

EARLHAM BEATEN IN LAST CONTEST

Depauw Team Last Evening
Won Basketball Game by
Score of 29 to 22.

GAME A HARD FOUGHT ONE

SEASON'S RESULT BEARS OUT
MAXIM THAT TOO MANY
COACHES SPOIL ANY TEAM—
SUMMARY OF TEAM'S RECORD.

Depauw 29; Earlham 22.

"Hallelujah Thine the glory, hallelujah Amen, hallelujah Thine the glory, revive us again," sang the Earlham advertising committee as it rode about the city streets yesterday to attract attention to the fact Depauw's basketball team would provide the opposition for the game last evening. That "glory" may have been revived all right, but evidently the stimulant was not strong enough. The advertising committee violated city ordinances by distributing bills along Main street, scattering them broadcast as their wagon traveled from Fifth street to the bridge, and Depauw violated tradition by winning the game. It was Quaker tradition, however, that was violated, as the Methodists all along had counted the game as good as won.

Season of Distress.

It was the last game of the season for Earlham. It has been a season of distress. It was expected the team would prove first class but it failed miserably. Cedarville, Wilmington and State Normal, all fourth rate teams, fell victims to the skill of Earlham's goal tappers. But Earlham could not break into second class company. It seemed as if Wabash, Depauw and Rose Polytechnic on two occasions, just would not have anything to do with the Earlhamites. Maybe they didn't like the yellow in the college colors—of course it's no place else.

The Quaker players have been in athletics for years, but repeatedly during the basketball season have taken flights into the ozone. They could not be kept on the ground and this fact lost for them several games. The team is good, but it has been unable to work together. Whether from stage fright, fear or some other cause, balloon ascensions have not been avoided, greatly to the detriment of the team's work and the placards on the score board.

Coaches Differed.

But the fault has not been with the team. Hancock, White, Swan, Cornell, Tebbetts, Lindley, Reese and a group of hardworking subs have done all within their power to win games. It cannot be said the team laid down in a single contest. Every man knows the game and does his best to win. But the team has not proved a winner. Then the fault must lie some where else. Earlham has suffered from a multiplicity of coaches. Prof. Holmes and athletic director Vail have worked with the team, but their work has not always been in the same direction. To watch the Earlham team in practice proves this. Holmes apparently has an idea a basketball player must be somewhat on the order of a wrestling mat artist. He encouraged his players to crowd their opponents every minute of the game. He wants an Earlham man rubbing elbows with his opponents and to cover up perpetually. Vail has been more for the free and open style of play. That is the kind of a game that has won against Earlham all season.

Forget There is Basket.

The Quakers have spent so much time running about the floor chasing their opponents that they have forgotten there was a basket at the other end. Both Holmes and Vail have worked to perfect the team, but their ideas of the game differed, judging from practice work. Holmes was regarded as basket ball coach. Vail not making any pretense at being an adept upon the points of the game and Holmes' ideas were the ones adopted for the most part by the players. Better things are hoped for next year.

The game last night was interesting but not exciting. Depauw had the best style of play and won out as the result. Earlham men covered the floor but their combined forces were not as strong as those of the Methodists. Earlham had confidently expected to win. Summary:

Earlham	Depauw
Hotchkiss	Ell
Reese	Forward
White, Swan	Forward
Hancock	Holderman, Scott
Cornell, Tebbetts	Center
	Hardin, Richards
	Guard
	Gray

