

ATTACK IS WEAK; RICHMOND LOSES

High School Team Defeated by Steele of Dayton, 15 To 0.

CONTEST HARD FOUGHT.

VISITORS MAKE LONG GAINS BY USE OF FORWARD PASS—DEETER OF DAYTON STAR OF THE GAME.

(By Tort.)

Steele H. S. 15; R. H. S. 0.

In a snappy game yesterday afternoon, Richmond high school lowered its colors for the second time this season to the Steele high school of Dayton. In the first half Steele simply ripped holes through the locals line and skirted the ends at will. R. H. S. seldom had the ball in its possession, but when it did the Dayton defense could not be penetrated. In the second half the locals played a desperate game and prevented Dayton from scoring. Frequently R. H. S. would make decided gains against Steele but their attack was not consistent and was marred by fumbling, consequently what few chances the locals had of scoring were thrown away.

The game was open from start to finish and from the spectators point of view was a pretty contest to witness. Both elevens worked the forward pass frequently but the visitors excelled in this play.

Most of Dayton's gains in the first half were made between the locals ends and tackles. The tackles were slow in breaking up interference while the ends missed tackle after tackle. The backs also played a poor second line of defense. In the second half the line improved greatly in its defensive work while McGraw, who went in at end, added great strength to the team. In the first half Steele scored after 5 minutes of play after two pretty forward passes, five and runs for short gains and four line plunges. Deeter, the crack Dayton half, carried the ball over and Pierce kicked goal. Dayton 6; Richmond 0.

Dayton kicked off and the locals aroused by the school band to considerable alleged harmony by executing a forward pass for 15 yards. Dayton then held and the locals punted. After the ball had exchanged hands twice Dayton carried it to R. H. S. one yard line where the locals held by brilliant play and punted out. Kimmel of Dayton caught it and carried back to R. H. S. 5 yard line and again by desperate work the locals held for downs after being pushed back to their one yard line. R. H. S. fought the ball out twenty yards only to lose it on a fumble. Pierce of Dayton then scored on a pretty drop kick. Score—Dayton 10; R. H. S. 0.

Dayton kicked off but the locals could make no headway and punted. Steele by a beautiful forward pass, and end run and a series of line backs scored its final touchdown, the reliable Deeter again carrying the ball over. No goal was kicked. Steele 15; R. H. S. 0.

Five minutes after the second half opened, Steele fought its way to the locals one yard line where R. H. S. for the third time held for downs on its one yard line. The remainder of the half R. H. S. kept its goal line out of danger but were unable to pass the visitors defense. Both teams punted frequently and the kicks were well executed. Most of the play was in local territory. Cox and Magaw starred for the locals. Deeter was the bright shining light for Dayton. Summary:

CARLISLE'S GREAT KICKER

BALENTI.

Balenti, Carlisle's star football player. He is considered one of the best kickers in the East and he is expected to break many records during the present season.

INDIANS SUFFERED THEIR FIRST LOSS

Harvard Showed Up Surprisingly Strong.

Cambridge, Mass., Nov. 7.—The Indians suffered their first defeat of the season at the hands of the crimson eleven this afternoon, 17 to 0. Three times Harvard's plunging backs carried the ball over the Indians' goal line. Only once were the Indians able to try a kick from field and then Thorpe's effort for a goal was cleverly blocked by Fish. Not only did the Indian line fail to hold but Harvard was more successful than ever before this season in the use of the forward pass and onside kick, the very style of play which made the Indians so dreaded.

Affairs of the Sporting World

Cornell is using the onside kick a lot, and in Watson has a man who can make accurate forward passes of 40 yards.

If Hauser should return to the Carlisle team what a trio of goal kickers Glenn Warner would have, with Balenti and Thorpe to fill out!

At the outside Princeton has but few days of real practice for the Yale game. Dartmouth is likewise nearly through with her preparations for Harvard.

