DRUNKENNESS A Curable Disease

Eminent Physicians and Scientific Men Agree That It Should Be Treated as Such.

Drunkenness is a progressive disease; the moderate drinker is not satisfied with two or three drinks a day, the craving for more and more becomes irresistible as the disease advances; the result is Chronic Alcoholism.

The treatment used successfully by thousands right in their own homes is Orrine. It is a scientific cure for Drunkenness and has given such universal satisfaction that it is sold under a positive guarantee to effect a cure or your money will be refunded. This guarantee is given in good faith and is carried out to the letter. Orrine is not a new remedy; it has been sold by the leading druggists in every city for years. It has lifted tens of thousands from the depths to worthy manhood and has the hearty endorsement of grateful men and women in every state in the Union.

Orrine No. 1 is the secret remedy; Orrine No. 2 is for those willing to take the treatment. Either form costs \$1.00. The guarantee is the same in either case. Write to The Orrine Co., Washington, D. C., for free booklet on Drunkenness, mailed in plain sealed envelope. Orrine will be mailed sealed on receipt of price. Sold by leading druggists and in this city by A. G. Luken & Co.

SIXTEEN BOYS; SIXTEEN GIRLS

Thirty-two Births in Richmond
In October.

Sixteen boys and sixteen girls were left in homes in Richmond by the good old stork during the month of October according to the report that has just been completed by Dr. Bond, city health officer. Although the stork managed to keep ahead of the grim reaper he failed to pay as many visits to Richmond homes as he did the former month.

It is an increase of 10 deaths over the same month of 1907. During the month there was 32 births, 31 being white and 1 colored.

There were less cases of contagion last month, there being four cases of diphtheria; typhoid fever 7; scarlet fever 7 and smallpox 5.

"Oh, his children annoy him so that he can't keep his mind on the universal peace pamphlet he is working at."—Stray Stories.

Richmond Attorneys Do Not Fear Friday, November Thirteenth

Evidently local attorneys have little superstition. Three cases are set for hearing in the Wayne circuit court on Friday, November 13. The most important from the criminal docket is that of the State vs. Alva J. Hunt, charged with larceny. This case has been on the docket for more than a year but has been continued each time set for trial upon the petition of the

attorney for the defendant.

A civil case set for trial on the same date is that of the people's Loan and Trust company of Winchester, Indiana vs. Edwin Campbell. The plaintiff has had the Colonial building in this city placed in the hands of a receiver for several weeks and seeks to continue it under such operation or to obtain direct control.