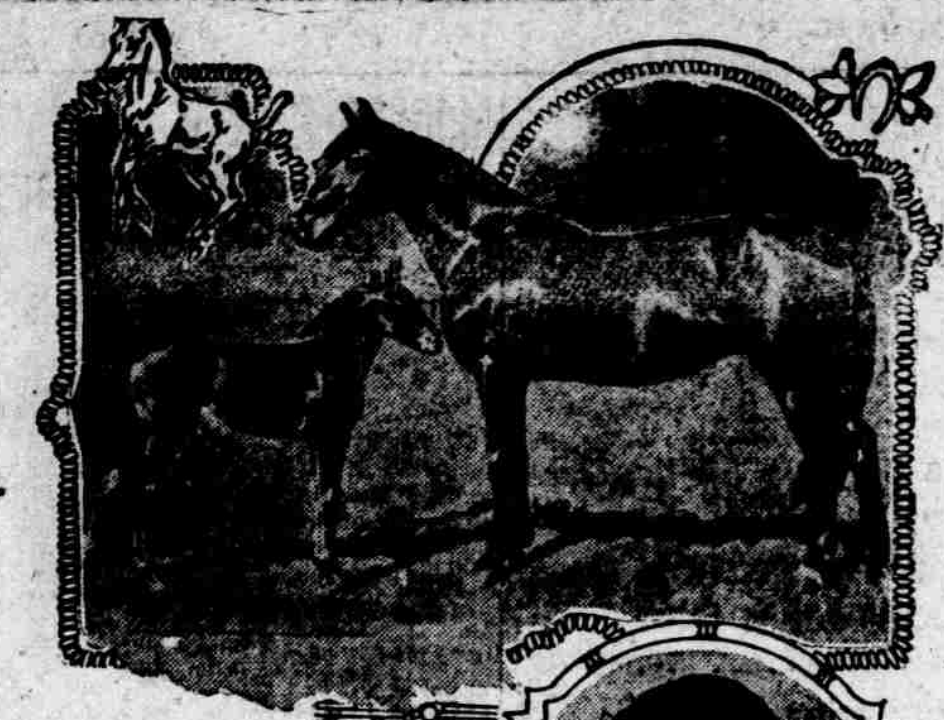

Goals from Field—Crick 5, Ell 3, Holderman 3, Scott 2, Gray, Hotchkiss, Reese, White 3, Hancock 2, Tebbetts 2. Goals from Foul—Hotchkiss 3, Crick, Tebbetts. Referee—Bonnstadt, of Butler. Umpire—Hunt, State Normal. Time keeper—Lawrence, Earlham. Score—Ackerman, Earlham. Time of Halves—20 minutes.

"I see," remarked Deadbroke, "that you advertise an up to date boarding house. I suppose that refers to the service and appointments."

"No, indeed," replied the landlady, "that refers exclusively to boarders. I don't keep any one who gets behind."

Anderson	6	10	.364

Anderson, Ind., March 6.—In an overtime contest between Richmond and the locals last evening, the visitors were victorious by the score of 4 to 3. The game was probably the best seen in this city this season and was featured throughout by the excellent team work and individual playing of the Richmond team. The visitors played Houghton at second rush and he played a very good game. The locals lineup was changed from the usual order, Anderson playing four defense men. Bulla who went on in the overtime made a quick goal for the visitors, in 16 seconds, winning the game. Lineup and summary:

PORTLAND TEAM DEFEATS LOCALS

R. H. S. Basketball Team Gets
A Trimming.

The high school basketball team was defeated at Portland last evening, by Portland High School, 39 to 16. Richmond's guards were not equal to the occasion and this accounts for the size of the Portland score. Thornburg and Spangler for the locals were the only two in good form. Hildreth is credited with being the star for the Portland team.

RICHMOND TEAM WON TWO GAMES

Entre Nous Proved Easy victims.

In the bowling contest at the City Bowling Alleys, between the Richmond and the Entre Nous last evening, the Richmonds succeeded in taking two of the games. The team scores were: Richmonds, 756; 884 and 862, and the Entre Nous 774, 811 and 787.

Would Love Her That Way.

"Oh, George," exclaimed a very young wife to her husband, "I've been reading in the newspaper of a woman who was suddenly stricken dumb during a thunderstorm. Do you think her husband will love her still?"

"Rather!" replied George. "Any man who wouldn't love his wife still deserves the happy fate of an old back-elder."

NUMBER OF BIRTHS EXCEEDED DEATHS

Last Month Were Forty-nine
Births and Only Twenty
Deaths.

AMOUNT CONTAGION SMALL

PREVAILING DISEASES WERE
SMALLPOX AND SCARLET FEVER,
BEING FIFTEEN CASES OF
THESE DISEASES.

The number of births in comparison with the number of deaths for the month of February was more than twice as great as shown by the report of city health officer, Dr. Charles Bond. There were 49 births while there were but 20 deaths. The record is considered as an extraordinarily good one. The amount of contagion was also small, but sixteen cases being reported.

There were forty-six white children and three colored children born during the month. Twenty-nine of the total number were boys. In respect to the mothers' ages the report shows the following: Five between the ages of 15 and 20 years; twenty-seven between 20 and 30 years of age; fourteen between 30 and 40 years of age and two who were between 40 and 45 years of age.

Small pox and scarlet fever furnished nearly all the contagion, eight being smallpox cases and seven scarlet fever. One case of measles was reported.

Only two of the twenty deaths reported were colored. The cause of death as reported to Dr. Bond is as follows: Two from violence; three with cancer; two with influenza; three with pneumonia; two with Bright's disease; and one with consumption. The above causes are the only ones which a comparison is made of by the health officer as these diseases are regarded as the most common causes of death. The ages at which death occurred is as follows: Twelve at 65 years or over; four between the ages of 19 and 40 years; two children between 1 and 4 years of age; 1 child under one year and one still birth.

INDIANA STATE LEAGUE ASSURED

Circuit Will Be Organized Now
That Sunday Games Are
Legalized.

JESSUP BACK OF PROJECT

HE WILL MAKE A TOUR OF VARIOUS
CITIES PROPOSED AND IS
CONFIDENT HE WILL MEET
WITH SUCCESS.

