Read the other adv. too. We have such a deluge of interesting bargains to offer you during this Xmas time that it takes more than one adv. of this mammoth sale to tell this most interesting story. We are bubbling over with glee to tell it to you. You'll find it most interesting reading, profitably so. Christmas chat that's a money saver far beyond your anticipation or expectation.

Applied to your "coin bag," the extraction will be so little and totally unnoticeable that it will prove a most soothing experience to the most depleted purse. We are the home for the "common folks," the laborer, the mechanic, the clerk, the men or women who depend upon their 8 or 10 hours daily hard toil to make ends meet. Our efforts are in behalf of those who NEED and appreciate the necessities of life at a lower price, consistent with good value, than heretofore obtainable.

We are that house. This adv. of the sale will give you just a few pointers as to the Great December Doings.

Here it's Clothing, Dry Goods, Shoes, Cloaks, Skirts and Notions at a price that will make you a booster, a good faithful booster, a booster with a pull for us --- the
