

MARSHALL ELECTED

BY 19,000

(Continued From Page One.)

Bryan 1,780, Watson 2,880, Marshall 2,448.

Wayne county reported that Watson will have 2,000 and Taft 3,000. Reports from Vigo county showed that fourteen out of forty-one precincts gave Taft 4,555; Bryan 5,000. In these same precincts Watson fell far behind receiving 4,529 to Marshall's 6,279.

St. Joseph county will give Taft a plurality of 2,500, and Watson a plurality from 800 to 1,000. Watson ran even with Taft in South Bend.

The Bartholomew county committee reported that ten out of thirty-six precincts gave Taft 2,582, Bryan 2,035, Watson 2,229, Marshall 2,542. The Lake county chairman estimated that Watson will carry Lake by 2,000 while Taft will have 3,000.

Indianapolis—Ind.—900 precincts out of 3,245 in Indiana gave Taft, 126,362; Bryan, 123,882; Watson, 111,609, and Marshall, 118,502.

Indianapolis—Grant county with 58 precincts out of a total of 85, Taft, 5,511; Bryan, 4,586; Watson, 5,456, and Marshall, 4,068. In 1904 this county gave Roosevelt, 5,550, and Parker, 4,068.

Indianapolis—425 precincts outside of Marion county gave Taft 76,227; Bryan 74,642, Watson 67,234, and Marshall, 74,409. Taft carried Montgomery county by 425 and Marshall by 111. Four years ago Hanly carried this county by 546. It looks like Adair would be re-elected to congress.

Sixteen out of 86 districts in Madison county gave Taft 1,207; Bryan 1,204; Watson, 829 and Marshall, 837. Taft and Marshall will receive all the pluralities.

State Chairman Goodrich has just issued the statement that Marshall will carry the state by a small majority and that the Republican state ticket will be defeated. Taft will carry the state by about 3,000.

Indianapolis—800 precincts in state out of 3,245, give Taft, 115,058; Bryan, 114,150; Watson, 101,727; Marshall, 100,080.

Liberty, Ind.—The First and Second precincts of Union county give Taft, 181; Bryan, 121; Watson, 171; Marshall, 132.

Indianapolis, Ind.—At 10 o'clock indications are that Taft has carried Indiana by 3,000 to 5,000; that Marshall (Dem.), has been elected by small majority; that Overstreet has probably been defeated for congress from the Seventh district.

The returns are slow in coming in, and figures are lacking as to the other congressional districts.

Indianapolis—Out of 360 precincts in Indiana, Taft gets 69,196; Bryan 69,159; Watson, 62,515; Marshall, 69,873.

Indianapolis—234 election precincts out of 3,245 in the state for president give Taft, 28,148; Bryan 26,785. The same precincts in 1904 gave Roosevelt, 29,221; Parker 21,122.

Indianapolis—400 precincts in Indiana give Taft 73,837; Bryan 73,462; Watson 65,442; Marshall 72,759.

Indiana—300 precincts in Indiana, give Taft, 62,231; Bryan, 61,905; Watson, 55,124, and Marshall, 52,978.

Bluffton, Ind.—Twelve precincts out of 32 in Wells county give Taft 637; Bryan 1,119.

Wabash, Ind.—Ten precincts out of 38, give Taft 973; Bryan, 717; Watson, 1,008; Marshall, 798. This county in 1904 gave Roosevelt a plurality of 2,935.

Valparaiso, Ind.—Porter county gives Taft, 1,494; Bryan, 1,059; Watson, 1,033; Marshall, 1,263.

Indiana—Fifteen precincts out of 45 in Montgomery county, give Taft 2,578; Bryan, 8,648. This county in 1904 gave Roosevelt 900 plurality.

Indiana—Nineteen precincts in Wayne county give Taft 128; Bryan, 58; Watson, 107; Marshall, 79.

Indianapolis, Ind., Nov. 3.—State Chairman Goodrich wired National Chairman Hitchcock that Taft will carry Indiana by 15,000.

Indianapolis—Out of 34 precincts in Delaware county, Taft has 3,337; Bryan, 1,780; Watson, 2,809; Marshall, 2,448.

Early returns from Vanderburg county indicate Marshall will outrun Bryan.

Tippecanoe county gives Watson a majority of 800; republican loss of 100. Newton county gives Taft a plurality of 650 against a republican plurality of 355.

Grant county has returned but one precinct which gives Watson a majority of two votes.

Indications are that Taft will carry Marion county by 2,000.

Taft carries St. Joseph county by 2,500 and Watson the same by about 800.

Vigo county gives Marshall a plurality of about 1,000. Bryan is leading also.

Twenty precincts out of 40 in Vanderburg county give Taft 4,080; Bryan, 3,341; Watson, 3,950; Marshall, 3,820.

