Not Much Wheat Sown by Farmers.

Hagerstown, Ind., Dec. 18.—A number of the farmers in Jefferson township are taking advantage of the fine weather and are plowing their corn ground for next spring. Wheat is beginning to look green and better than it did a few weeks ago. The acreage of wheat in this section is very small as the dry weather last fall interfered with the sowing. For this reason more corn and oats will be put out than usual.

Township Trustees Think that \$2 Per Day Is Too Small A Salary.

BINGHAM IS SMILED AT.

Indianapolis, Ind., Dec. 18.—At the close of the state convention of the Township Trustees' association the following legislative committee was announced by President Pittenger: Will Atkins, Evansville; Warren Tingle, Southport; Alfred DeLong, Deerfield; James O. Wilson, New Richmond; H. M. McCaskey, Fairmount and Henry E. Branning, Ft. Wayne. The Executive committee was named as follows: A. Thompson, Scottsburg; M. E. Mason, Cambridge City; and S. O. Symmes, Crawfordsville. Frank Kake, of Vincennes, is vice president and John C. Decker, of Hammond, secretary, and Edward E. Cobb, of Nineveh, treasurer.

Attorney-General Bingham aroused great enthusiasm by declaring that no man qualified to serve as Trustee should be compelled to work for \$2 a day. The trustees expect to ask the legislature to give them more money. Bingham made one statement that caused considerable merriment. He thanked God that the day is past when men have to work for \$2 a day in Indiana. The trustees have been compelled during the last two years to deal with more cases of poverty than ever before, and they have accurate knowledge of the number of unemployed in every locality, which during the last year reached an enormous total.
