BENEFIT IS EXPECTED

BELIEVED SOME ONE TO OVERSEE WORK OF BOYS THROUGHOUT STATE WILL PROVE EFFECTIVE MEANS OF HELP.

Members of the boys' department of the Y. M. C. A. were successful today in raising the \$100 pledged by this department to be added to a fund for the establishment of a state secretary of the boys' department. Various ways were adopted by the youths in raising the subscriptions, some being the sale of Y. M. C. A. symbols and others by soliciting subscriptions. It was reported that two subscriptions of \$5 were given. It is believed by the establishment of the state secretary of the boys' department, that this branch of the association work will become of greater value. The boys met this afternoon and arranged for a banquet to be given soon.

ASSOCIATION MEETS

West Side People Have Discussion Regarding Sub Postal Station.

FAVOR PLAY GROUND BILL

At the meeting of the West Richmond Improvement association last evening the question of establishing a sub-postal station at Foster's drug store, was taken up and discussed. The association was almost unanimous in the belief that a station should be established to accommodate the populace in West Richmond to whom the stations established at Earlham college and at the Quigley drug store, North E. street are inconvenient. The association also took action favoring the passage of a bill before the legislature relative to the installation of public play grounds.
