**WAR ON "LITTLE FELLOWS"**  
New York, Feb. 25.—New quotations given to various steel consumers by the United States steel corporation today were \$1.20 per hundred pounds for shapes and plates, and \$1.20 for bars. This represents a reduction of \$6 a ton for steel shapes and \$4 a ton for steel bars. It is reported that the corporation reduced steel pipe about \$19 a ton. Wall street has learned for the first time why the United States Steel corporation cut the price of steel. Only one week before the announcement was made the Pressed Steel Car company's contract, which annually calls for \$12,000,000 of material, expired and was not renewed. Other heavy buyers let it be known that for the next year, at least, they would buy in the open market. The loss of all the business indicated could have been sustained and still the stockholders and the surplus account of the billion dollar concern would not have suffered materially. But it was reported that the smaller independent companies, such as the Republic Steel, the Sloss-Sheffield, the Lukens and the Millkens, were cutting prices and making contracts to furnish steel for the current year at figures materially lower than those charged by the United States corporation, the Bethlehem, Lackawanna, Pennsylvania, Cambria and Jones & Laughlin companies. This meant that more orders than the information of the larger group had been obtained about were probably being secured by the little fellows. For this reason war was declared, and it is to be continued, it is said, until these little fellows surrender or go to the wall.

**WILEY IS SUSTAINED**  
Special Board Favors Expert In Its Report on Benzozate of Soda.  
SHIP SUBSIDY BILL UP.

Washington, Feb. 25.—An official bulletin was issued today by the special board appointed by President Roosevelt, declaring benzozate of soda used in food products was not deleterious. Dr. Wiley has been fighting for its use.  
**A Favorable Report.**  
The house committee made a favorable report on the ocean mail subsidy bill today. The house committee also ordered a favorable report to be made on the Brownsville bill authorizing the reinstatement of discharged soldiers.

**ARREST SWINDLERS**  
Tried to Defraud American Express Company With Forged Checks.  
**HAVE INTERNATIONAL FAME**  
Milan, Italy, Feb. 25.—Four Italians were placed under arrest this morning and charged with attempting to defraud the American Express company by means of forged checks. The authorities claim to have caught a clever group of swindlers who have cleaned up a quarter million dollars in New York, London, Paris and Rome. A partial confession was obtained from one prisoner.  
**A Thrilling Sport.**  
An exciting Mexican pastime is that of flooring bulls with the hand from horseback. The rider, galloping after the bull, seizes it by the tail and, passing his leg over the tail for the sake of leverage, pulls the poor beast round sideways until it trips and goes crashing to earth amid a cloud of dust. Needless to say, the bull thrower needs a strong hand and steady nerves or he may find himself in trouble.

## DANGER OF FLOOD HAS NOW PASSED

Ohio River Has Begun to Recede and Millions of Property Is Saved.

## ON A RAMPAGE WEDNESDAY

IN CINCINNATI, PLANS WERE MADE FOR EVACUATING THE RAILROAD STATIONS AND SAVING THE COAL SUPPLY.

Cincinnati, O., Feb. 25.—The danger of a flood is now believed to be over although the Ohio river is still very swollen. Throughout the day it has been receding. Reports from towns along the river state that the river has dropped considerably below the highwater mark.

**Passed Flood Stage.**  
Cincinnati, O., Feb. 25.—The Ohio river passed the flood stage of fifty feet here yesterday afternoon, while nearly all points up and down the river and on the larger tributaries reported flood conditions.

Coal men worked all night to protect barges containing 10,000,000 bushels of coal, now in harbor here. In the lowlands second stories were sought by many while others abandoned their homes entirely for greater safety elsewhere.

At Parkersburg, W. Va., the official prediction is for at least two feet above flood stage, and already the flats have been abandoned. Similar reports come from Portsmouth, Iron-ton, Gallipolis, and other places. The Muskingum, Scioto, Kanawha, Big Sandy, Big and Little Miami, and Licking rivers are far above flood stage and have been pouring their floods into the already swollen Ohio, carrying away many flat boats. Thousands of logs, torn from their moorings on the Licking river, almost created a panic when they swept into the Ohio at this point.

**Central Kentucky Flood Swept.**  
Lexington, Ky., Feb. 25.—The heavy rains in central and eastern Kentucky for the last thirty hours have caused all streams to rise to the highest points known for several years. The lower portions of this city were covered several feet with water and at least fifty houses were invaded, keeping the occupants practical prisoners for several hours.

The Licking, Red, Cumberland, and Big Sandy rivers are at flood stage and the inhabitants of Salt-Lick, Sherburne and various other towns along the Licking fear that those towns will be partially under water. Great damage has been done, as much live stock has been drowned and great quantities of light property have been swept away. Loggers fear their great booms will be swept away.

Reports from thirty counties in central Kentucky state that one hundred bridges were washed away and several buildings. Many narrow escapes from drowning are reported. At Gradyville, where a disaster two years ago caused the loss of twenty lives, the water reached within two inches of the mark set in 1907.

## City Statistics

**Deaths and Funerals.**  
KING—Mrs. Mary D. King died at the home of her daughter, Mrs. H. R. Crebb, at Portland yesterday. Mrs. J. F. Hornaday of this city is a daughter. The remains arrived here this afternoon. The funeral arrangements and place of burial will be announced later.  
THOMAS—The funeral of Calvin M. Thomas will be held Saturday afternoon at 2 o'clock from the Fifth street M. E. church. Rev. J. O. Campbell will officiate. The burial will be in Earlham cemetery. Friends may call at any time.  
TATE—Louis Tate aged about 85 years, one of the best known colored men of the city, died last night at his residence, 516 North Eighteenth street. Mr. Tate was a well known character. For many years he has been blind. He was a former slave and many adults who were raised in the East End can remember stories of the slave days which he used to delight in telling to them. The funeral will be held at 2 o'clock Friday afternoon from the Bethel M. E. church. Rev. Noah Williams will officiate. Burial will be in Earlham cemetery.
