

## EMPIRE STATE IS 100,000 FOR TAFT

Basis of Assertion on Remarkable Canvass Made in That State.

HUGHES NOT FAR BEHIND.

DURING PAST WEEK PRESENT GOVERNOR OF NEW YORK HAS MADE RAPID GAINS, PARTY MANAGERS SAY.

In predicting that New York state will give a plurality both to Mr. Taft and Governor Hughes, republican campaign managers base their assertion on a remarkable canvass which has just been completed covering every election district in the state. It was made by 12,000 men, and it records the intentions of 140,000 voters, divided about equally between the two regular parties.

The canvass gives Taft a plurality of more than 100,000 in the state and indicates that Governor Hughes will not run more than 40,000 behind him, which means that the governor will be re-elected by at least 60,000. The canvass shows, further, the party managers say, that the tide has set in for Hughes and that he has made big gains during the last week.

No more extensive canvass was ever made by either party in this state than the one on which the claims of the republicans are based, and they say that they are satisfied that it is accurate. It was made under the personal supervision of William L. Ward, national committeeman from the state. In some sections of the state the canvass shows that there is a very strong feeling against Governor Hughes. It shows a falling off in his vote from that of Mr. Taft in practically all the counties of the state, but it does not indicate, Mr. Ward says, the big loss that many predictions have shown.

It shows many of the old line democrats who stood out against Mr. Bryan four years ago are going straight through this year, but it shows also that in the cities there are a good many merchants and business men, ordinarily democratic who are going to vote for Mr. Taft.

## TO WIPE OUT MORE OUTLAWS

Bandits Hinder Development In Mindanao, Say Officials.

CAMPAIGN TO START SOON.

OFFICERS ON LEAVE ARE BEING RECALLED AND TROOPS ARE BEING PUT IN READINESS FOR CONFLICT.

Manila, Oct. 31.—Advices from the Iligan, in Northern Mindanao, state that the Mow outlaws are now terrifying the natives.

Troops from Camp Overtos are in pursuit of the band of outlaws, which number twenty-five.

Military officials generally declare that an exhaustive campaign is necessary in Mindanao to wipe out the outlaws, who are growing bolder from time to time.

Cholera and the heavy rains have kept the troops inactive during the present season, as also political conditions in the United States. General Bliss, commanding the department, has asked permission to send a large force against the bandits both in Mindanao and Basilan. He declares that these bands must be conquered before the development of the country can continue.

Preparations are under way for a general campaign immediately after the election. Officers on leave are being recalled and the troops placed in readiness. The plan of campaign is independent of the latest outbreak. It is believed here that a large force will be employed.

The troops available consist of two regiments of infantry, one of cavalry, three mountain batteries and nine companies of native scouts. Datto Ami Gundalungun, the most notorious outlaw is at the head of the Moro depredations.

## ALL ELECTION SUPPLIES OUT

Last Distributed Shortly Before Clerk Closes Office.

The last of the election inspectors to call at the office of the county clerk for his supplies arrived last evening about 5:45 o'clock. This was only a few minutes before the clerk's office was closed for the day. Had not the inspector arrived and secured his supplies for election day he would not have been permitted pay for his service, under the law.

## NO MOVE MADE TO BUILD DEPOT

Traction Line Delays Work on Freight Station.

Just why the Terre Haute, Indianapolis & Eastern Traction Company does not begin the construction of its proposed freight depot is not understood by the city officials. The company announced some time ago it would begin the work but nothing has been done other than the placing of the tracks across the sidewalk in front of the property. The injunction proceedings are supposed to cause the delay.

**Brief and Pithy.**  
An American law journal has quoted the charge to a jury delivered by a certain Judge Donovan as the shortest on record. The judge said: "Gentlemen of the jury, if you believe the plaintiff find a verdict for plaintiff and fix the amount. If you believe the defendant find a verdict for defendant. Follow the officer." But an English periodical caps this brief charge by quoting a shorter one delivered by Commissioner Kerr. He said to a jury: "That man says prisoner robbed him. The prisoner says he didn't. You settle it."

**Plagiarism.**  
At the literary club a sympathetic crowd surrounded the humorist, whose house had been robbed. "They cleaned out everything," said the man—"everything, but, thank goodness, they didn't swipe from my desk the manuscript column of jokes for next week's paper."

**Liberality.**
