

BRYAN GETS GREAT RECEPTION AT HOME

Tears Well in the Eyes of Famous Nebraskan When He Mentions Wife.

THOUSANDS CHEER MAN.

NON-PARTISAN RECEPTION TO DEMOCRATIC CANDIDATE THE GREATEST EVER HELD IN THE CITY OF LINCOLN.

Lincoln, Neb., Nov. 3.—The greatest demonstration in the history of Lincoln was given to Mr. Bryan by his fellow townsmen last night on his return to his home city at the close of his campaign. Nonpartisan in character, it was participated in by democrats and republicans alike and the democratic candidate was driven through the streets cheered by almost the entire population of the city. The reception was tendered him as a citizen of Lincoln rather than as a candidate and in the speech he avoided all reference to partisan issues. In the parade which followed his automobile from the Union Station, however, many political transparencies were carried.

Mr. Bryan reached his home city at 8:30 o'clock last night on his special train, coming direct from Kansas, where he had spent the day in a final whirl of speech-making. His train was met at the union station by a tremendous crowd and as the score of carriages and automobiles forming his immediate escort started across the viaduct from the railroad station the great parade fell in line behind him. The parade moved through the main street of the city through solid masses of cheering humanity, and after circling through the city returned to the Hotel Lincoln, where Mr. Bryan spoke, overlooking the public square. A great shout rose from the multitude filling the square as he appeared. He was introduced by Frederick C. Sheppard, president of the Bryan club, and spoke for half an hour.

Mr. Bryan's speech was greeted with vociferous cheers. The candidate was to tears as he made an affectionate reference to his wife, and when he closed the demonstration accorded him was such as he rarely had experienced in his three campaigns.

Believes He Will Win.
"I believe I am going to be elected," he said. "More than that, I believe it is going to be more than a bare victory. I believe that there is a stirring of the conscience of the American people, a moral awakening, an uprising that means a sweeping victory and I will swear in your presence that no one who votes for me will ever have occasion to be ashamed of the vote he casts."

Seven Years of Proof.

"I have had seven years of proof that Dr. King's New Discovery is the best medicine to take for coughs and colds and for every diseased condition of throat, chest or lungs," says W. V. Henry, of Panama, Mo. The world has had thirty-eight years of proof that Dr. King's New Discovery is the best remedy for coughs and colds, la grippe, asthma, hay fever, bronchitis, hemorrhage of the lungs, and the early stages of consumption. Its timely use always prevents the development of pneumonia. Sold under guarantee at A. G. Luken & Co. drug store. 50c. and \$1.00. Trial bottle free.

WHERE THERE IS SO MUCH SMOKE

There Is Always Some Fire.

When people talk about one thing and keep on talking as they do about the discovery that created so much newspaper comment in Richmond and other cities during the past summer, even though many reports may be exaggerated, there must be some merit in the discovery, and when people spend their money for a thing and then buy more of it, proof of merit is so convincing that it becomes the duty of every person in need of Root Juice to go to Luken's drug store and get a bottle of this much talked of remedy. Root Juice cures rheumatism and catarrh because it puts the filtering machines of the body to work and causes them to filter the impurities of the blood. Root Juice cures stomach and bowel troubles because it removes irritated and ulcerated conditions from the mucous linings and causes a natural flow of digestive fluids. Root Juice is so good for female weakness because it tones and heals the organs that make and filter blood.

Good, rich blood will nourish and strengthen. Root Juice is weak part of the body. Root Juice is sold for one dollar a bottle, or three bottles for two dollars and a half at A. G. Luken & Co's drug store.
