Yale 29; Cornell 16.

Yale won the championship in the Y. M. C. A. basketball league last night by defeating Cornell 29 to 16. Previous to the game Old Eli was in such a position that no matter what the result, the team could not be more than tied for first place. The victory makes it impossible for any other team to tie, as this week's games mark the close of the season. It was a fast, clean game. Yale was out to win, as a good deal was at stake and the Ithacans could not stop the triumphant march to victory. Wiechman did the stellar work at locating the basket, tossing nine from the floor and one from the foul line. The game was much freer from fouls than several of the recent contests. Allison and Meyers did the best work for Cornell. Meyers went from forward to guard in the second half and secured three field goals after the change.

Played Consistently.
The Yale team has put up a consistent game from the start. Carlisle proved the stumbling block for the Blue however, and took both of the games played. The second went to overtime but the Elis could not land in the extra period. Princeton was the only other game lost during the season. All the other teams were defeated twice. The first game against Princeton, which Yale won, required overtime and a contest was taken from Chicago by the narrowest possible margin—a single point.

At the opening of the season the Yale team was not picked by anyone as the winner. The team is not made up by stars but a bunch of players willing to work no matter whether the game is being won or lost. Several games were saved after the opposing five acquired a good lead and it required concentrated effort on the part of Yale to do it. Originally nine men were put in the Yale squad but three of this number dropped out. The regular team was composed of Earl Spangler and Forrest Farrow, forwards; Ed Wiechman, center; Roy Porter and Roy Compton, guards. Compton acted as captain. No penant or other memento was awarded by the league and the only satisfaction the Yale men have is that which comes from winning. They say it is enough.

Last night's summary:
Yale Spangler Allison Forward
Farrow Meyers, Halsey Forward
Wiechman Kaufman Center
Compton Halsey, Meyers Guard
Porter Rodelfeld Guard
Field Goals—Wiechman 9; Spangler 3; Compton 2; Allison 4; Meyers 4. Foul Goals—Wiechman 1. Referee—Gardner. Timekeeper—Genn. Scorer—Mendenhall. Time of halves—15 minutes.

Two games remain to be played. Princeton meets Carlisle and Illinois goes against Chicago. The Princeton-Carlisle game promises to be a dingy one. Both teams have been going strong lately. Princeton wants the game in the effort to get second place and Carlisle wants it to break even in the percentage column. The same holds true as to the Illinois-Chicago game.

Frank Gardner, who refereed last night did efficient work, which was quite pleasing to the players.

SCRATCHED HIS TOE

With His Finger Nail, Now
Blood Poison Is Threat-
ened.

PRISONER IN BAD LUCK

William McGee, who has been under sentence at the county jail, has been removed to his home. He is threatened with a severe attack of blood poisoning. McGee is a well known plumber. While taking his bath Saturday he scratched one of his toes with his finger nail. He did not pay any attention at the time to the little scratch. Later it began to pain him, however, and yesterday his leg began to feel the effects. Today his leg is swollen clear to the groin and suppuration is felt as to his condition. Because of lack of facilities at the jail to attend him, the sheriff permitted his removal to his home.

Park.

CATCHER CLARK SIGNED

Next Sunday's attraction at Athletic park will be the clash between the All-Kentuckians of Covington, Ky., and the remodeled Quakers. The reputation of the All-Kentuckians is sectional. They are under the direction of Manager Billy Drees, a well known sporting man of Covington. The squad includes several ex-leaguers, Doyle, Crosby, Joe Van and Chapman. Van is now playing second base with the Cincinnati Reds club. Crosby was with Danville in the Virginia State league last season and Chapman lead the Blue Grass league sticklers in 1908.

The All-Kentuckians squad includes the following: Smiley 1b, Steele lf, Van or Davis ss, Chapman 2b, McNally 3b, Swain rf, Fox or Bramlage, Doyle or Erney c, Crosby or French p. The locals will be strengthened with Cecil Clark of Spartanburg, behind the bat. Clark worked with the Richmond and Muncie teams of the Indiana Ohio league last season and is popular with the fans. There will be some other new faces in local line-up and a fast game is promised.

ing by People Interest-
ed in Move.

A SANITARY COMMITTEE

ONE WILL BE APPOINTED TO
SEE THAT THE HEALTH CON-
DITIONS OF THE CITY ARE UP TO
STANDARD.

A movement to improve the moral conditions of the city by making it clean and keeping it such a shape, was started last evening at the mass meeting of citizens interested in cleaning up day, which is to be celebrated next Saturday. The Commercial club rooms, where the meeting was held, was well filled. Mrs. M. F. Stephens of the Aftermath society, presided. After several had made appeals for a general observance of the movement it was moved that a nominating committee be appointed to select a standing committee of 100 persons to look after the cleanliness of the city, during the entire year. The nominating committee to be composed of eight persons, one from each ward to be appointed later. The standing committee is to include citizens from all sections of the city, interested in good sanitary conditions.

