

OLD OFFICERS ARE RECHOSEN

Richard Sedgwick Heads the
Richmond Chautauqua
Association.

DIRECTORS IN MEETING.

THREE DELEGATES WILL BE
SENT TO ALLIANCE MEETING
IN CHICAGO—PROGRAM COM-
MITTEE TO BEGIN WORK.

At the first meeting of the new di-
rectors of the Richmond Chautauqua
association held last evening, at the
Commercial club rooms, officers were
elected and the various committees
were chosen to act next year. All the
officers of the last year's association
were re-elected, as it was considered
that since they had served in such an
acceptable manner and had already
started arrangements for the Chautau-
qua of 1909, it was best that they
should remain in office.

It was decided that Richmond should
send three delegates to the Chautau-
qua alliance association which meets
in December at the Great Northern
hotel, Chicago. It was decided that
the length of the chautauqua next year
should be settled at a meeting held lat-
er in the season and also that
the assembly should be held in the
Glen as formerly, the only difference
being in the location of the grounds.
Since the T. H. I. & E. has placed its
tracks down North Twenty-third street
which is through the Glen the west-
ern part of the grounds can not be
used.

The officers and committees chosen
last evening are:

President—Richard Sedgwick.
Vice president—John F. Davenport.
Secretary—E. K. Shera.
Treasurer—Clarence Kramer.

The personnel of the committee is
practically the same as it was last
year. Each committee rendered very
efficient service last year and it was
believed good policy to continue them
in the management. The committees
include:

Advertising—R. B. Jones, chairman;
E. R. Thompson, George L. Goodwin
and W. S. Hiser.

Program—George L. Goodwin, chair-
man; Rev. R. J. Wade, Prof. C. W. Jo-
rdan, Prof. E. P. Trueblood, Filmore
Riggs, Prof. W. Scott Hiser, B. B.
Johnson, Richard Sedgwick, E. K. Sher-
ra, Mrs. Clara Graves and Miss Carrie
Salter.

Tents and Grounds—J. F. Davenport,
chairman; E. R. Thompson, Richard
Sedgwick and E. K. Shera.

Privileges—C. H. Kramer, chair-
man; E. J. Humpe and O. F. Ward.

The program committee will imme-
diately begin formulating the prospec-
tive program for next year. They
were granted \$2,400 this year, which is
\$100 more than last year. It was
pointed out that with the aid of the
alliance, the best program that has
ever been offered the local assembly
should be secured.

feet long and 20 feet wide. There will
be a platform on each side of the

NARROW ESCAPE FOR CHAS. WILSON

Falls From Bicycle and Buggy
Passes Over His Legs.

Charles Wilson, one of the well
known men of the city narrowly es-
caped having his leg broken this after-
noon while riding his wheel on Main
street. Mr. Wilson was attempting
to cross the street near Eighth street,
when his wheel slipped on the car
tracks throwing him in front of a bug-
gy driven by O. V. Porter. The horse
stepped over Mr. Wilson, but the bug-
gy crossed both legs. The wheel was
completely demolished. Mr. Wilson
was slightly bruised.

PROGRAM ARRANGED

Men's Union Will Study Luth-
eran Church in Amer-
ica.

PREPARE FOR ANNIVERSARY

At a meeting of the Men's Union of
the First Lutheran church last even-
ing, it was decided to take up the
study of the Lutheran church in
America. The first topic will be
"How the Lutherans Came to Amer-
ica." This will be divided into three
papers. Oliver Nusbaum will tell
how the Dutch Lutherans came here,
Everett Knollenberg will tell how the
German Lutherans immigrated to this
country, and Fred Bartel will tell how
the Swedish Lutherans came here.
Next October the First English Lu-
theran church will formally observe
the twenty-fifth anniversary of its
founding.

\$50,000 WANTED FOR NEW SCHOOL

St. Andrews to Erect New
Building.

