

BETTER ATTRACTIONS FOR 1909 CHAUTAUQUA

Program Committee Goes to Chicago to Arrange Event.

George L. Goodwin, chairman of the Program committee of the 1909 chautauqua and E. K. Shera and Charles W. Jordan, left this afternoon for Chicago, where they will attend the meeting of the Chautauqua Alliance association, and book attractions for the next Richmond assembly.

The special committee has hopes of securing the best talent for Richmond that is available for the \$2,500 given them as security for a good program. As yet the program committee has not given out any intimation as to the talent that is to be secured, but it is known that it expects to secure some of the best speakers in the country.

JOHN BELL KEEBLE.

I had the pleasure of hearing the lecture on Abraham Lincoln, delivered by Dr. J. Everist Cathell at the Montague Assembly this summer. Dr. Cathell presented in a forcible way the heart side of Lincoln. Such a treatment of this phase of Lincoln would not be possible except from a man who had had personal contact with him. I am sure that the people of the South, especially, will be glad to hear this expression of a great phase of a great man's character.—Hon. John Bell Keeble, President Montague Assembly.

Mr. Keeble is the grandson of Hon. John Bell, who was on the Bell & Everett ticket in the presidential campaign of 1860.

MAD DOG SCARE.

Blountsville, Ind., Dec. 1.—This town had a mad dog scare yesterday. Fred Worr, a sixteen year old lad, first noticed a strange animal frothing at the mouth and viciously snapping at all that came within its reach. Young Worr, thinking of the danger, ran to his home, secured a shot gun and ended the life of the animal. It is not thought that any other dogs were bitten.

TAFT HUNTS FOR THE WISEST MAN

(Continued From Page One.)

Quently it is quite certain he will make no mistake when he finally makes his selection. Some of Representative Theodore E. Burton's friends think that he is in many ways qualified for the office in question, but it is not known whether Mr. Taft has him with others under consideration.

THINGS WORTH KNOWING.

Don't throw away your scraps of velvet. They can be used as cleaners for all sorts of things.

Keep all the kitchen utensils in one place, and a small one at that. It will save time and steps.

Alcohol and whitening makes a good silver polish and is excellent for polishing plate glass or mirrors.

Olive oil will remove tar stains from dress goods. Wash afterward with white soap and tepid water.

A weak solution of turpentine poured down the water pipes once a week will drive the water bugs away.

The Aid Society of the Reid Memorial Hospital, will meet Thursday afternoon with Mrs. Charles Marlatt, at her home on North Ninth street. All members are urged to be present.

This Recipe Conquers Deep-Seated Coughs Quickly.

This simple home-made remedy, made by the recipe below, usually conquers a stubborn cough in twenty-four hours. Although inexpensive, nothing more effective could be bought for ten times the cost. It is a splendid thing to have in the house, for if taken when the first symptoms of a cold or cough appear it will enable you to avoid the usual annoyance and suffering. This recipe is worth saving:

Pinex 2 1/2 oz.

Granulated Sugar Syrup 13 1/2 oz.

Take a pint of Granulated Sugar, add half cup of water, stir, and let boil for just a moment. Put the Pinex (50 cents' worth) in a pint bottle and add the Syrup. Shake well, and take a teaspoonful every one, two or three hours as required.

This simple remedy is also excellent for whooping cough, chest pains, hoarseness and similar ailments. Children take it without the usual howl, because the taste is so pleasant. The total cost of a full pint of the mixture is about 54 cents, and will last a whole family a long time.

An informal dancing party was given recently by Mr. and Mrs. Charles Williams, at their home, north of the city. An orchestra furnished a program of excellent dance music. Miss Mable Kuhn gave a reading in her usual charming manner.

Many experienced hostesses who wish to give a more or less formal luncheon or dinner, are not quite sure how forks and spoons should go. Custom varies somewhat in this respect and just at present it is not so much in favor to have an array of silver at each plate. Only enough for one or two courses are laid. The fork always goes to the left of the plate. In the order of using they are taken from the outside in. The spoons and knives are placed to the right of the plate.

sure, that of Representative Gottschalk, of Adams county.

Conn May Enter.

But the Thirteenth district seems to be something of a puzzler. Shiveley ought to be able to hold it solid, it is said, because he has done much for his party in the district, but if C. C. Conn, of Elkhart, happens to take the nomination to enter the fight, there is no telling what the result may be. And, by the way, there is a strong belief that Conn will do that very thing. It is known that friends of his have been looking the matter up here to learn the exact situation, and the politicians are of the opinion that they are doing this for Conn.

If Conn decided to be a candidate it is presumed that he will tap the same large barrel that he opened when he was a candidate for governor, and this will make things interesting for the "boys," who up to this time have not seen much of the coin of the candidates.

Situation in Air.

So it will be seen that the whole senatorial situation is still in the air and that there is really nothing on which to base a prediction that any candidate has a sure thing. All depends on what the candidates are able to do in the open districts. A fierce struggle is going on in the Third district, which has no candidate. The Third has nine votes in the democratic caucus. It is known that Shiveley stands well in the Third and there is every reason to believe that he will get at least an even break in the Third.

The Second district will be divided between several candidates. The Sixth will be mostly for Slack, with Menzies counting on one or two votes. The Eighth is for Kern. So is the Ninth. The Tenth has only one democratic member of the legislature, Representative Faulkner, of Laporte county, and he is for Shiveley. Slack has the lead in the Eleventh, which has three democratic members.

It is believed it will be comparatively easy to get a line on the situation and place a pretty fair estimate on the strength of the various candidates for senator after the democratic members of the legislature meet here on December 15, to discuss the legislative program that will be followed.

Ritten, the Rheumaline Expert, who is established at A. G. Lukens & Co's Drug Store, is still accomplishing wonders in Richmond, even on the eve of his departure. Unlike the majority of demonstrations which come to our city, the popularity and personality of this man is growing, not waning, and probably his last few hours with us will be filled completely with the partings of the many friends he has made in the last three short weeks.

Hundreds of sufferers have been relieved and scores entirely cured, and out of the multitude of people who have desired benefit from the great and wonderful medicine, Rheumaline, costs \$1.00. Procure it at once. It removes the cause.

Mrs. David W. Dennis will leave soon for the East, where she will join Professor Dennis and both will go to Washington to spend several months with their son. Professor Dennis has a leave of absence from Earlham for several months on account of ill health.
