it goes so the election goes. The president and Hitchcock are both absolutely confident that Taft will carry New York with more than 100,000 plurality, and that this will clinch victory. Those who talk for a few moments with the cautious and ultra-conservative Mr. Hitchcock are left in no doubt regarding his opinion of the result.

Young Roosevelt Gets \$4.50 a Week But May Soon Get \$5

Washington, Oct. 29.—The announcement from Hartford, Conn., that Theodore Roosevelt, Jr., has been promoted to the worsted room of the Hartford Carpet company but that his promotion carries no increase of wages, is supplemented by the statement of a close personal friend here that the weekly pay envelope of the president's eldest son contains exactly \$4.50.

From the same source it is learned that Theodore Jr., is likely to be advanced to \$5 per week during the coming month.

Philadelphia, Penn., Oct. 29.—Accompanied by a number of her classmates from Bryn Mawr College, where she is a student, Miss Helen Taft, daughter of the Republican nominee, last night attended the Republican rally at Bryn Mawr and heard various orators predict a sweeping victory for her father.

Miss Taft and her companions applauded with the crowd when a telling point was scored by a speaker and the downfall of Bryan was predicted.

"It was the first political meeting I ever attended, but I just could not help going," Miss Taft is quoted as saying. "Naturally I cannot help being interested in the outcome of this election, and if there is the enthusiasm elsewhere that was shown at that meeting there would seem to be no question of what the verdict will be on Tuesday."

Chicago, Oct. 29.—The Socialists have announced their plans for holding a big street demonstration in Chicago next Sunday afternoon. The parade is to be in four divisions, one of which will be composed entirely of women and children. Eugene V. Debs, Socialist candidate for president, is scheduled to arrive in Chicago on his "red special" tonight.

LOEB ADVISES MAN TO BET ON HUGHES

Race Horse Man Asks for Information.

New York, Oct. 29.—A Washington dispatch to the Herald is as follows:

William Loeb, Jr., secretary to the president, had a call from a well known owner of race horses.

"I have \$5,000 to bet on Chanler, but thought I would come in and find out what you and the president think of his chances before putting it up. Now, give it to me straight, who will be elected governor of New York?"

"Are you looking for a clinch?" asked Mr. Loeb.

"I am. I want to win with this money," was the reply.

"Then my advice is to bet your money on Hughes. He will be elected."

VERDICT WANTED BEFORE ELECTION

Counsel for Labor Leaders Will Submit Case.

Washington, Oct. 29.—To facilitate a quick decision before the general election in the contempt proceedings against President Gompers, Vice President John Mitchell and Secretary Morrison, of the American Federation of Labor, growing out of the alleged boycott of the Bucks Stove and Range Company, of St. Louis, counsel for the labor leaders, have given notice to the counsel for the Bucks Company that they will adduce no further evidence in behalf of themselves and will submit the case on the evidence as already produced.

Easter is the spring festival, and the real flowers of early spring, the tulip, the daffodil, the wild arbutus, are its more appropriate floral symbols. We derive our name for it from Ostara, the Saxon goddess of the East and the dawn. In Latin countries they cling to variants of the Aramaic "pesach" (passover) as pascua, pasqua, pagues. If there is such a flower as "the resurrection lily," it must be the small purple lily of Palestine.

Covering the mirror when there is superstition that goblins, sprites, elves or other uncanny creatures would crowd to the glass to look on.

Women Could Plan Work Better if They Smoked Says Doctor

Philadelphia, Pa., Oct. 29.—Dr. Rachel S. Skidelsky, one of the best known women practitioners in Philadelphia, startled the Women's club by advocating the smoking of cigarettes by women.

"I feel sure that tobacco, if pure and properly used, might be beneficial to women," said Dr. Skidelsky. "It is known to be valuable in functional disorders of the nerves. I think that if a woman would sit down for five minutes before beginning her day's work and give the time to a cigarette she would be able to plan her work better. And the five minutes thus used three times daily would be, I think, of much benefit to her."

Dr. Skidelsky was born in Russia. She has lived in the United States thirty-nine years.

JOE FANNING WEDS IN NEW YORK CITY

Former Secretary to Taggart A Benedict.

New York, Oct. 29.—Here is a bit of sound news that will cause no end of congratulations to speed from the West to the East. In the Church of the Holy Innocents this morning, Miss Williamette Marie Martin and Mr. Joseph T. Fanning, of Indianapolis and New York, were married.

The bride is a resident of Cody, Wyoming, and formerly lived in Indianapolis. Mr. Fanning is the President of the Eastern Securities and Finance Company and a business representative of the Belmonts. He came to New York four years ago.

In the Presidential campaign of 1904 Mr. Fanning was the Secretary and confidential adviser of Thomas Taggart, then Chairman of the Democratic National Committee. He was also Grand Exalted Ruler of the Elks of the United States at the time of their great gathering in Cincinnati.

After the wedding Mr. and Mrs. Fanning will make an extended trip through the West and will return to this city where they will reside permanently.

SAVED HIS BOY'S LIFE.

"My three year old boy was badly constipated, had a high fever and was in an awful condition. I gave him two doses of Foley's Orino Laxative and the next morning the fever was gone and he was entirely well. Foley's Orino Laxative saved his life."

In the construction of the new harbor at San Pedro, Cal., the government is building a breakwater that extends two miles out into the open sea. Piling was first driven, on which a railway trestle was built and immense quantities of rock are being dumped on both sides of it.

THE THEATER

Vaudeville.—New Phillips.

Despite election excitement, the business done at the New Phillips this week has been good. The bill has evidently struck the popular note. Leading in the favor are the Seven Russells, whose minstrelsy has been received with especial warmth. The work of the Marvin brothers has also been pleasing.

"Mistaken Identity" by Phillips and Bergen, and the reading of Miss Cora Garner have been other satisfactory features of the program.

Secretary of State Elihu Root has completed his sixty-third year. During his term he has traveled farther than any of his predecessors in the office. He has visited South America, Mexico and Canada.
