POLICEMEN PROTEST

Peru Officers Paid by Saloon Keepers to Act as Watchmen.

HITCHRACK IS REMOVED

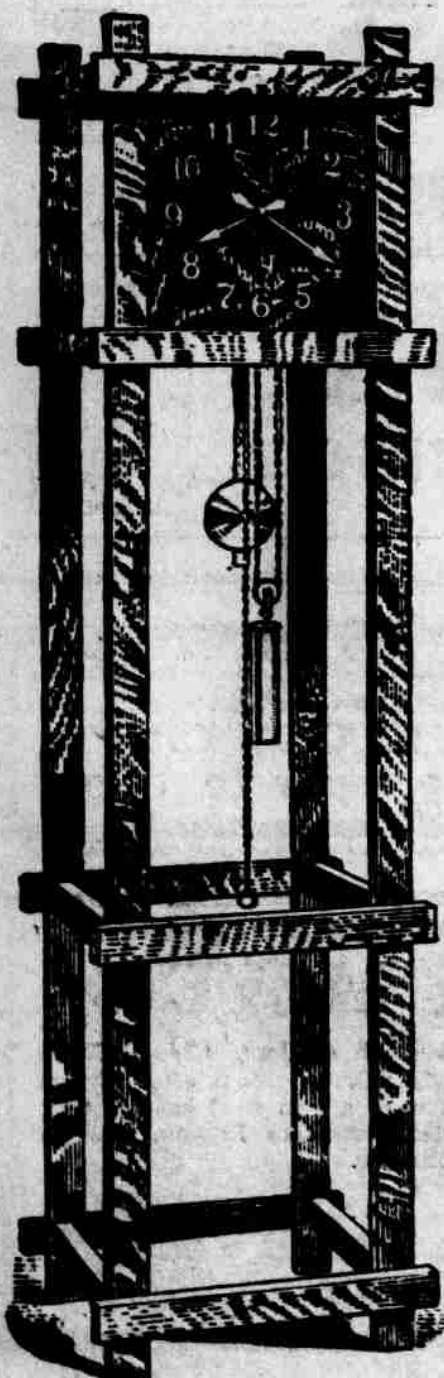

Peru, Ind., March 18.—The official vote of Miami county shows the majority favoring the drys in the local option election is 1,088. Peculiar circumstances have been revealed since the county voted dry. The two night policemen at Peru are kicking, because they had been doing duty as watchmen at the saloons and were paid from 50 cents to \$1 per week for trying the locks and seeing everything

was in good shape. They will be deprived of this source of revenue. One saloon keeper has had a public hitching rack removed from in front of his place because the farmers voted dry and now tell them to hitch at the public square.
