

## Laxative for Women Free

These is a great difference in the purposes for which a laxative should be put. Tablets and pills, salts, etc., are usually violent purgatives or cathartics, and altogether too powerful for the average person.

A woman at all times needs only a mild laxative—in fact, none other is needed by anyone, weak or strong though they may be, for the object is simply to move the bowels, and if a gentle laxative will do it, what is the use of a violent one?

Dr. Caldwell's Syrup Pepsin has earned a well-deserved vogue among women and children and old folks—people who must necessarily be careful of what they take.

It is a liquid laxative tonic and admittedly the greatest stomach, liver and bowel remedy before the American people. The price is only 50 cents or \$1 a bottle, as it comes in both sizes, and all druggists sell it. Its pleasant taste and gentle action make it an ideal remedy for women in constipation, torpid liver, sour stomach, sick headache, heartburn and such like digestive complaints.

Its use for a short time will remove the trouble entirely so that future laxation will be unnecessary. Its tonic properties build up the stomach and intestinal muscles so that they act naturally again. That this is so is the experience of many heads of families, like Mrs. Brannan, of Alvarado, Va., Mrs. E. L. Stout, of Louisville, Ky., and numerous others; in fact, way out in Williams, Cal., as Mrs. J. E. Blackmore, of that place, writes, the whole town seems to be using it.

If the remedy is new to you and you want to make a trial of it before buying, send your name to the doctor's address as below and a free test bottle will be sent you. Then, if results are satisfactory you can buy it of your druggist.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 808 Caldwell bldg., Monticello, Ill.

Princeton humbled the leaders of the Y. M. C. A. basketball league last night and trounced the Yale five by the score of 31 to 12. Yale never had a look in from the start. The regular line up of the Eli's was not on hand and the patched up aggregation seemed completely demoralized by Princeton's onslaughts. The result of the game pulled down Yale so that the league race can result in a tie. Next week will end the season. Yale can not be beaten for first place, but may be tied and a victory over Cornell next week will give the blue the championship. "Beat Yale" has been the slogan of all the teams for the past four weeks. Summary:

## GREAT AUDIENCE WAS CHARMED BY A GREAT SINGER

(Continued From Page One.)

Madame Nordica was handicapped last evening, as she had no opportunity to display her histrionic ability. The audience was representative of the leading society people, musicians and music lovers of this city and vicinity.

Special mention should be made of the beautiful piano numbers given by Mr. Benoist, Madame Nordica's accompanist. He played on his first appearance, Polonaise No. 2, written by Liszt. When he rendered "March Militaire" by Schubert-Tausig, he was forced to respond to an encore. Never before in the history of this city has such a recital been given.