In Grant county out of 36 precincts, give Taft, 2,582; Bryan, 2,035; Watson, 2,225; Marshall, 2,542.

Overstreet appears possibly defeated in the Seventh district.

ry entire Marion county ticket.

Terre Haute—Twenty-five precincts Vigo county, city of Terre Haute—Taft 5,706; Bryan, 5,728; Watson, 4,200; Marshall, 7,665.

Indianapolis—14 out of 41 precincts in Vigo county gave Taft 4,955; Bryan 5,000; Watson, 4,529, and Marshall, 6,278.

Indianapolis—115 precincts out of 138 in Marion county gave Watson 27,072; Marshall, 30,946. Sullivan county gives Bryan the plurality by 1,300, and for Marshall, 1,400. This county was carried two years ago by the Democrats with a total of 600.

Indianapolis—200 precincts in Indiana give Taft 44,113 and Bryan 44,276; Watson 38,141 and Marshall 44,341. 110 precincts in Marion county give Taft 28,196; Bryan 28,444.

Indianapolis—Republicans at head-quarters give Marion county to Marshall by 4,000.

Indianapolis—160 precincts in Indiana give Taft 36,128; Bryan, 35,625; Watson, 31,224; Marshall, 35,650.

In 1906 the state election in Marion county gave a republican plurality of 5,000. On returns from 90 precincts in the county the republican plurality will be wiped out. Taft and Marshall republicans are in evidence throughout the state.

Indianapolis—Indications are that Marshall will carry Marion county. The state democratic committee claims Bryan will pull through in the state. The claim is made, also, the democrats will carry Marion county for all offices. In Monroe township Marshall beats Watson by 160 votes.

In ten precincts in Montgomery county Taft's vote is 2,042 and Bryan's 1,893.

Three precincts in Franklin county give Bryan a plurality of 13 and Marshall 15.

Indianapolis—100 precincts in Indiana, mainly in Marion county give Taft 24,050; Bryan 25,330; Watson 19,987; Marshall 22,585.

Indianapolis—Chairman Goodrich has a dispatch from Frank Hitchcock saying Taft will carry New York.

Indianapolis—Sixty-two precincts in Indiana, give Watson 15,542; Marshall, 16,842. The democratic gain over two years ago is 2,640.

Indianapolis, Ind.—Forty precincts in Indianapolis heard from by the democratic committee, give Taft, 9,796; Bryan, 8,363. The first twenty-five precincts out of 138 in Marion county, give Bryan, 5,984; Taft, 6,887, a net democratic gain of 775. At this rate Taft will carry Marion county by about 500. Taft and Marshall are running close together on the vote.

Indianapolis—Marion county, thirty-one precincts, Taft, 7,918; Bryan, 7,500; Watson, 7,388, and Marshall, 8,362.

WILLIAM H. TAFT
CARRIES THE COUNTRY

(Continued From Page One.)

greatest surprises of the election.

Instead of giving Bryan the 100,000 so confidently claimed by Bosses Murphy and McCarren, Taft actually carried the metropolis.

This is the second time a republican candidate for president has carried New York City, McKinley having a plurality of 61,000 in 1896. Four years later Bryan carried the city by 28,000 and in 1904 Parker carried it for Lieutenant governor by 139,000, and this year the democratic leaders felt sure of from 90,000 to 110,000 for Bryan. Even the republicans conceded the city to Bryan by 75,000 and probably there are no more surprised men in the country today than the Taft managers with the glad tidings from the great city before them.

It will be difficult for the Tammany leaders to convince Mr. Bryan and the democracy of the country that the national democratic ticket has had a square deal in the metropolis.

Hearst's scheme of private revenge upon Bryan did not change the result in New York state, but it did contribute materially to keeping down the Bryan vote. Hisgen polled upward of 30,000 votes in New York City, most of which would have gone to Bryan if Hearst had not been out after the commoner's scalp.

The Hearst candidate for governor of New York, Shearn, did not get enough votes to have saved Chanler if all had been cast for him. It is undoubtedly true, however, that Hearst's warfare upon Bryan and Chanler, both of whom were declared "ingrates and traitors," seriously hurt the democratic candidates, and hurt them more than had been counted upon.

The election returns give no indication that the Rockefeller episode did any damage to Taft.

They do indicate that the tremendous opposition of business men to Bryan, based upon fear of him and fear of labor as a political agency, which was roused into great activity during the last two or three weeks of the campaign, did much to make the decisive states safe for Taft.

Kansas

Topeka, Kans.—The heaviest vote in the state's history has been polled. Both sides claim a victory.

Topeka, Kans.—Returns from fifteen counties indicate Taft carries Kansas by 22,000.

Colorado

Denver, Colo.—Both sides claiming state; though chances are Bryan has been successful.

