

## LETTER TOO LATE

Answer to Appeal for Money Arrives After Young Man Suicides.

## DIVINITY SCHOOL TRAGEDY.

Boston, Mass., Nov. 10.—News of a tragic affair at Boston University School of Theology, in which Cloyd Gray Hershey, 25 years old, of Logansport, Ind., put a bullet through his brain in his room, 72 Mt. Vernon street has just become known.

A pitiful feature of the tragedy was the receipt of a letter from the dead man's sister, hours too late, in which he was urged to bear up just a little longer, because everything was coming out all right.

The university authorities have made every effort to suppress the news of the affair since the discovery of the body, twelve hours dead, early Saturday morning by his friend. The young man had sent a bullet through the base of his brain. It was found imbedded in the woodwork of his room.

## WANTED TO COME HOME.

Hershey Wrote for Money, Saying he Was Despondent.

Logansport, Ind., Nov. 10.—The news that the death of Cloyd Hershey was by his own hand did not reach his mother in this city until after the remains had been brought from Boston, Mass. He had been attending a theological seminary there. His mother keeps a boarding house in Logansport and has been maintaining her son in Boston, where he studied for some time.

A few days ago he wrote his mother indicating despondency and saying he must have money to come home. The money was sent him and the letter reached his address the day following his death.

## ROOT FAVORED FOR SENATOR

Is the Choice of President Roosevelt.

Washington, Nov. 10.—It is the general opinion in Washington that as a result of a long conference at the White House between President Roosevelt, James Wadsworth, Jr., speaker of the New York State Assembly, and William L. Ward, Republican national committeeman, the man who will be supported by them next January as the candidate before the New York Legislature to succeed Thomas C. Platt, March 4, 1909, as United States senator from New York will be Elihu Root of Clinton, N. Y., the present secretary of state of the United States.

President Roosevelt personally favors Secretary Root for the senatorship. Speaker Wadsworth said he had received assurance from the President that Mr. Roosevelt would not interfere in the selection of the senator. Secretary Root declared he would make no announcement that he would be a candidate and he could not discuss the matter.

## WINS 18 PRIZES.

E. G. Hill Company Lucky at Chicago Show.

The E. G. Hill floral company of this city has received word that they have received 18 prizes on their chrysanthemums. There were ten first, five second, and three third places. This is no little honor as the local firm was pitted against the best florists in the country.

## Pile Torture Stopped

By Pyramid Pile Cure, Without Danger, Discomfort or Pain.

## Trial Package By Mail, Free.

There is no physical torture equal to that of piles. It leaves a special mark of pain in the faces of men and women. It attacks the nerves, muscles, bowels, stomach and, in fact, the whole machinery of man, either directly or indirectly.

Pyramid Pile Cure has proven its value, and has been the largest selling Pile Cure in America and Canada for years. Every druggist carries it, price fifty cents. He knows its merits and can tell you of cures in his community.

Do you think it would grow to such a mammoth sale without merit? It will do its duty, as our daily testimonial mail clearly proves. One or two applications prove its peculiar and beneficial value.

Don't be skeptical but do yourself the justice of giving a trial to a cure which has really cured thousands.

If you are timid and do not like to buy of your druggist send us fifty cents and we will send you a full sized box by mail in plain wrapper.

What it has done for others it can do for you, and to prove it send us your name and address and we will send you a trial package by mail free. Address Pyramid Drug Co., 157 Pyramid Bldg., Marshall, Mich.

## New Orleans Absconing Bank President Given Warm Greeting by Friends on Return But is Arrested

New Orleans, La., Nov. 10.—After having narrowly escaped death at sea and with fortune said to be rehabilitated, William A. Adler, ex-president of the defunct State National bank of New Orleans, returned here on the Honduras steamer Willis. As he walked down the gang plank of the vessel he was met by both friends and officers of the law. Friends threw their arms about the former bank president and kissed him. United States Marshal Loisel placed him under arrest charged with misappropriating \$238,000 of the bank's funds. Several thousand persons were at the pier to greet Adler and he was cheered repeatedly.

A carriage had been held in waiting and he was driven to the United States court, where Mayor Martin Behrman, ex-Mayor John Fitzpatrick

and three prominent business men signed his bond. Each is liable for the entire amount, which was fixed at \$10,000 by Judge E. D. Saunders.

Adler left New Orleans last December on an old fruit steamer, the Alps, which he had loaded with a full cargo of provisions from the Adler Wholesale Grocery company. The affairs of the State National bank were later liquidated and Adler was indicted in the United States court on seventy-four different counts for misappropriating its funds, while the grocery company went into the hands of receivers.

The Alps was wrecked off the coast of Honduras and Adler narrowly escaped death, but finally got safely ashore. He is said to have recouped his fallen fortunes by means of Honduras mining properties and other ventures.

## CLUB TAKES TIME BY THE FORELOCK

Young Business Men to Arrange for Fall Festival, Next Year.

## GREAT EVENT IS ASSURED.

WILL ECLIPSE FESTIVAL OF THIS YEAR—MARDI GRAS FEATURE WILL BE EMPHASIZED MORE IN 1909.

The Young Men's Business Club does not believe in the policy of delaying matters.

At a meeting to be held by the club this evening at its rooms over the Western Union Telegraph office, arrangements for the fall festival to be held next October will be discussed. Preliminary arrangements for the event will also be blocked out.

Secretary Ed Harris of the club, states that it will be impossible to make a report at this meeting on the fall festival held this year, owing to the fact that several bills against the club have not yet been submitted for settlement.

Mr. Harris thinks that next year the festival will eclipse the one held this year, which was a complete success in every respect. The mardi gras feature next year will probably be emphasized more than it was this year and a better program for the last day of the festival will be arranged.

At the meeting this evening a letter will be read from M. D. Eldridge, of Washington, D. C., congratulating the club on the success of its first fall festival. This letter was received by Postmaster J. A. Spekenhler. Mr. Eldridge is the head of the good roads bureau of the agriculture department and he delivered an address in this city last August.

If you suffer from constipation and liver trouble Foley's Orino Laxative will cure you permanently by stimulating the digestive organs so they will act naturally. Foley's Orino Laxative does not gripe, is pleasant to take and you do not have to take laxatives continually after taking Orino. Why continue to be the slave of pills and tablets. A. G. Luken & Co.

## HIGH SCHOOL BUILDING STARTED BEFORE WINTER

Plans for New Structure Are About Completed.

The foundation for Richmond's new high school building which structure will be one of the finest in the state of Indiana, will probably be started before cold weather begins and it is hoped by the local school officials that the entire foundation can be laid before winter starts in earnest.

Mr. Ittner of St. Louis, who was engaged by the school board as consulting architect for the new building was in Richmond yesterday in conference with the local architects Kaufman and Son and it was announced that plans for the new building were about completed. Estimates will be prepared immediately and it is very probable that the first contracts will be let within the course of the next few weeks.

The class of material that will be used in constructing the new building has not been definitely decided upon, although it is very probable that the same class of brick used in the Garfield building will be used in the new structure. The school board has received numerous samples of building material.

## KAUFFMAN DRAWS PLANS.

Epileptic Village to Have a New Dairy Barn.

W. S. Kaufman, the local architect, is drawing plans for the proposed sanitary dairy barn at the epileptic village near New Castle. The village has not expended all the appropriation of the last legislature and the barn is said to be needed badly.

## LIKE A MIRACLE SAYS SKIN SUFFERER

Frightful cases of eczema cured by simple oil of wintergreen.

Physicians in general admit the superior value of simple medicines for all diseases.

For eczema and other skin diseases of similar nature, certainly nothing in the world could be simpler than the formulae for D. D. D. Prescription (oil of wintergreen compound in liquid form) now recognized as the remedy.

This wonderful remedy is composed principally of common oil of wintergreen carefully combined with such well known healing and antiseptic substances as thymol, glycerine, etc.

Read this letter: "About December, 1905, I sent you for a sample bottle of your remedy, stating that I had a case of psoriasis of five years standing. After trying it I ordered through my druggist, Mr. E. P. Griffin, six bottles of your remedy. I showed him how I was afflicted. The disease had covered my limbs part of my body and began breaking out on my face.

"I began using D. D. D. Prescription according to your directions. Used five bottles and was cured sound and well. I showed my druggist again and he was surprised. Said it looked almost like a miracle to him.

"That has been almost a year ago and I see no signs of its return. I wanted to see whether it would come back or not, before writing you my everlasting thanks for such a great remedy.

"My skin is just as soft and nice as it ever was."

D. P. MILLER, R. F. D. 2, Smithville, Mo.

Such a wonderful experience we feel speaks for itself.

For sale by all druggists.

## CHRISTY ABOUT TO BECOME SCIENTIST

Declares Faith Cured Him of Blindness.

New York, Nov. 10.—Howard Chandler Christy, the artist, is about to become a Christian Scientist. He is a probationer in the faith now and expects within a few weeks to become a regular member of one of the churches.

"It cured me from a condition of blindness and nervous prostration which had kept me from drawing a stroke in 18 months," Mr. Christy declared last evening. "I certainly shall become a member as soon as they will accept me."

"Late last March," he went on, "I was almost blind. My wife, a Christian Scientist, suggested that one of their practitioners give me a treatment. I took the treatment to please her.

"Within two minutes I could see better and my nerves were entirely calmed. An hour after the practitioner departed I took my wife for a three mile walk, and, after bringing her home, went down town alone for the first time in months.

"Three weeks later I had my last treatment and was completely cured."

## The Englishman's Easy Chair.

The Englishman, says a London publication, can only be comfortable in his own chair, and he has difficulty in sitting down in any country but his own. He feels inclined to stand up in Turkey, to walk up and down in Germany and to fidget in France. Where outside England can be found that low, softly padded, hospitable venter of comforts which is the chosen companion of the small hours?

## Fifty Cents a Month

A small bottle of Scott's Emulsion costing fifty cents will last a baby a month—a few drops in its bottle each time it is fed. That's a small outlay for so large a return of health and comfort. Babies that are given

## Scott's Emulsion

quickly respond to its helpful action. It seems to contain just the elements of nourishment a baby needs most.

Ordinary food frequently lacks this nourishment; Scott's Emulsion always supplies it.