The enactment of the Sunday baseball bill into a law will result in the organization, within the next six weeks, of an Indiana State league. As every city in the proposed league could play Sunday baseball, promoters of the organization are confident the venture would be a financial success.

Clarence Jessup, former manager of the Richmond I. O. league team, is enthusiastic about the formation of such a league and will do everything in his power to promote the organization. He stated today that he would, within a few days, make a circuit of the proposed cities and try to stir up interest in the project.

Richmond to Have Team.

He proposes to visit Hammond, Gary, Laporte, Lafayette, Muncie, Anderson, Logansport, Kokomo, Marion, Huntington and Peru. He and several other Richmond fans will back the club to be located in this city. The eleven cities to be visited by Jessup, he is confident of lining up at least seven to fill in the circuit with Richmond. An article of baseball fully as fast as seen by the fans in the Ohio state league would be supplied the Hoosier fans and the new circuit would be under national protection, probably as a class C league. Lovers of baseball in Richmond will undoubtedly do everything in their power to support Jessup in this venture.

JUNIORS HELD AN ATHLETIC MEET

A Number of Events Were
Pulled Off.

An athletic carnival for the junior members of the Y. M. C. A. was held this afternoon. The field meet provided the chief attraction. A number of events were pulled off in good time for the age of the participants. Interest in field athletics is being created by these indoor meets to such an extent that the outlook for good field sports in the public schools this spring is very encouraging.

BUT LITTLE DONE AT THE MEETING

Y. M. C. A. Directors Discuss
Routine Matters.

At the meeting of the directors and the trustees of the Y. M. C. A., last evening, routine business was discussed. The same officials will meet again Tuesday evening after the session of the short term bible class, at which time a report on the success of the committee in charge of raising the \$12,000 deficit will be made.

ANNIVERSARY OF CENTENNIAL WILL BE CELEBRATED

(Continued From Page One.)

is not known what became of the building.

The first church to be built in this city was by those of the Methodist faith, is the building above referred to on South Tenth street. It was erected in 1829 and is practically the same today as when it was then, except that a new roof and a few other repairs have been made.

It was not known by many Methodists that this building was formerly a church, and the mere mention of the fact awakened an interest in the building which may lead to its purchase and placed somewhere where it may be seen by all and admired as a relic.

To Make Pilgrimage.

It is believed that the Methodists will decide to make a pilgrimage to the old Jacob Smith property and that a meeting be held in the open as was the custom 100 years ago. It was also suggested that the centennial celebration be held in conjunction with the chautauqua. However, this, as well as the other details, remains to be worked out.

There will be an effort made to find out whether there are any descendants of Jacob Smith in this county.

That Richmond may not be the headquarters for this district after the conference meeting at Greenfield next month, was stated by the Rev. T. M. Guild, presiding elder of the district in his toast, "District Boundaries." There are at present six districts in the Northern Indiana conference district, and it is proposed that the conference be divided into but five districts. The change in the boundaries which will probably be made at the conference meeting, provides that they shall be straight lines and parallel to the Indiana-Michigan line. This would put Richmond in the southeast corner of the district.

Officers Elected.

Other toasts were responded to by Paul Jones, Raymond H. Wehrley, Prof. Hersh of Earlham college, and the Rev. R. J. Wade. William Russell, who has been president of the brotherhood for the past year, acted as toastmaster.

At the conclusion of the program the following officers were elected for the ensuing year:

President—Dr. David W. Stevenson.
First Vice President—Prof. Ramsey.
Second Vice President—W. F. O'Neal.

Third Vice President—Clem Gear.

Fourth Vice President—C. W. Isenbarger.

Secretary—George Sweet.

Treasurer—Walter Luring.

Chaplain—S. H. Jones.

HIGHLY PLEASED WITH NEW CHURCH

Out of Town Catholics Share
Enthusiasm With Local
Church Members.

WORK FINISHED IN A YEAR

THOUGHT NEW EDIFICE WILL BE
FINISHED BY MARCH 4, 1910—
PARISH HOUSE FINISHED BY
NEXT FALL.

Members of St. Mary's church are confident that the new church building to be constructed on the old Huber property, will be completed within a year from the time of breaking ground or March 4, 1910. The parish house which will be located on the corner will be rushed to completion and it is hoped that it will be ready for occupancy by fall. The members are very much pleased with the progress made so far and are anxious for its completion. Several out of town Catholics who have viewed the plans in the past few days, state that undoubtedly the new church will be one of the most beautiful in the state when completed. Rev. Father Bellman of New Castle, who assisted in the ceremonies Tuesday, when the first ground was broken, is one who is much pleased with the plans for the church.

LEGISLATURE IS DOWN ON UPPERS

Startling Discovery Made That
It Had No Money Left
To Pay Itself.

