Henry County Commissioners  
To Hear Board's Sug-  
gestions.

**PER DIEM BASIS FAVORED.**

ONLY \$1,000 HAS BEEN APPRO-  
PRIATED FOR THE WORK, BUT  
IT IS EXPECTED THAT MORE  
WILL BE SECURED.

New Castle, Ind., Nov. 27.—When  
the county commissioners meet on  
the first Monday in December, they  
will have before them recommenda-  
tions from the non-partisan board ap-  
pointed two weeks ago to formulate  
plans for an investigation of the coun-  
ty books by an expert. After the  
board, composed of two democrats  
and two republicans, had held several  
meetings, a plan had been agreed up-  
on and this is now ready to submit to  
the commissioners.

It is understood that the board as a  
whole favors the employment of an  
expert on a per diem basis rather  
than a lump sum for the work and  
will make this recommendation. It is  
believed that better results can be ob-  
tained in this manner.

It is also understood that the inves-  
tigation, instead of covering a period  
of six years, will go back to 1892 and  
will cover that period when the fee  
and salary law was in effect. The  
office to be investigated are the  
county auditor, treasurer, sheriff and  
recorder and others if circumstances  
justify. This will include the county  
commissioners for that period of time.  
The board believes that good work  
rather than cheap work is what the  
taxpayers want and will act on this  
principle.

At the present time there is only \$1-  
000 appropriated for the work but it  
is anticipated that there will be no  
trouble in getting the county council  
to appropriate more money if it is  
needed. Should the present appropria-  
tion be exhausted when irregularities  
have been uncovered, public de-  
mand would be almost unanimous for  
a further investigation. On the other  
hand if there have been no irregular-  
ities discovered after the present ap-  
propriation is exhausted it would be  
little use to continue the work.

From time to time obstacles have  
been thrown in the way of the inves-  
tigation but all of these have been  
overcome and it looks now as if the  
long demanded investigation is to be  
made.
