

ATTORNEY IS NOT WORRIED IN LEAST

Believes Indianapolis News Men Will Be Easy to Make Appear.

MAY FORCE APPEARANCE

IF SMITH AND WILLIAMS DO NOT GO TO COURT GRACEFULLY, SPECIAL LINE OF PROCEDURE TO FOLLOW.

Washington, Feb. 19.—The news from Indianapolis stating that Delavan Smith and Charles R. Williams will resist removal to the District of Columbia to be tried under an indictment for libel, was read today by District Attorney Baker.

The district attorney said he is anticipating no great difficulty will be experienced in regard to the extradition of those against whom indictments were returned yesterday.

Jurisdiction was obtained today over the Press Publishing company by serving a summons on Otto Carmichael, who is in charge of the World office here.

Speaking of the government's plans for extradition of the individuals who are indicted, Mr. Baker said:

"So far as the natural persons are concerned, all of them are non-residents of the District of Columbia, and it will be necessary unless they appear voluntarily and plead to the indictment to take steps under section 1014 of the Revised Statutes to obtain their removal to this district. This is no new proceeding as a great number of people have been brought out of the District of Columbia for trial here. The suggestions that the defendants were never here in fact is answered by the statement that if they committed any crime in the District of Columbia they are liable to its laws and subject to removal."

AGAINST SPOILS IN CENSUS BILL

Lodge Says Taft Will Veto Any Such Measure.

Washington, Feb. 19.—Senator Lodge has announced that President-elect Taft will veto the census bill if it contains the spoils provision which caused President Roosevelt to send the bill back to congress with his disapproval. After the president vetoed the census bill the spoilsman decided they would not try to pass it over his veto, but would wait until the special session, re-enact the bill and put it up to Mr. Taft. Senator Lodge, who led the fight in the senate against the spoils grab, has assurance from Mr. Taft that there will be "nothing doing" in the spoils line. Senator Lodge's announcement means more trouble for Representative Crumpacker, who first conceived the idea of making political spoils of the census clerkships.

The Man Who Eats Well

And Enjoys Food Lives Life As He Should And Gets The Most From It.

The man who eats is the man who works, and the man who works is the man who wins. Tireless workers depend upon a storehouse of vim and vigor. India is noted for its fasters and its dreamers, Europe and America for their eaters and workers.

In America we have been doing nothing but work this past quarter of a century. That is why our old men say "In my days no one had dyspepsia," of course all men in those days ate and worked now they work and eat.

If eating interferes with business, men give up eating. This is good logic for the dollar getter, but poor wisdom for the man who really wants to live.

Abuse of anything God given results in punishment, and man is a pigmy when it comes to cheating his system.

If you take from the system that which is intended should remain, or put into that which is intended should be kept out you are cheating yourself, and sooner or later pay the penalty.

Stuart's Dyspepsia Tablets are concentrated vegetable and fruit essences which give the system every fluid, stimulant and ingredient necessary to gain the fullest strength from everything which goes into the stomach, or to keep from the system everything which should lay and decay in it.

If you will eat fast and improperly, if you will eat and drink irregularly and to excess, then give to nature as you do so enough of the essences she demands to neutralize the bad effects of your habits.

After a meal take a Stuart Dyspepsia Tablet, and the meal won't hurt you or your stomach.

At a midnight dinner take a Stuart tablet and you will sleep well and get up without a breath which is filled with the decay of the midnight meal.

Fortify your stomach like you do your business. Fortunes when lost can be regained, but the stomach outraged stays with you to the finish, and you know it is there.

If you want to know what these tablets will do, buy a package from any druggist, price 50 cents, or send us your name and address and we will send you a trial package free by mail. Address F. A. Stuart Co., 150 Stuart Building, Marshall, Mich.

THE THEATER

THEATRICAL CALENDAR. GENNETT.

Feb. 19.—The Top O' Th' World.
Feb. 20.—"Fascinating Widow."
NEW PHILLIPS.
All Week—High Class Vaudeville.

"The Fascinating Widow."
Otis Thayer and his associate players will appear at the Gennett Theatre Saturday afternoon and night in the musical farce entitled "The Fascinating Widow." The piece was written by C. T. Dazey, author of "In Old Kentucky" and is said to be well adapted to Mr. Thayer's special line of work. Popular prices have been arranged, the matinee being ten cents for children and twenty-five cents for adults to any part of the house.

"The Top O' Th' World."

Perhaps the keynote of the success of "The Top O' Th' World" is the fact that it is full of surprises. Effort was made by the producing manager to escape the stereotyped forms of entertainment, common in musical productions, and it is said that he has succeeded. There are constant surprises in the way of novel stage effects and a company of famous artists who had their training in the hardest school of all, vaudeville, who meet every emergency and it is said keep up a roar of fun from the first to the final curtain. The company includes Bailey and Austin, Kathleen Clifford, Arthur Hill, Alice Hageman, George Majeroni, Florence Smith, William Quirk and a host of others. There is a big chorus of beautiful girls who swing through the delightful numbers which are many, and who never fail to come in for their share of favorable comment. The colic ballet is a feature that is novel in the extreme. Six girls and six white colic dogs perform a unique dance that is regarded everywhere as remarkable.

The New Phillips.

Suspicion, a wife who has been married several times and another man go to form the plot of the little comedy playlet put on this week-end at the New Phillips by the Hickman Willis company. Comedy and humor are spread all through the play and it calls for one unceasing laugh.

The Holloways have a balancing act that is a winner. They execute some very difficult tricks and have made a success with their turn here.