EXCEED APPROPRIATION

TODAY IT WAS NECESSARY FOR
THE HOUSE TO PASS AN ADDI-
TIONAL APPROPRIATION OF
\$22,000.

Palladium Bureau,
Indianapolis, March 6.

The Indiana legislature is broke. It has no money with which to pay itself or anyone else. This condition was discovered yesterday evening when W. W. Huffman, secretary of the senate, went to the state auditor's office and tried to cash a warrant for \$300 due him as his salary.

There is money in the state treasury, all right, but there was no appropriation made from which to pay the legislative warrants. Today an additional appropriation was passed by the house, amounting to \$22,000. When the session opened the legislature by a joint resolution appropriated \$115,000 for the expenses of the session. This has all been used up and there are several thousand dollars more debts to pay. Of course, another appropriation can be made, and will be made today, to finish paying the bills, but the question arises whether the warrants already issued in excess of the money appropriated can be collected without a law suit. It is illegal to issue a warrant for money when there is no money in such a fund with which to pay it. So there is liable to be a mix-up about it.

A Great Scouring.

Two years ago the legislature appropriated \$120,000 for the expenses of the session. This was not enough, but the fact was discovered in time to make an additional appropriation of \$12,000 before the first money ran out. This covered the additional cost of the session. But this case is different. Warrants are already issued when there is no money on hand to pay them. Warrants issued after the additional appropriation is made will be cashed all right by the auditor.

When the deficit was discovered yesterday evening there was a great scouring around among the members and the employees of the two houses to get their money. Some of them have not drawn a cent of their salaries since the session opened, preferring to wait until the end of the session and get it all at once. Some of these are in a tight hole as a consequence of the sudden "stringency."

EATON IS DEFENDANT

William Nearin Wants \$5,000
Because He Tripped Over
A Stone Step.

RECEIVED MANY INJURIES

In a suit that will be brought against the town of Eaton, Ohio, and Dr. F. M. Michaels by William Nearin, Robbins & Robbins of this city will appear as attorneys for the plaintiff, William Nearin. The plaintiff is seeking \$5,000 damages.

It is alleged in the complaint that at a specified time a stone step located in front of the property of Dr. Michaels, projected upon the pavement. It is averred that when walking along the street after dark and being unacquainted with the presence of the step, the plaintiff tripped and fell on it. He suffered the fracture of three ribs and a number of internal injuries that will render him unable to perform his work for his lifetime.

Don't kick because you have to button your wife's waist. Be glad your wife has a waist and doubly glad you have a wife to button a waist for. Some men's wives have no waists to button. Some men's wives' waists have no buttons on to button. Some men's wives who have waists with buttons on to button don't care a continental whether they are buttoned or not. Some men don't have any wives with waists with buttons on to button any more than a rabbit—Lace (Ill.) Journal.

This Year.

Farmers of the vicinity of this city declare the yield of sap for maple syrup has been larger this year than for many years. Thousands of gallons of syrup have been boiled. Many farmers are peddling it about the city and all the groceries are supplied.

MISS MILLER MAY SUE FOR DAMAGES

She Was Injured by the Fall-
ing of a Wall of the
Hibbard Building.

CITY MAY BE DEFENDANT

CLAIMED THAT POLICE DEPART-
MENT SHOULD HAVE SEEN
THAT PROPERTY WAS ROPED
IN—SETTLEMENT PROBABLE.

Miss Martha Miller who was injured February 17 by a portion of a brick wall of the old Hibbard property falling on her will ask that damages be given her either by the city or St. Mary's congregation. It is probable that a settlement will be made out of court. Notice to the effect that Miss Miller is considering action against the city for damages has been served. The amount of damages to be asked has not as yet been determined as Miss Miller has not entirely recovered.

Action Not Decided.

The attorneys who are acting for Miss Miller have not decided whether to bring suit against the congregation or the city, or, if possible, make a settlement with which ever party they believe to be the rightful defendant. The city can be held responsible it is said, because it is the duty of the police department to see that buildings of a dangerous character are roped in.

Miss Miller with a party of friends were on the way to the Five-Lakes wedding at St. Mary's church February 17 and as they were passing by the old Hibbard property, Eighth and North A street, a section of the brick wall fell over partially burying Miss Miller. One of the broken bricks struck Miss Irene Hart on the shoulder. It is not known whether Miss Hart will ask damages.

RAVING MAN JUMPS OFF OF A TRAIN

Believed It Was an Attempt at
Suicide.

Chicago, March 6.—Fighting with the fury of a maniac and others to restrain him, George Meador of Elizabeth, Pa., leaped from a west bound train near Crown Point today in an attempt to commit suicide. He probably is fatally injured as a result. His skull appeared to be fractured. The cause of the attempt is not known.