Denver—Returns received at Republican state headquarters from 70 out of a total of 146 precincts in Denver give the Republican national and state ticket 6,108 on straight ballots;

DEMOCRATIC, 5,770; scratched ballots, 17,540. It is believed that at least two-thirds of the scratched ballots will go for Taft and that he will carry this city.

Denver, Colo.—Colorado is surely in the Bryan column by from 2,000 to 4,000, and Shafroth (Dem.) will be elected governor. The legislature is democratic by 15 on a joint ballot insuring the election of Charles J. Hughes, Jr., to the senate. Taylor, a Democrat, will probably be elected as congressman-at-large.

Denver, Colo.—Twenty-three precincts out of a total of 146 in Denver, Bryan 1,360, Taft 1,403 on straight ballots.

Denver—Seventy precincts out of 146 in Denver report Taft 6,108, Bryan 5,770; scratched 1,754.

forties given them. The defeat of Cook was a great disappointment to the local saloon element who are very desirous that the next legislature be strongly democratic.

According to unofficial figures, which are correct in nearly every instance, Will Robbins, candidate for recorder on the republican ticket, led his ticket with a majority of 3,240 over Reiser. All republican candidates on the county ticket won with ease. Beeson and Farlowe, candidates for commissioner, had no trouble winning out despite the fact that they, together with Ladd, were not endorsed by the Wayne County Civic league. Tomorrow the Palladium will give the official vote of the county by precincts in tabulated form.

Returns on the result of the election in this county were received by the election board at the circuit court room in the court house. There reports were exceedingly slow coming in because of the heavy vote cast, probably the heaviest in the history of the county and because there was an immense amount of "scratching" done,

necessitating extra work for the poll clerks. At five o'clock this morning there was at least one-fourth of the polls heard from. It was not until nearly nine o'clock that precincts 1, 4 and 5 of Jackson township reported. Members of the election board, several county officers and three newspaper men waited until the bitter end and they were a hollow-eyed, sorry looking lot. The weather yesterday was ideal and because of the favorable conditions a heavy vote was out.

ROOSEVELT CONGRATULATES WINNER

Washington, D. C., Nov. 4.—The president last night sent the following dispatch to Judge Taft:

"The White House, Washington, D. C., Nov. 3, 1908. 'William H. Taft, Cincinnati, O.: 'I need hardly say how heartily I congratulate you and the country even more.

"THEODORE ROOSEVELT."

President Roosevelt's telegram to Judge Taft elicited the following reply:

"Thank you for your telegram. Without any expression from you I would know how deeply interested you have been in my success and how much you rejoice in it. It is your administration that this victory affirms."

"WILLIAM H. TAFT."

HADLEY IS ELECTED
After Hard Fight.

GOV. FOLK HAS LOST OUT.

St. Louis, Mo., Nov. 4.—Returns indicate the election of Herbert S. Hadley as governor, over Wm. S. Cowherd, democrat by small plurality. It is claimed by republicans that entire state ticket is elected. The electoral vote of the state will probably go to Bryan. Cowherd ran considerably behind the national ticket. Senator Stone is leading Gov. Folk for the nomination for U. S. senate and has carried many counties Folk has claimed. Folk lost Cole county, in which the state capital is located.

R. C. Keens, millionaire, seems to have captured the republican nomination for United States senator although Lieut. Governor John C. McKinley and Assistant Attorney General John Kennish are close behind him.

St. Louis—Thirty out of 34 precincts, in Calloway county gave Bryan, 2,808; Taft, 1,304; Cowherd (Dem.), 2,776; Hadley (Rep.), 1,336.

St. Louis—Mercer county gave Hadley (Rep.), for governor, 900 majority.

Kansas City, Mo.—Nine precincts out of 183 in Kansas City, gave Bryan, 10,045; Taft, 7,980.

REVIVAL SERVICES.

Meetings at First English Lutheran Soon.

The revival services that are to be conducted at the First English Lutheran church commencing Friday and lasting ten days are expected to attract much attention. John M. Warden of Harrisburg, Penn., who has been secured to lead in the services is a well known evangelist for his successful work. Although he has been connected with this work only three years he has attained much recognition.

MAINE GIVES
TAFT 32,000

Only Few Small Places Unheard From.

Portland, Maine, Nov. 3.—Taft and Sherman were given a plurality of 32,000 in Maine, Tuesday. These figures are based on returns at 1:30 p. m., from all but 95 small places, which four years ago gave Parker 811 and Roosevelt 2,905.

Augusta, Me.—Indications favor Taft by 30,000.

The Source of Life. Infants and children are constantly needing a native. It is important to know what to give them. Their stomachs and bowels are not strong enough for salts, purgative waters or cathartics. Give them a mild, pleasant, gentle, laxative tonic like Dr. Caldwell's Syrup Pepsin, which sells at 50 cents a bottle of 50 cents or \$1 at drug stores. It is the greatest remedy for you to have in the house to give children when they need it.