Resolution Adopted.
The following resolution was adopted at the conclusion of the meeting:
To the Household of Richmond:
We urgently appeal to the citizens of Richmond to set aside Saturday, May 1st as "cleaning up day" and offer the following suggestions to be carried out by all engaged in the movement:

1. Clean all yards, back and front.
2. Gather up all dirt and rubbish everywhere about the premises and put all in the alleys for the city teams to haul away.
3. Collect all paper. Do not burn. File it up so it will not blow away.
4. Dig all weeds from your yard and prepare the soil for seed. Sod or sow seed where there are barren places.
5. Thoroughly clean basement and stables, using lime freely.
6. Fill all places where water stands.
7. Neatly arrange all material which must be kept in the yard.
8. Repair walks, mend fences, gates and sheds, and paint or white-wash.

F. & N. TO REBUILD

New Factory to Be Erected on
The Site of the Old
One.

PLAN MODERN STRUCTURE

The F. & N. Lawn Mower company, which suffered by a severe fire several weeks ago, will rebuild its factory on the old site, Washington avenue, near Eighth street. An announcement to this effect was made last evening by John M. Lantz, president of the concern. Satisfactory adjustment has been made with the insurance companies.

Although plans and specifications for the new building have not been completed, it is the plan of the company to erect a thoroughly modern building. The site, while small in some respects, is a very good one from other standpoints, because of the excellent shipping facilities and because it is located near the center of the manufacturing district.

Congratulates Him for Con-
demning Unsanitary
School Houses.

ESTABLISHES AN EXAMPLE

DR. HURTY STATES THAT WAYNE
COUNTY NOW HAS THE BEST
SANITARY RECORD IN THE
STATE OF INDIANA.

Indianapolis, April 27.—Wayne county is being congratulated by the State Board of Health because of the good that has been accomplished in that county in the way of improving the sanitary conditions of district school houses. Dr. J. E. King, the county health officer of Wayne county, according to the records of the state board has condemned eight schools as unsanitary and as a result of his good work the townships are now preparing to build eight new buildings to take the places of those that were condemned.

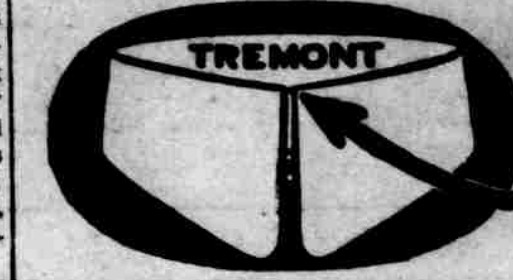

"Wayne county has the best record of any county in the state," said Dr. J. N. Hurty, secretary of the state board, yesterday. "We are hoping that other counties in the state will follow the lead of Wayne county and get rid of a lot of their unsanitary school houses. Dr. King has done great work over there."

SPEKENHIER ATTENDS.

Postmaster J. A. Spekenhier will attend the meeting of the executive committee of the Indiana Postmasters association at the state house tomorrow. It is probable that program for this year's meeting, which is to be held in May, will be arranged. Mr. Spekenhier is second vice president of the Indiana association. He will also attend the meeting of the National Association of First Class Postmasters to be held in Toledo in August.

OBSERVE THE EVENT

Ninetieth Anniversary of Odd
Fellowship Is Celebrat-
ed Here.

AN EXCELLENT PROGRAM

The ninetieth anniversary of the founding of the Independent Order of Odd Fellows was celebrated last evening by the local lodges at the lodge hall. There was a large attendance

of the members of the different local lodges. A program including several musical numbers and addresses by prominent members of the local organization was given.

Owing to illness in the families of Harry Peany, who was to deliver an address, and Laurance Handley, who was to preside, they were unable to be present. The principal address of the evening was that of Charles Jordan superintendent of the county schools. Rev. J. Cook Graham, of the Fifth Street M. E. church, and others, made short talks. They spoke on the benefits of the order, as well as many other features.

After the finish of the program, the members adjourned to the banquet hall, where light refreshments were served.

Another Artist Gives Praise to the STARR PIANO

Createore
One of the world's
greatest band mas-
ters, tells of the
wonderful tone
produced by the
Starr Piano.

Createore and his band will be at the Coliseum Thursday, April 29th.

The Starr Piano Co.

Cor. Tenth and Main Sts.

Detroit, Mich., June 18, 1906.

DEAR SIR:

I feel deeply impressed with the tone of the Starr Piano. It has appealed to me from an artistic standpoint as being truly worthy of the high position it holds throughout the world today.

I have purchased a Starr Piano for my own studio because of its superior tone quality and wonderfully even scale, which must appeal to me first and last in passing upon a musical instrument. Conscientiously I can and will recommend the Starr Piano wherever I go. Yours truly,

CREATEORE.
