STALL DEMOCRATS IN AN ATTEMPT AT QUICK WORK

Republicans Block Attempt to Send the Naturalization Bill To Engrossment Without Amendment.

INHERITANCE TAX BILL IS KILLED BY SENATE

Number of Bills of Importance Introduced—Elections Committee Tire of Lake County's Clerk.

Palladium Bureau
Indianapolis, Jan. 22.

When the house today took up the Strickland bill to regulate naturalization and voting of foreigners the democrats tried to send the bill to engrossment without amendment but the republicans objected. They said the bill was so strict many foreigners who have lived in this country for years could not answer questions as required. A warm tilt ensued between the republicans and Speaker Honan. Representative King charged that it would disfranchise many men. Honan said there was no danger of any good citizens being disfranchised. Finally the democrats allowed the bill to go over till Tuesday.

Important Bills Reports.

The house cities and towns committee will report on the Sunday base ball bill Tuesday, the metropolitan police repeal bill Wednesday and the cities and towns amendments Thursday.

The Grube inheritance tax bill was killed in the senate. In the senate favorable reports were made on the bill to re-charter Hanover college, also Senator Powers skunk bill and the bill to regulate the erection of tenement houses. Also favorable reports were made on the bills to raise mortgage exemption to \$1,200; the Saturday half holiday in county offices during June, July and August. Senator Bowser introduced a bill requiring the payment of street assessments before the bonds fall due; Fleming, to authorize a city of the second class (Pt. Wayne) to issue bonds to build school houses; Stotsenburg, that third class cities may have a control board of works and city judge at the discretion of council. The senate passed a bill to establish superior courts at Linton and Sullivan. Both houses adjourned till Monday afternoon.

Election Committee Acts.

House committee on elections today issued a subpoena to the county clerk of Lake county to appear before the committee next Tuesday and bring with him all the testimony taken in the Simon and Wickey contest. The committee says it is tired of waiting. The subpoena was sent to the Lake county sheriff to be served at once.

HOBSON SEES RED AND PREDICTS WAR

Says Return of the Fleet Was A Mistake.

Boston, Mass., Jan. 22.—In an interview today with Congressman Richard Pearson Hobson declared that Roosevelt's failure to keep the fleet in the Pacific Ocean was a most colossal blunder and he said: "It means inevitable war unless the battleships immediately return there." He declared that Japan wants war and only a spark is needed to set off the fire. Without our fleet back in Asiatic waters, Japan is master of half the world."

THROUGH SKYLIGHT FELL MRS. BREHM

In Wild Descent She Strikes a Shelf and Then Rebounded to the Floor.

INJURIES NOT SERIOUS.

HER HUSBAND AND TRAVELING SALESMAN WERE STANDING DIRECTLY UNDER SKYLIGHT, BUT AVOID COLLISION.

While washing a window in the rear of her residence, above the toy store at 517 Main street, about 2:15 o'clock this afternoon, Mrs. George Brehm fell. Her body plunged through a skylight into the store room, struck a shelf and rebounded to the floor. It is not believed any bones were broken and not a cut is inflicted. She is badly bruised, however, and suffers severe pain.

Escape Miraculous.

The escape of Mrs. Brehm from serious or probable fatal injury was nothing less than miraculous. It is presumed she was sitting in the window, which is directly over the skylight of the store. She must have lost her balance and plunged backwards. She crashed through the heavy glass of the skylight, knocked it out and then struck a punching bag platform suspended from the wall. This was knocked out of the way and the falling body crashed against one of the shelves along the east side of the store room. From here her fall to the floor was about twelve feet.

Stood Under Window.

Mr. Brehm and a traveling salesman were busy almost directly beneath where Mrs. Brehm was washing the window. Following the crash of the skylight, Mr. Brehm turned to see his wife fall right at his feet. An iron pipe and an iron tricycle were suspended just above Mr. Brehm's head and how his wife happened to avoid collision with them is unexplainable. She struck the floor at a point where there is a step, but avoided hitting this, also.

Mrs. Brehm was carried into the living apartments above the store and a physician summoned. Dr. Grosvenor, who chanced to be passing the store at the time made a hasty examination and ascertained that no bones were broken.

South Australia's Assembly witnessed a dramatic scene recently. During a debate the Prime Minister stated that some gamblers had cut off a comrade's finger because he had joined the Salvation Army. SEC. BONAPARTE CANNOT COME HERE

Administration Business Will Prevent His Coming on Lincoln's Birthday.

WILL SEND PARTICULARS

OTHER ARRANGEMENTS WILL HAVE TO BE MADE BY THE YOUNG MEN'S BUSINESS CLUB FOR THE CELEBRATION.

Word has been received here by members of the Young Men's Business club that Attorney General Bonaparte will be unable to be present at the local Lincoln celebration, which is planned here on the birthday of the Great Emancipator.

It is assumed that the important business of the secretary near the closing of the administration on Mar. 4 is for the most part responsible for his refusal. In the telegram he stated that he had written the full particulars. Although the club desired Mr. Bonaparte's presence it was deemed almost too good to happen and other arrangements will doubtless be concluded in the near future.

The Duke of Wellington, through misreading a badly written letter, made a ludicrous blunder. This letter was written by C. J. London, a botanical author, who wrote to the duke requesting the privilege of seeing his beautiful beeches. The duke misread the signature for that of C. J. Bloomfield, bishop of London, and wrote in reply: "My lord, I shall always be glad to see you at the Strattonfields, and my servant shall show you as many pairs of my beeches as you may choose to inspect; but what you want to see them for is quite beyond me."

Relief comes quickly—comes to stay Doan's Kidney Pills cure kidney ills; Prove it by your neighbor's case. Here's Richmond testimony.

The story of a permanent cure. David Hershey, 316 S. Thirteenth street, Richmond, Ind., says: "I was troubled for some time by kidney complaint and the various medicines I used did not help me. Often I was hardly able to straighten on account of the sharp, cutting pains across the small of my back and the least exertion or any cold I contracted caused the kidney secretions to pass too frequently. Doan's Kidney Pills, procured at A. G. Luken & Co's drug store, cured me and at that time, I publicly endorsed them. I now gladly confirm what I then said as I still firmly believe that Doan's Kidney Pills are a splendid remedy for kidney disorders."
