NORTH END MERCHANTS

"Our Constant Aim is to Sell the Best Goods in the Market"

You cannot cure hams with a hammer,

Or yet shear a ram with a rammer.

But you buy the best 25c Coffee in the city at

This car of Winifrede coal passed along Main street on October 7th. It was drawn by 16 head of mules. It is said to be the largest and most unique float that was ever seen in an industrial parade in Richmond. Winifrede coal is the best family coal on the market. It burns clean and holds fire over night.
