## BULLETIN.

Columbus, Ohio, Nov. 4.—The Re-  
publican and democratic state com-  
mittees and stated information from  
several county chairmen is that in  
many precincts election officers were  
not yet through counting. It is be-  
lieved it will be afternoon before the  
complete county returns will com-  
mence coming in. Up to this time it  
has been impossible to make any sort  
of a reliable tabulation of the pluralities  
in the counties from which even  
partial returns have been received.

State Chairman Finley of the demo-  
cratic committee is still claiming elec-  
tion of Harmon by 75,000. Republican  
Chairman Williams is claiming Gov.  
Harris's election and bases his belief  
largely on the confidence that the  
rural vote will offset Harmon's lead  
in the cities. Democratic chairman  
Finley also claims the election of the  
entire state democratic ticket, but has  
no returns on anything but Harmon.

## BULLETIN.

Cincinnati, Ohio, Nov. 4.—One thou-  
sand and precincts through the state give  
Harmon a plurality of 4,600. He is  
probably elected.

Cincinnati, O., Nov. 3.—Returns indi-  
cate that Ohio has stood loyally for the  
Roosevelt principles and for her "Fa-  
vorite Son," William Howard Taft, whose  
plurality on the face of these  
returns will be in excess of 100,000,  
although there is a strong hope in  
democratic minds that these figures  
will be cut down materially. The man-  
ufacturing centers, like Cincinnati,  
Cleveland, Toledo, Dayton, Springfield,  
and Youngstown voted heavily for the  
republican national ticket, and Mr.  
Bryan did not run as well in the rural  
communities as had been expected, de-  
cisively repudiating forecasts which  
put the Buckeye state in the doubtful  
column.

The only ray of hope that the dem-  
ocrats can find is that Judson Harmon,  
democratic candidate for governor, has  
defeated Governor Harris by a plural-  
ty that will probably be something  
over 35,000, although republicans who  
do not even now concede this claim,  
these figures will be cut down if they  
be correct.

Nobelsville, O.—The early returns  
carry Taft a 500 majority. Roosevelt  
carried this place in 1904 by 1,029.

Ohio—Sixty precincts give Taft  
5,672, Bryan 4,548; same in 1904 gave  
Roosevelt 6,345, Parker 3,844. Twenty-  
five precincts give Harmon (Rep.)  
for governor, 3,794; Harmon (Dem.)  
3,362. Same in 1904 gave Herrick,  
(Rep.) 4,070; Pattison, 3,143.

Cleveland—430 districts out of 4,430  
in Ohio—Taft got 44,508, Bryan 44,871.  
This same district in 1904 gave Roose-  
velt 47,293 and Parker 29,430.

Columbus, O.—State Chairman Wil-  
liams states that Taft will carry the  
state by 100,000 and that Harris will  
poll 50,000.

Cincinnati—Four precincts out of  
4,430 in the state of Ohio gave Taft,  
339; Bryan, 471. Same in 1904 gave  
Roosevelt 416, Parker 348.

Cincinnati—Based on eleven out of 40  
precincts in the city of Cincinnati,  
Taft will carry his own city by 14,-  
300 plurality.

Cleveland—Election commissioners  
state that the vote will not be counted  
until 4 o'clock and no returns will be  
given out until that time.

Columbus, O.—270 precincts of state  
give Taft, 86,683; Bryan, 27,460.

Cincinnati—Judge Taft makes his first  
comment with broad smile. "Just say everything looks  
favorable," was his remark.
