UNITED STATES GOVERNMENT  
WILL SEND THIS WELL KNOWN  
MAN WHO IS HEAD OF FEDER-  
AL BUREAU OF FORESTRY.

E. M. Haas has sent to the officers  
of various commercial organizations  
the following letter, which announces  
the complete program of the meeting  
to be held here November 11 and 12.  
to organize of State Federation of  
Commercial clubs:

"Dear Sir—We enclose you herewith  
a program for the meeting of the  
State Federation of Commercial clubs.

We feel confident that the reading of  
it will be sufficient guarantee to you  
that the convention will be a success.

On the first day the program is un-  
usually strong. The opening address  
will be by Mr. Arthur W. Brady. Mr.

Brady is president of the Union Traction  
Company, and president of the  
Anderson Commercial club. His sub-  
ject will be "Co-operation in Commer-  
cial Club Work." We hope all dele-  
gates will be ready to take a hand in  
the discussion of this subject as it is  
the one most vitally affecting the per-  
manency of the federation.

"Next election I think Wayne coun-  
try should employ trained newspaper  
men to count the ballots. Then we  
will know the results of the election  
by 10 o'clock election night instead of  
8 o'clock the next morning," remarked  
a tired member of the election  
board.

The Bell Telephone company for the  
first time entered the news gathering  
field in competition with the  
newspaper men. The newspaper men  
are the ones who are left. At one time  
there were five brothers in the  
house of the administration policies.

Two Brothers Left.

The defeat of Congressman Landis  
in Indiana leaves but two of the fam-  
ous Landis brothers in the federal ser-  
vice. Judge K. M. Landis of \$29,240,000  
fine fame and another who is at Pan-  
ama being the only ones who are left.  
At one time there were five brothers in  
the government employ.

Pick Up in Pennsylvania.

Some little consolation can be gleaned  
from the Pennsylvania returns by the  
republicans. There the legislature is  
safely republican and will re-elect  
Senator Penrose. A gain of three seats  
in the house was made by the repub-  
licans as well.

Oklahoma, however, proved even a  
greater surprise for the republicans  
when the republicans gained three of  
the five seats. Congressman McGuire,  
republican, of the First district, was  
re-elected, but Congressmen Daven-  
port and Fulton, democrats, were de-  
feated by republicans.

The legislature, however, is expected to  
be democratic, which will mean the  
re-election of Senator Gore.

Close Contest in Rhode Island.

Another republican gain is claimed  
in Rhode Island, where Congressman  
Granger is said to have been defeated  
by Sheffield, republican, by about 100  
votes.

The Nebraska results give the democ-  
rats another gain. Hinshaw of the  
Fourth district being the only repub-  
lican who is assured of his seat. Con-  
gressman Pollard of the First, Norris  
of the Fifth, and Kinhead of the Sixth,  
all republicans, are all defeated by  
democrats, according to returns, and  
dispatches from Lincoln say that the  
democrats claim the Third district,  
where John F. Boyd, republican, was  
declared to have been elected on the  
first reports.

The situation in Missouri is that the  
democrats will control the legislature  
by four votes on the joint ballot, and  
will re-elect Senator Stone, providing  
the members follow the advisory vote  
at the senatorial primary.

The republicans made a clean sweep  
in Kansas, taking all the congressional  
seats and retaining control of the leg-  
islature, assuring the re-election of  
Senator Bristow.

SERIOUS CHARGE.

Was a Niece of the Late Henry  
Good.

Word has been received in this city  
by Alfred Johnson of the death at  
Akron, Ohio, of Mrs. Mary Good  
Poague. She was 88 years old. Mrs.

Poague was the niece of the late Henry  
Good, the presiding elder of the  
Richmond district of the Methodist  
Episcopal church for ten years.

Following her fall down stairs, Mrs.  
Poague was attacked by organic  
heart trouble. Owing to her extreme  
age, her recovery was not expected  
from the first.

On the second day a discussion of  
"Indiana Waterways," by Mr. Henry

Riesenbush, president of the Indiana  
branch of the National Rivers and  
Harbors Congress, Mr. Perry Randall,

Fourth toast, "Business Interests and  
Legislation," by Senator C. M. Kim-  
brough, of Muncie, a large manufac-  
turer.