G. Cacus, the Italian tenor known as the Caruso of vaudeville, renders his operatic selections in English and does the whole of it in mighty fine shape. His singing was approved by the audience.

Soldier Balks Death Plot.

It seemed to J. A. Stone, a civil war veteran, of Kemp, Tex., that a plot existed between a desperate lung trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to my throat, and I was unable to get to my feet. I ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 178 pounds." For severe Colds, Asthma, and to prevent Pneumonia it's unrivaled. 50c. and \$1.00. Trial bottle free. Guaranteed by A. G. Luken & Co.

DISASTROUS WERE THE HEAVY STORMS

Greater Damage to Communication Than Ever.

Chicago, Feb. 19.—In point of damage, the storms of Saturday, Sunday and Monday were the worst ever experienced by the telegraph companies and the railroads. Thousands upon thousands of poles are still down and hundreds of miles are prostrate.

Throughout Indiana, Ohio, New York, West Virginia, Pennsylvania, Maryland, New Jersey, Delaware and all of New England, telegraphic service is curtailed and in sections discontinued. One eastern railroad alone is said to have lost eighty miles of cable.

Every repairman in the afflicted territory is still working to the limit of endurance, but resetting poles in the frozen ground is slow work and it will be weeks before normal conditions are restored.

COUNTY ASSESSORS MAY LOSE OFFICES

Dozens Counties in State Affected by Measure.

The senate committee on county and township business will report favorably on Senator Long's bill, providing for the abolition of the office of county assessor in all counties having a population of 15,000 or less. The bill affects about a dozen counties in the state. There has been a strong lobby against the passage of the bill and another in its favor and the committee believed that the best way in which to settle the controversy is on the floor of the senate. The bill provides that the work of the assessor shall be performed by the county auditor.

The country parson was condoling with the bereft widow.

"Alas," he continued earnestly, "I cannot tell you how pained I was to learn that your husband had gone to heaven. We were bosom friends for years, but we shall never meet again."—Lippincott's Magazine.

DAUGHTER TO TAKE PLACE OF FATHER

Will Edit the Paper Her Father Died For.

Oxford, O., Feb. 19.—On account of the sudden death of Editor S. P. Kelum, of College Corner, one week ago, the paper was not published last week. Yesterday Ed. K. Beeks of this place, accompanied by R. E. Anderson printer of the Oxford News went to College Corner and assisted Mrs. Kelum and her daughter Miss Lola, to get the office in running shape. They have decided to publish the paper and conduct the business as near as possible upon the same business principles as the husband and father. Miss Lola has been in the office for some time with her father and understands the business well.

The deepest sympathy is extended to this grief-stricken family by the neighbors and their many acquaintances and they will surely receive the support of every person in their community.

WHY IT SUCCEEDS.

Because it's for One Thing Only, and Richmond People Appreciate This.

Nothing can be good for everything. Doing one thing well brings success. Doan's Kidney Pills do one thing only.

They cure sick kidneys. They cure backache, every kidney ailment.

Here is Richmond evidence to prove it. Edgar S. Mote, mail carrier, 24 South Twentieth street, Richmond, Ind., says: "Doan's Kidney Pills brought such good results in my case several years ago that I gave a public statement endorsing them. For a long time I had suffered from backache and kidney trouble and the least cold affected my kidneys, making my condition worse. Hearing about Doan's Kidney Pills, I procured a supply at A. G. Luken & Co's drug store and their use so completely cured me that I have had but little trouble since. I will always hold Doan's Kidney Pills in high esteem."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

"That's a handsome dog you keep," said a man to the proprietor of a highland inn where he had been sojourning.

"Aye, aye," was the appreciative reply; "an' he will be a useful dog as well. I haven't washed a plate since I got him, whatever."—London Scraps.

LIFE OF A PIMPLE.

Complexions Are Cleared and Pimples Disappear Overnight Without Trouble.

The dispensers of poslam, a new skin discovery, ask that notice be given that no one is urged to purchase it without first obtaining an experimental package. Those who have tried it will find that the fifty-cent box, on sale at W. H. Sudhoff's and all drug stores, is sufficient to cure the worst cases of eczema, where the surface affected is not too large. The itching ceases on first application. It will also cure acne, tetter, blotches, scaly scalp, hives, barber's and every other form of itch, including itching feet. Being flesh-colored and containing no grease, the presence of poslam on exposed surfaces, such as the face and hands, is not perceptible. Water and soap cannot be used in connection with it, as these irritate and prolong skin troubles, sometimes even causing them.

As to the experimental package of poslam, it can be had free of charge by mail of the Emergency Laboratories, 32 West Twenty-fifth Street, New York. It alone is sufficient to clear the complexion overnight, and to rid the face of pimples in twenty-four hours.

NEARS COMPLETION

Carnegie Library at Connersville Is Being Prepared For Occupancy.

NEAT LITTLE STRUCTURE

The Connersville Carnegie library is rapidly nearing completion but there are a number of things to do yet before the handsome little building will be ready for occupancy.

The committee had hoped to have the building ready for dedication by the last of this month, but that will be impossible now. One of the things delaying the matter is the fact that a car load of tile to be used in the vestibule is lost somewhere on the road. Tracers are now out trying to locate this and it is expected that it will be found shortly.

If there are no further delays, it is possible that the dedication will take place about the middle of March.

"You're looking for new quarters, I hear," said Kilder at breakfast.

"Yes," replied the talkative boarder.

"Why?"

"Here's an ad. in this morning's paper that should interest you particularly: 'To let—nice room for rent with gas.'"—London Tatler.
