## 20 Years With Heart Trouble

"Dr. Miles' Heart Remedy has cured me of heart disease of over 20 years' standing. I was so bad that I could not do my work, and could scarcely draw a full breath without fainting or smothering. The doctor told me he could do no more for me; then I commenced taking the Heart Remedy. I shall never forget that night. I slept better than I had before in months. I kept right on getting better, until I was perfectly well."

MRS. LAURA RUSSELL, Logan, Iowa.

When the heart action is weak, it fails to pump the blood through the lungs with sufficient rapidity. Then the lungs do not absorb the proper amount of oxygen, although they may be taking in a normal amount of air. The result is shortness of breath, smothering spells, difficult breathing, oppressed feeling in chest. Dr. Miles' Heart Remedy strengthens the heart nerves and muscles, and in this way increases the circulation.

### A BLAZE OF CONVICTION.

Sweeping Over the Whole Country.

The more people know of the great discovery that has made so many remarkable cures here in Richmond during the past few months, the more convinced are they of the great merit of Root Juice. Thousands of people have been cured by it all over the country. Many that use it a short while are so loud in their praise that their neighbors crowd into the drug store to get some of the health-promoting Juice. Usually one bottle will convince, and it is but seldom that five or six bottles does not make a complete cure of indigestion, constipation, nervous weakness, rheumatism and other troubles arising from a diseased condition of the stomach, liver, kidneys and bowels. It seems to cure by removing the cause. It heals and tones the organs that make and filter blood. People are going in crowds many miles to see the man that discovered the wonderful curative agent and get some of it.

A. G. Luken & Co's drug store has the agency at this point. Root Juice is sold for \$1 a bottle or three for \$2.50.

### NEEDFUL KNOWLEDGE.

Richmond People Should Learn to Detect the Approach of Kidney Disease.

The symptoms of kidney trouble are so unmistakable that they leave no ground for doubt. Sick kidneys excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back aches constantly, headaches and dizzy spells may occur and the victim is often weighed down by a feeling of languor and fatigue. Neglect these warnings and there is danger of dropsy, Bright's Disease or diabetes. Any one of these symptoms is warning enough to begin treating the kidneys at once. Delay often proves fatal.

You can use no better remedy than Doan's Kidney Pills. Here's Richmond proof:

Mrs. F. P. Brooks, 215 S. Fifth Street, Richmond, Ind., says: "We have used Doan's Kidney Pills in our family for years and would not be without a supply in the house. I took this remedy for a weakness of the kidneys and pains in my back and sides and I found relief. Doan's Kidney Pills are deserving of the strongest endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Among West Indian ladies a lemon bath is almost a daily luxury. Several times or lemons are sliced into the water and allowed to lie for half an hour in order that the juice may be extracted. A remarkable sense of freshness and cleanliness is given to the skin.

For your supper or breakfast, try PURITANA MUSH. A delicious new health food; 40 cents for a two-pound roll. Made at ZWISLER'S. Ask your Grocer for it.

### For the Home Nurse.

By using the method here described mistakes in the time for giving medicine are avoided, and the memory is relieved of all care and anxiety. Cut a circle of cardboard large enough to extend over the edge of a tumbler. Mark the disk to imitate the hours on the face of a clock (half and quar-

ter hours may also be used) and cut notches all around opposite the hour marks. Tie a knot in a cord, pass it up through the center of the disk and attach a heavy ring or button to the other end. If medicine was given at 8 o'clock, for instance, and should be given again in an hour, move the cord to 9, etc.

Columbus died in Valladolid, Spain, in 1506. His body was deposited in a vault in the convent church of the Franciscans, where it remained for some time, but afterward, according to a request made in his will, his remains were removed to the city of Santo Domingo in his "Beloved Hispaniola," and placed in a small, inclosed vault in the cathedral. Just to the right of this vault were deposited the remains of Don Diego, the son of Columbus, who died in Montalban, in 1528, and long afterward the bones of Don Luis, the grandson of Columbus, were brought to the same place. Thus there are three crypts in the cathedral of Santo Domingo—one containing the bones of Columbus, one those of Diego and one those of Luis.
