A UNIQUE RECORD.

Not Another Like It in Our Broad Republic.

To give positive home testimony in every locality is of itself unanswerable proof of merit; but when we add to this the continued endorsement from people who testified years ago no evidence can be stronger. A Richmond citizen gratefully acknowledges the good received from Doan's Kidney Pills, and when time has tested the cure we find the same hearty endorsement, with added enthusiasm and continued praise. Cases of this kind are plentiful in the work of Doan's Kidney Pills, and such a record is unique in the annals of medicine.

Martin Bulach, tailor, 433 S. Eleventh street, Richmond, Ind., says: "In the spring of 1902, I suffered from a weak and lame back and other symptoms of kidney trouble. Learning of Doan's Kidney Pills, I procured a supply at A. G. Luken & Co's drug store and their use brought me prompt relief. Since that time I have had no further need of a kidney remedy as my cure has been permanent. I gave a statement recommending Doan's Kidney Pills after I had used them with such good results and at this time, I still hold a high opinion of the remedy."