All ready the members of the St.
Andrews church are laying plans for
the new school building they expect
to construct within a few years at a
cost of \$50,000. Although the present
building is large enough for the chil-
dren, it contains no place where enter-
tainments and socials can be given
and as a result various members have
started a campaign and have raised
\$5,000.

RAINS TODAY WELCOME RELIEF

Fall Not Heavy Enough to Re-
fill Cisterns.

The rainfall was not very heavy, but
proved a very welcome relief inasmuch
as it put down the dust. It will not
suffice to refill cisterns or replenish
wells. It is probable more persons
would give thanks Thursday for boun-
tiful rains than in return for any other
providential offering.

EARLHAM WILL BE ADMITTED

Press Club Gets Encouraging
News.

Secretary Rees of the newly organ-
ized Earlham Press club has been no-
tified by President Andrew Hawkins
of the Indiana Intercollegiate Press
association, that Earlham's applica-
tion for membership has been receiv-
ed and there is no doubt but that
Earlham will be admitted to the asso-
ciation.

ON DOCKET YEAR BUT POSTPONED

Case of Bryant Bank Against
Miller Not Heard.

The case of the Farmers and Mer-
chants Bank of Bryant, Ind., against
Miller has been continued again. This
time the continuance was granted be-
cause of the illness of the defendant
and at the cost of the defendant. This
case has been on the docket of the
Wayne circuit court for a year and
has been continued repeatedly for
various reasons.

JURY HEARD STORY IN ASSAULT CASE

Mrs. Whiteman Tells Husband
Tried to Murder Her
By Shooting.

MAKES DETAILS PUBLIC.

ATTORNEYS SQUABBLED OVER
CALLING OF CASE FOR TRIAL,
BUT JUDGE RULED FOR PRO-
CEDURE TODAY.

Threats to kill her eight times were
told of by Mrs. Elizabeth Whiteman
in the Wayne circuit court this after-
noon. Her husband, Clement V.
Whiteman was on trial charged with
assault and battery with intent to kill
his wife. Mrs. Whiteman said her
husband threatened to take her life
as the result of her refusal to live
with him. She related the incident,
which brought about the arrest of
Whiteman. She was the first witness
placed upon the stand and her exam-
ination was very thorough.

Whiteman is being defended by
William A. Bond and the state is re-
presented by the prosecuting attorney
and Henry U. Johnson. The examina-
tion of Mrs. Whiteman was conducted
by the latter. A protracted squab-
ble ensued in court this morning,
when the court announced he intend-
ed to call the case for trial. Mr. Bond
wanted further delay. He declared
P. J. Freeman was to appear with
him as counsel for Whiteman and was
out of the city. The court said the
trial should go on. He declared Mr.
Freeman was interested in the case
as pauper attorney, but since the de-
fendant had retained regular counsel,
the trial should proceed without Mr.
Freeman's appearance. The ruling
was not satisfactory to Mr. Bond, but
Judge Fox refused a continuance.
The case has been docketed ever
since the present term of court open-
ed.

Whiteman is charged for the assault
alleged to have been committed Sep-
tember 18. According to the story of
Mrs. Whiteman, she had returned to
her home on South Twenty-third
street from a drive. She went to the
barn to put up the horse and heard
a noise. She turned on the electric
light and distinguished the figure of
her husband from whom she had been
separated for eleven months. She
said he remarked: "You — I've got
you now." She ran from the barn
and as she did so there was a revol-
ver report and a bullet whizzed by her
head. She ran into the orchard and
was shot at again. This time the bul-
let passed through the front of the
jacket she wore. She pulled a revol-
ver from her pocket and fired. Then
she stumbled and fell. When she
arose to her footing, officer Lambers-
on was holding Whiteman. The wit-
ness said she had been bothered by
the constant threats of her husband
and had seen him hiding about the
premises.

win the city championship, notwith-
standing the fact he is scratch man
and has yet to meet some clever op-
ponents. Roberts played a good game
yesterday. This afternoon Burr and R.
Poundstone are scheduled for a match.
The match will be played at the usual
