

## MUST FIRST HAVE HITCHCOCK "O. K."

Hot Time Expected Between  
Next Postmaster General  
And State Leaders.

### TAFT LIKES CHAIRMAN.

HITCHCOCK WILL HAVE MUCH  
TO DO WITH HANDING OUT THE  
PLUMS AND DISAPPOINTMENT  
MAY FOLLOW.

New York, Nov. 7.—A Washington  
dispatch to the Herald is as follows:

"That Frank H. Hitchcock will suc-  
ceed George Von L. Meyer as postmas-  
ter general in the cabinet of Mr. Taft,  
and that there will be a grand row be-  
tween Mr. Hitchcock and various offi-  
cials leaders in several states, are said  
to be two of the certainties connected  
with the plans for the next adminis-  
tration.

"There are many of the older politi-  
cians who participated in the recent  
campaign, it is said, who are still un-  
reconciled to the fact that the "O. K."  
of Mr. Hitchcock will be necessary to  
the attainment of their ambitions to  
hold office under the next president.

"Some of these leaders expect to get  
office without the approval of the  
chairman of the national committee.  
Some of them, it is stated, will. But  
most of them will be disappointed.

"Mr. Taft during the last week of  
the campaign, when he was making  
his final effort in New York state,  
showed what he thought of Mr. Hitch-  
cock, and it was talked about at the  
state committee headquarters on Thir-  
ty-ninth street.

"A very prominent politician rode  
with the republican candidate for pre-  
sident on the train. He made various  
complaints against the national chair-  
man. Mr. Taft listened to him until he  
completed his indictment, and then,  
smashing his fist on the table, said:

"Go as far as you like, but the more  
you find fault with Mr. Hitchcock the  
more I shall love him."

"It is said here that when Mr. Taft  
and Mr. Hitchcock have their first in-  
terview after the election the chairman  
of the national committee will have a  
pleasant surprise for the next presi-  
dent. He will be able to say to the suc-  
cessful nominee that so far as the na-  
tional committee is concerned he has  
no debts to pay.

"It is said that Mr. Hitchcock, dur-  
ing the entire canvass, and even at  
times when the outlook was very dark,  
sedulously refrained from making any  
promises. He can say to Mr. Taft that  
no one who worked for him was prom-  
ised anything.

"Not even a night-watchman's place  
has been promised," said one of Mr.  
Hitchcock's close friends last night.

"The successful candidate may have  
made promises and the white House  
may have consented to use its influ-  
ence for this and that personage for  
indicated offices, but Mr. Hitchcock is  
under no such obligations.

"For this reason, it is expected, there  
will be an exciting row when the state  
leaders who think they have delivered  
the electoral votes of their districts to  
Mr. Taft come forward and claim their  
reward. It is said that Mr. Taft will  
suggest that they obtain Mr. Hitch-  
cock's approval."

### ALL NEWSPAPERS SHOULD COPY THIS.

We cheerfully copy the following:  
"I hope that every newspaper in the  
country will copy this. If they will,  
they will do worlds of good for thou-  
sands of sick people who are now suf-  
fering as I did for years with my  
stomach and kidneys, but thanks to  
the wonderful medicine that is now  
doing so much good all over the coun-  
try, I am liberated from my years of  
torture and am once more enjoying  
the great blessing of good health.  
For several years my back was hurt-  
ing me most of the time, and I would  
have to get up from ten to fifteen  
times every night on account of my  
kidneys. My food would sour and  
burn in my stomach and I would bloat  
and belch until I would get dizzy and  
nervous. I was badly constipated, and  
had to be taking something all of the  
time. If I didn't I was sure to have a  
bad spell of sick headache. No one  
knew how much I did suffer, but af-  
ter taking the great remedy, Root  
Juice, a short time, I began to im-  
prove, and after using about six bot-  
tles I am strong and well, and feel like  
a boy. I am glad to tell every sick  
person all about it, because I sym-  
pathize with those who suffer as I did."  
L. F. Pratt, South Bend, Ind. It is  
well known here that Root Juice is  
certainly a wonderful medicine. It is  
sold for one dollar a bottle or two bot-  
tles for two dollars and a half. A. G.  
Luken & Co., drug store.
