County Option Law.**

KIRKMAN GETS AN APPEAL

**WESTERN INDIANA YEARLY
MEETING SENDS IN BULKY
DOCUMENT WHICH CREATED
QUITE A SENSATION.**

Palladium Bureau
Indianapolis, Jan. 29.

The liquor legislation in the house promises to be an entering wedge in the democratic ranks. The two camps seem to be drawn up ready for battle and an open fight is promised on the floor of the house.

Tonight fourteen friends of the present county local option law will hold a caucus and report to the original democratic caucus the conclusion they reach on the liquor question. Hostetter of Putnam, Clure of Johnson, Merriman of Wells are the leaders in the movement. Hostetter has continued his policy of tight lipped and non-committal reserve. They will tell the caucus that seventeen democrats oppose the repeal and fourteen will vote against any changes whatsoever in the present law.

Give Ultimatum.
They will then tell the caucus of the ward and township followers that if this does not suit the rest of the democrats that they will go on their way serenely and that the bills may be brought out on the floor of the house and the fight concluded there.

This pronouncement on the part of the secessionists will put the liquor legislation out of the running for it is believed that even the greatest friends of ward and township option will hardly dare to buck up against this strong combination.

Gift for Kirkman.
Senator Kirkman this had a bulky piece of correspondence with thirty thousand signatures from many Friends of the Western Indiana Yearly Meeting. The massive was signed and forwarded by the trustees of the organization: Timothy Nicholson of Richmond; Benjamin Marsh of Winchester; Elisha Ratcliff of Spiceland; William P. Henley of Carthage; David Hadley and Murray Kenworthy of Danville.

The petition created quite a sensation in the senate. It is an omnibus affair and dealt with all the things from county option to football and baseball on the subject of divorce. The petition stated that the divorce question is a growing evil inasmuch as one fifth of the marriages in the state are annulled by divorce every year.

Governor Sends Message.
The Governor today sent a message to the legislature embodying a communication from the board of governors of the National Soldiers' home which served notice that the latter will discontinue the allowance of a hundred dollars a year the the state branches, annually per member. The legislature will consider this in making the appropriations in that connection.

The senate has passed Fleming's bill to authorize the state medical board to issue a new license to physicians whose license has been revoked under certain conditions.
In the senate the Stosenberg criminal procedure bill allowing the statement of the defense to follow that of the state before testimony has been taken was passed. A number of other bills including a five year prohibition of quail shooting were favorably reported.

Both houses of the legislature adjourned till Monday afternoon.

COLD WAVE ENROUTE

Fierce "Norwester's" Advance Guard Arrived in This Locality Today.

MUCH ILLNESS EXPECTED

It is doubtful even if the barometer could foretell the nature of the weather to be experienced in this locality tomorrow but at any rate the indications are that Richmond will experience one of the most severe cold waves of the year. In the northwest the conditions are said to be awful and the storm is headed in this direction.

As far as could be determined a cold wave should not be attended by any great amount of suffering in this city as reports from charitable institutions show things to be in good condition. However from a health standpoint, it is probable that much illness will result from the sudden changes.

Chicago Feels It.

Chicago, Jan. 29.—The worst storm of the winter is raging throughout the north and the northwest. The telegraph lines and railroads are badly crippled. At Grand Rapids, Mich., eighteen inches of snow has fallen.

CAMPBELL AT EATON

Local Minister Will Address District Odd Fellows Meeting.

WILL BE BIG GATHERING

Eaton, O., Jan. 29.—Next Tuesday there will be held a meeting of the Odd Fellows of this district. Many prominent Odd Fellows from the adjoining counties will be present. The Rev. J. O. Campbell of Richmond will be the principal speaker.

**MEET TONIGHT
AND ORGANIZE**

Driving Club Promoters to Hold Session.

The organization meeting of the Richmond Driving club association will be perfected this evening at a meeting to be held at eight o'clock at the Commercial club rooms. There has been about 50 citizens to subscribe to the affair since it was first inaugurated about a week ago. Up to date approximately \$2,500 has been realized. Dr. Kinsey will preside at the meeting. Those who are interested in the movement are requested to attend.

Two of a Kind.

Little Johnnie, who is considered the image of his father, was one day in his mother's way, when she told him, "You are always in the way."
He replied, "I am just like papa."—Delineator.
