## DIPLOMATS INJURED

Speeding Auto "Turns Turtle"

Pinioning Central Amer-  
icans Beneath It.

\*\*\*

BARRIOS FATALLY HURT.

Washington, Dec. 9.—Senor Don  
Juan Barrios, Guatemala's Minister of  
Foreign Affairs, was probably fatally  
injured and Dr. Don Luis Toledo Her-  
rarte, Guatemalan Minister to the  
United States, and General John  
Drummond, a wealthy coffee planter  
in South America, were badly hurt  
when a fast automobile in which they  
were riding turned turtle just after  
passing over the highway bridge into  
Virginia.

The occupants were hurled beneath  
the car and pinioned under the ton-  
neau. George Startling the chauffeur  
escaped with a few bruises. Senor  
Barrios is in the Emergency hospital,  
suffering from concussion of the brain,  
and is supposed to have sustained a  
fracture of the skull aside from inter-  
nal injuries.

Dr. Herrarte was badly cut about the  
face and body, but his condition is not  
serious.

General Drummond suffered lacerations  
of the face and head.

WOULD HE ACCEPT?

Friends Are Pushing Senator  
Hemenway for Congress

From First District.

\*\*\*

SENATOR REMAINS SILENT.

Washington, D. C., Dec. 9.—If Sen-  
ator Hemenway accepts the suggestion  
of some of his political advisers he will  
become a candidate for congress from  
the First Indiana district.

Such is the information brought to

Washington by members of the Indi-  
ana delegation to the Rivers and Har-  
bors Congress. Some of the advo-  
cates of a more liberal river and har-  
bor policy are interested in the move-  
ment because the senator has shown  
interest in it.

Senator Hemenway has refused up to  
this time to say just what he will do  
other than to announce that he intends  
to settle down in his home town of  
Boonville and practice law.

PREPARES FOR  
FLEET'S WELCOME

Navy Dept. Will Welcome the  
Jackies Home, Feb. 22.

\*\*\*

Washington, Dec. 9.—President  
Roosevelt will welcome the return of

the battleship fleet to Hampton Roads  
from its cruise around the world  
about noon Feb. 22, details for which  
are being worked out at the navy de-  
partment.

The exercises will take place as  
near as practicable with the presi-  
dent's yacht, Mayflower, in the same  
position as upon the departure of the  
fleet Dec. 16, 1907. Admiral Arnold's  
third squadron of the Atlantic fleet is  
to meet the battle ships in the Atlan-  
tic, possibly well on toward Gibraltar  
and escort them home.

The swastika is the oldest known  
symbol, having its origin in the cross  
and circle. The swastika is now held  
in common veneration to be signifi-  
cant of good luck. Investigation of  
the records of every known race has  
revealed traces of the swastika. The  
symbol was early introduced into In-  
dia, apparently in connection with sun  
worship.

Better Not Get  
Dyspepsia

If you can help it, Kodol prevents Dyspepsia, by  
effectually helping Nature to Relieve Indigestion.  
But don't trifle with Indigestion.

A great many people who have  
trifled with indigestion, have been  
sorry for it—when nervous or  
chronic dyspepsia resulted, and  
they have not been able to cure it.

Use Kodol and prevent having  
Dyspepsia.

Everyone is subject to indiges-  
tion. Stomach derangement follows  
stomach abuse, just as naturally  
and just as surely as a sound and  
healthy stomach results upon the  
taking of Kodol.

When you experience sourness  
of stomach, belching of gas and  
nauseating fluid, bloated sensation,  
gnawing pain in the pit of the  
stomach, heart burn (so-called),  
diarrhoea, headaches, dizziness or  
chronic tired feelings—you need Ko-  
dol. And then the quicker you take  
Kodol—the better. Eat what you  
want, let Kodol digest it.

Ordinary peptic "dyspepsia tab-  
lets," physics, etc., are not likely  
to be of much benefit to you, in  
digestive ailments. Peptic is only

a partial digester—and physics are  
not digesters at all.

Kodol is a perfect digester. If  
you could see Kodol digesting every  
particle of food, of all kinds, in the  
glass test-tubes in our laboratories,  
you would know this just as well  
as we do.

Nature and Kodol will always  
cure a sick stomach—but in order  
to be cured, the stomach must rest.  
That is what Kodol does—rests the  
stomach, while the stomach gets  
well. Just as simple as A, B, C.
