CLUB NOTES

The Christmas party given last evening by the Sunday school of the Grace Methodist Episcopal church, was a most enjoyable affair. The assembly room was beautifully decorated for the occasion. A large Christmas star lighted with electricity, added beauty to the merry scene. A Christmas tree was also a feature of the affair. The teachers and officers of the school had issued invitations to the members of the Home Department, primary department and also the cradle roll, to attend the celebration.

A short program, consisting of music numbers and recitations were given by the school, after which the various classes with their teachers, grouped about the room and played games for a time. Ice cream and cake was served later in the evening. At the conclusion of the affair the little people circled around the beautifully lighted Christmas tree, while Santa Claus gave each a box filled with confectionery.

The Sunday school of the First Methodist church, will give a little playlet tomorrow evening at the church, entitled "Santa Claus' House." Preceding the play the following program will be given:
