LEAGUE IS NOW ORGANIZED BODY

Officers of Indiana Federated Commercial Clubs Hold Meeting.

CAMPBELL IS SECRETARY

NEW ORGANIZATION HOLDS ITS FIRST MEETING IN RICHMOND ON SUGGESTION OF THE LOCAL CLUB.

Indianapolis, Dec. 23.—Bylaws were adopted and an organization was perfected at a meeting held at the Commercial club rooms yesterday afternoon, presided over by President John T. Beasley of Terre Haute of the executive committee of the Indiana Federated Commercial clubs.

The executive staff was completed by the election of Wallace B. Campbell of Anderson as secretary and treasurer of the federated clubs for the ensuing year.

The meeting was the second one held, the initial step in the federating of the state commercial clubs having been taken at Richmond at a meeting held Nov. 18 and 19.

The executive committee, which drew up and adopted the bylaws and took other necessary steps to effect the permanent organization, was composed of the officers of the new federation including a vice president for each of the thirteen congressional districts of the state.

Members of the executive committee who attended the meeting were President John T. Beasley of Terre Haute, Vice Presidents W. V. Dixon, Evansville, First district; John Freeman, Linton, Second district; E. M. Frank, Jeffersonville, Third district; B. D. McCready, Connersville, Sixth district; R. G. McClure, Indianapolis, Seventh district; Arthur W. Brady, Anderson, Eighth district; George W. Duke, Kokomo, Ninth district; E. F. Johnston, Hammond, Tenth district; E. E. Tolley, Marion, Eleventh district; R. B. Hanna, Ft. Wayne, Twelfth district; and C. E. Pattee, South Bend, Thirteenth district; Secretary and Treasurer W. B. Campbell, Anderson.

Favor Courtesy Card.

Besides the adoption of the bylaws, which occupied a considerable portion of the time of the meeting the chief business was provision for the issuance of a card authorized to be used in the interchange of courtesies between the clubs which are members of the Indiana federation.

The secretary-treasurer was ordered by the executive committee to issue a report of the resolutions adopted at the Richmond meeting, to be directed to all the vice presidents, particularly the resolutions having to do with the future work of the federation.

The bylaws adopted stipulate that regular annual meetings of the association shall be held on the third Wednesday of November each year in Indianapolis unless otherwise ordered. The executive committee, will, however, meet quarterly, the next meeting to be held on the third Wednesday in February. The meetings of the latter body will also be held in Indianapolis.

The members of the executive committee returned to their homes with sanguine hopes as to the federation and the work which it will be able to do.

MAGAZINES ARE CAUSING TROUBLE

Their Arrival With Christmas Mail Embarrassing.

Hundreds of magazines are now arriving at the Richmond postoffice, adding materially to the troubles of the force of clerks, who are required to work with swiftness and accuracy in handling the extraordinarily large amount of Christmas mail. The magazines are of the January edition and generally arrive at the office at this time of the month. They are responsible for practically no delay other months in the year, but they are unwelcome guests in December. The Christmas mail will be disposed of and then the magazines will be distributed.

The lines of people before the registry and stamp windows increase in length daily. This will continue until the much maligned "eleventh hour."

PLAN A FEAST

Celebration for Principals in Whitecap Case.

Rushville, Ind., Dec. 23.—The McFatridge of Posey township, Rush county are planning for a big celebration Christmas day.

It will be remembered that several members of the family figured prominently in the whitecapping case recently tried in the Rush circuit court. They were highly elated over the verdict and at once they planned a big celebration and love feast.

Written invitations have been extended to all who figured in the trial, including the members of the jury, the attorneys for the defense, the bailiff, court stenographer, judge and janitors of the court house. The invitation says vehicles will meet the eight and ten o'clock cars at Arlington to convey all to the McFatridge home and the Arlington band has been engaged to play for the occasion. It will surely be a unique affair.

BIG DANCE IS TO BE EVENT

Richmond Young Men Arrange Ball for Hagerstown.

Hagerstown, Ind., Dec. 23.—One of the greatest social events that has been planned for Hagerstown in a number of years will be the dance on New Year's night. Arrangements for the affair are being made by Eddie Iserman and William Thoms of Richmond, who are associated with two young men of Hagerstown. The music will be provided by the Heidelberg orchestra of Dayton, Ohio. A delegation of dancers will attend from New Castle and parties are expected from Richmond, Greensfork, Cambridge City and other towns of the vicinity. The railroad company has agreed to stop the early morning train to Richmond at Hagerstown to accommodate the visitors from Richmond.

Armenia is a strong country of contrasts, of opposite extremes, of heat and drought and moisture, and contains many mysteries awaiting solution. The ethnologist is still in doubt as to what branch of the great European family and Armenian people belong to; the philologist has not yet classified their language, the antiquarian knows next to nothing of their early history.

It has been computed that one common house fly on the 20th of March is represented by 300 on the 24th of May, and by Aug. 8 the number has been squared twice more, making the total progeny amount to the appalling and incalculable number of 8,100,000,000.
