## JANUARY CLEARANCE SALE

### Clearing Sale of Vast Importance Begins Saturday

We announce this great January effort with considerable more than our usual enthusiasm, due to the fact that we are over-stocked, and must clean up this entire stock, and turn it into ready cash, at considerably less than regular value. This whole store is filled with Men's and Boys' Suits, Overcoats, Hats, Caps, Furnishing Goods, Etc., among which you cannot find a poorly made article or garment. But this is cleaning time, and the price, quality and confidence in this store (doing just as we say we will do) will make these goods go with a rush. So you, Mr. Man or Boy had better hurry if you intend getting a bargain from this.

### \$30,000 STOCK OF MEN'S AND BOYS' CLOTHING

Therefore we desire to reduce stock to the lowest possible point. Hence these remarkable low prices on men's high grade suits. Hart, Schaffner & Marx, Clothcraft and all our high grade stock to sell at these little prices.