"Deacon Jim" McIre has been heard from. He says that he has always liked St. Louis and St. Louisans and would not be averse to being named commander of the Cardinals.

Many a magnate is awaiting anxiously the opening of the National League meeting next month in New York. At least three clubs will change managers.

It is said in New York that the real

reason for the non-success of the Brooklyn team is President Ebbets' unpleasant habit of butting in. A manager must have full sway or else be content to be a figurehead.

Wee Willie Keeler may have been away off color last season, but he does not intend to quit the game until he has to. "I've got a few hits left in my bat bag yet," says the midget, "and the only way that they'll ever get me out of the game is to cut the uniform off me."

What can be worse fate than to play with a world's championship team and not share in the post-season coin? Andy Coakley and Jack Hayden have the greatest hard luck story.

"Philadelphia Jack" O'Brien and Sam Langford, the colored fighters of Philadelphia, will in all probability be matched to meet in a six-round battle before one of the clubs in Philadelphia in the near future. Since the bout between them was called off by the National A. C. of New York, city two matchmakers of clubs in the Quaker City have been trying to land the men to battle at their club.

Jack McGuigan of the National A. C. of Philadelphia, has already made them an offer, while Billy McCarney of the State A. C. is also ready to put them on.

TIGERS ARE BEATEN BY OLD DARTMOUTH

Princeton Could Not Win Against Strong Opponents.

New York, Nov. 7.—Dartmouth defeated Princeton in a hard fought game this afternoon, the final score being 10 to 6.

The first half was all Dartmouth's, the score being: Dartmouth 4, Princeton 0.

Second Half.

In the second half both Dartmouth and Princeton scored touchdowns. Cunningham made Princeton's and Waller kicked goal. Dartmouth soon afterward had the same good fortune.

The game was played on the polo grounds, and the stands were packed, while the cheering was wildly enthusiastic. Penalties were frequent and there were nearly fifteen substitutions. Dartmouth's victory makes Princeton's chances against Yale next Saturday seem slim.

PURDUE WINS FROM NORTHWESTERN TEAM

Boilermakers Pulled Through In Second Half.

Evanston, Ill., Nov. 7.—Purdue won the football game from Northwestern here this afternoon by a score of 16 to 10. The Boiler Makers found Northwestern sturdy opponent in the first half and in thirty-two minutes play neither side scored. The Purdue warriors won by crowding Northwestern at every point and holding every advantage gained. An enthusiastic crowd cheered the players.

DE PAUW WINS OVER ILLINOIS NORMAL

Snatches Victory in the Second Half.

Greencastle, Ind., Nov. 7.—In the last game this season on the local field this afternoon, DePauw snatched a victory from what seemed to be a certain defeat and won from Illinois Normal by a 29 to 16 score. Rooters feared defeat, but when the Methodists rallied in the second half and scored three touchdowns in rapid succession, there was a wild demonstration on the side lines which ended in the team being carried off the field by its enthusiastic supporters.

WHITE SCORES

A PLACE KICK

Fullback Makes Only Score for Earlham Against Rose Poly.

VICTORY WAS LOPSIDED.

TERRE HAUTE LADS HAVE LITTLE TROUBLE IN RUNNING UP SCORE OF 26 TO 4—RECORD TOUCHDOWN MADE.

Terre Haute, Ind., Nov. 7.—In a game in which the losers came back strong the last half and held the winners to even score, Rose Poly defeated Earlham on Rose campus today by a score of 26 to 4. Poly played rings around the visitors in the first half and had no difficulty in running up 22 points, but the Quakers took a brace in the second session and held the Engineers to a single place kick, while White, for Earlham, scored with a drop kick. One thing that weakened Poly in the second half was the retirement of Bradford, the quarterback, on account of an injured ankle.

In White, of Earlham, Pritchard found his match in the punting division, and the ame was largely made up of kicks. Offutt, Poly's center, again covered himself with glory by making another touchdown. He made one in the Wabash game.

