PETITIONS ARE  
NOW CIRULATING

Wayne County Local Option  
Election Now Seems  
Certain.

SOME OPPOSITION IS MET.

ABINGTON TOWNSHIP IS FOR  
DRY COUNTY WHILE PEOPLE  
OF WASHINGTON TOWNSHIP  
ARE PREPARING FOR FRAY.

Temperance workers in the various  
wards and townships are now busy  
circulating petitions for a county local  
option election and making prepara-  
tions to effect smooth running organi-  
zations in their respective wards and  
townships, following the action taken  
Tuesday night by the temperance  
workers in the fourth ward.

Secretary E. R. Thompson of the  
county central temperance committee  
reports that in some localities names  
are rapidly being secured to the elec-  
tion petitions, but that in other local-  
ities the work is not progressing so  
favorable—voters either being opposed  
to driving the saloons out of the county  
or favoring the postponement of the  
election until the legislature acts on  
the county local option law.

In Abington township those known  
to be in favor of a dry county are be-  
ing approached by the temperance  
workers and they report that many  
names are being placed on the election  
petition. So far, thirty-eight people  
have been asked to sign, and all but  
four have done so. Three of this  
number refused to state whether or  
not they favored a dry county and the  
other stated he was opposed to holding  
the election at the present time.

PREPARING FOR THE FRAY.  
Milton Temperance People Are Sign-  
ing Local Option Petitions.

Milton, Ind., Dec. 3.—The Temper-  
ance league of Milton and Washington  
township are preparing their petitions  
for local option in the county and get-  
ting ready to canvass the town and  
township. E. B. Reynolds was in town  
looking after the interests of local op-  
tion and states that after the elec-  
tion he intends to visit every township  
in the county and address the  
people on the subject.

UNION COUNTY NOW "DRY."

Last Saloon License at Brownsville  
And Liberty Expires.  
Brownsville, Ind., Dec. 3.—The sa-  
loon license of F. P. Dye, of this place  
and D. Crosby, of Liberty, have ex-  
pired, thus making Union county dry.  
Brownsville, more than 100 years old,  
and former county seat of Union  
county, is now without a saloon the  
first time in its history. The remon-  
strance in this township carried by  
twenty-eight majority.

LIGHT PLANT ADDITIONS.

Cambridge City, Ind., Dec. 3.—The  
town council met in regular session  
Tuesday evening. The most impor-  
tant business transacted was the de-  
cision to put in a new engine and dynamo  
for the light plant.  
This is to be installed within the  
next forty-five days, the amount to be  
expended being near \$2,500. The com-  
pany expects to be able to supply all  
demands for years to come.

## Would Do the Same.

A certain professor in a medical col-  
lege had a most exasperating student.  
"You see, Mr. Smith," said the pro-  
fessor to this young man one day, "the  
subject of this diagram lumps, because  
one of his legs is a trifle shorter than  
the other. Now, what should you do  
in such a case?"  
"I should limp, too, I think, sir," re-  
plied the student, with an expression  
of perfect innocence on his stupid face.
