LOCALS SWAMPED LIBERTY OUTFIT

Basketball Victory Was So
Easy That It Nearly Re-
sembled a Farce.

FOUR POINTS BY VISITORS

GAME WAS WITNESSED BY A
FAIR SIZED CROWD WHICH
REALLY FELT SORRY FOR THE
LIBERTY LADS.

In a game devoid of interest except as to the size of the score, the local high school team swamped the Liberty high school players by the score of 54 to 4 last evening at the Y. M. C. A. gym. The visitors seemed to be about as well acquainted with the game of basketball as a mouse would be with a box of P. watch fob. They never had a look in. The four points scored came as the result of throws from the foul line, as not a field goal was scored. It was so easy for the locals as to be really farcical.

Brown Had It Easy.

Brown had all the fruit at center and securing the ball on every jump he passed it about the floor or to a forward without trouble. A goal would result and then the trip would have to be made again. The score simply was a question of the length of halves. If time had permitted it might as well have been 100 for all the opposition the Liberty boys presented.

Of course there is consolation for the defeated ones. They have not been coached in the game like the locals and have not had the opportunity to play. They were outclassed. The locals had experienced the kind of sensation themselves during the present season and although they knew how to sympathize, none had fallen them, so they were disposing of none. A fair sized crowd witnessed the game.