The feature run of the game was that of Strouse in the first half, when he ran sixty yards and was forced outside the bounds just two feet before he reached the goal line. Backman then carried the ball over for a touchdown. This touchdown was made in the record time of 34 seconds after the ball was kicked off. Earlham kicked off forty yards and Backman returned the ball twenty-five yards on a forward pass, thrown by Bradford. Strouse took the ball for his long run and Backman scored. Thus in three runs 9 yards were covered in 34 seconds. Summary:

Rose Poly. Earlham, Pritchard, Tyler Beebe Left End.

Hadley Lindley Left Tackle.

Childs, Went, Smith Walthall Left Guard.

Offutt Stanley Center.

Hughbanks Denham, Lewis Right Guard.

Standau Johnson, Swaim Right Tackle.

Bradford, Shook C. Jones, Hill Quarter Back.

Webster, Strouse J. Jones Left Half.

Strouse, Baker, Hoffner Hayworth Right Half.

Summary: Touchdowns—Backman 2, Standau, Offutt. Goals from touchdowns—Pritchard 2. Place kick—Pritchard. Drop kick—White. Referee—McKinney, Marion Club. Umpire—Scott, of Princeton. Head linesman—Sherry of Boston Tech. Timers—Heaton and Brennan. Time of halves—3 minutes each.

YALE CONFRONTED TARTAR IN BROWN

Best Ellis Could Do Was Play Providence to Tie.

New Haven, Conn., Nov. 8.—Yale caught a tartar in the strong Brown eleven today and was held to a 10 to 10 tie in a desperate battle. The result was a big shock to the blue rooters, who, though expecting a hard fight from the Providence men never doubted the ability of the Ellis to win. The result makes Harvard look the best in the East as the crimson defeated Brown a week ago.

Brown scored a touchdown in the first half to Yale's field goal and the period ended. Brown, 5; Yale, 4. Each scored a touchdown in the second half. Brown's failure to kick either goal after its brace of touchdowns cost it the victory. Brown outplayed Yale at every stage of the game except at kicking, where Coy excelled.

MIAMI DOWNS

LITTLE GIANTS

Indiana Team Loses by 6 to 0 Score.

Oxford, O., Nov. 7.—Miami University claimants of the championship of Ohio, defeated Wahab college in a hard game here this afternoon, 6 to 0. The first half ended nothing to nothing and a delayed pass on Wahab's left side netted a run of thirty yards for a touchdown in the second period. Levering executed a fake which beat the visitors and Brown kicked goal for Miami. The little giants had the best of the argument in the first half and on two different occasions drove within striking distance of a drop kick but the ball passed directly over a goal post. The claim was made for four points but was not allowed by the officials.

NOTRE DAME IS

STATE CLAIMAN

Catholics Have Best Chance To Championship, Beating Indiana.

HOOSIERS LOST NERVE.

NOTRE DAME'S FIRST SCORE BY FLUKE TOOK LIFE OUT OF CRIMSON PLAYERS WHO LOST THEIR SPIRIT.

Indianapolis, Nov. 7.—Notre Dame defeated Indiana in the first leg of the state championship series this afternoon, 11 to 0.

The game was hard fought throughout and the score just about represents the true strength of the contestants. Notre Dame scored a touchdown in each half, the first resulting from a fumble. Kelly was credited with the first and Edwards the second. Miller failed to kick goal on the second. Play in the first half was almost altogether in Indiana territory. Notre Dame scored her first touchdown on a fumble by an Indiana back fumbling an onside kick and permitting Notre Dame to make a fall on the ball behind the line. Captain Miller played a fine game for the Catholics, and Ruell also starred. Edwards made two long gains through the Indiana line, but could not do much on his other attempts. The Indiana men seemed disheartened after Notre Dame's touchdown, but braced in time to save themselves. Roberts played a good game at end for Indiana and Cunningham made a couple of fine runs. Summary:
