

## POLL OFFICIALS FOR THE PRIMARY HAVE BEEN NAMED

Tomorrow the City Committee Will Make Public List of Those Who Will Conduct The Election.

IS NO COMMITTEEMAN FROM SEVENTH WARD

As No Candidate Has Announced Himself From That District, the Office is Left Off the Ticket.

At the meeting of the city committee last evening, matters pertaining to the republican primary May 3, were considered. The committee went over the rules, but adopted no new ones.

As there was no candidate to announce himself for committeeman from the seventh ward, the committee decided to have the tickets for the seventh ward printed without this office included. The committeeman will be selected later at a ward meeting in all probability.

The boards for the different voting precincts in the primary next Monday will be announced tomorrow by the committee. The board officials were selected from lists handed in by each majority candidate. Each committeeman selected the board in the ward, which he represents.

Want Factories to Close.

The committee in the reconsideration of its rule to close the polls at exactly 6 o'clock in the evening, emphasized the importance of voting early. The committee earnestly requests that the factories be closed at 4 o'clock in the afternoon in order to enable all the employees to vote. Unless the factories do close early, there will be many workmen who will be deprived of a vote.

Dr. Furling, chairman of the committee, states that even those who are in line at 6 o'clock in the evening will not be permitted to vote. The returns for the primary will be announced at the council chamber next Monday evening.

The committee states that the rule in regard to the use of conveyances by the candidates or their friends, is not thoroughly understood. The rule is as follows:

"The use, by candidates, of vehicles of any description on election day, May 3, 1909, is prohibited, other than that one for the personal use of each candidate is permitted, it being understood that such is not to be used in transferring voters to and from the polls."

## INDIANA WOMAN SENDS WORD OF HADJIN TROUBLE

(Continued From Page One.)

fanatics seemed to direct their attacks against the Armenians. Men, women and children were cut down in cold blood, and streets were cluttered with dead bodies. The fanatics, insane with their bloody work, beat down the doors of houses which had been barricaded against them, and entering, slashed the bodies of the inmates to death with their scimitars.

Either resistance or non-resistance met death. The torch was applied indiscriminately and the smoke from the hundreds of burning homes hung like a pall over the city.

Parents carrying their children and attempting to seek a place of safety, outside the city, were chopped down by the blood-thirsty Moslems. Babies were dashed to death. The sickening scenes were kept up through the day and many who had secreted themselves in the darkness were found and put to the sword.

The reports say that the missionaries who perished at Riehlies in the burning church, went to their doom like martyrs. As the flames burned away the walls of the structure, the missionaries within sang hymns and prayed that the murderers might be forgiven their sins.

## GET BLACKMAILERS

Boston Police Think They Have the Conspirators Against Whittia.

DEMANDED A LARGE SUM

Boston, April 28.—The mysterious men believed by the police to be ring-leaders of a gang of Bostonians who have recently attempted to blackmail the parents of Willie Whittia, are under arrest here. It is said that the parents of the Whittia boy received a letter from Boston in which the writer demanded a large sum and threatened that failure to comply with the same would cause the vengeance of the writer to be wreaked upon the little Whittia lad.

The writer, it is understood, also demanded that the Whittias aid kidnapper Boyle and his wife who are awaiting trial to obtain their release.

## JONES CASE WAS DISMISSED FROM THE COURT TODAY

Action Taken in the Blind Tiger Litigation by Judge Fox on the Motion of Prosecutor Ladd.

DEFENDANT WILL GET BACK HIS WET GOODS

Case Was Twice Tried in the Circuit Court Without Conviction—Arrest Made Last Summer.

Dr. Arthur Jones, the Whitewater physician will not be tried again for running a "blind tiger." At least not on the evidence presented in the two preceding trials. In circuit court this morning Prosecutor Ladd presented a motion to nolle prosequere and the court sustained the motion. That means the case is dismissed and Jones will be released from bond. The proceedings on the search warrant whereby the police secured control of a large quantity of "wet goods" are dismissed, also and Jones will be entitled to recover the property.

### Slight Surprise.

There was a slight surprise in the court room, when the prosecutor presented his motion. It had been presumed that an attempt would be made to induce him to enter a plea of guilty to the charge of selling liquor and permitting it to be drunk on the premises without a license. But the state would have encountered difficulties in such a case of a different nature than were presented in the celebrated Gay case. Jones is a physician and there was reason for the prosecutor to believe he would have a hard time in establishing whether or not the intoxicants were kept for medicinal purposes.

### Arrested in Summer.

Jones was arrested last summer following a raid on his drug store at Whitewater. The prosecutor had heard the physician had been abusing his privileges and was conducting illegal sales of liquor. Several gallons of whiskey, two dozen quart bottles of beer and a large stock of whisky flasks were taken in the raid. Jones was tried twice before a jury in circuit court under the "blind tiger" section and in each case the jury disagreed. Prosecutor Ladd inherited the case from his predecessor in office and did not feel disposed to undertake a third attempt to secure a conviction. Jones' stock was confiscated by an order from city court. He appealed the case to the circuit court and Judge Fox held this morning that if the goods were not possessed by Jones contrary to law, he could not be required to give up his property.

Women of British birth residing in this country have recently organized a society to be known as the Daughters of the Empire. The society is a branch of the Imperial Order of the Daughters of the Empire, which was started in Canada by Mrs. Clark Murray, of Montreal, at the outbreak of the Boer War. The American branch is known as the King Edward VII chapter, and the members are careful to state that its purpose is social, intellectual and philanthropic only. Mrs. Bryce, wife of the British ambassador, is the honorary president; Lady Purdon Clarke, the honorary vice-president; Mrs. J. Elliott Langstaff, the president, and Mrs. K. B. Lapham, Mrs. William F. Hamilton and Mrs. Carl von Pustau, the vice-presidents.

According to the Cornell University professor, insect pests cost the farmers of the country over \$700,000,000 a year.

## NATHAN BEACH WAS WELL KNOWN HERE

Death of Member of Old 69th Indiana Regiment.

Last week's National Tribune gives an account of the death of Nathan Beach, late Co. F, 69th Regiment, Indiana Volunteers, who died at his former home, at Tracy, Minnesota, December last.

The deceased was well known to the survivors of this regiment in this city. Captain Lewis K. Harris was commander of his company.

He was severely wounded in the shoulder at the battle of Port Gibson, Miss., while Gen. Grant's army was advancing on Vicksburg from the rear, which disabled him the balance of his life. He was afterwards sent up the river to St. Louis, where he served till the close of the war, in the Veteran Reserve Corps.

After being mustered out of the service he went direct to Minnesota, to which place his parents had emigrated while he was in the service, where he married and reared a family and where he engaged in mercantile business and farming, and was quite successful. A few years ago he and his family removed to California, where he and a son-in-law purchased a ranch, near Berkeley, Cal., and engaged in cattle raising. He left a widow and two daughters surviving.

The tie-treating plant of the Mexican Central railroad has reached an output of 3,500 ties a day, making it one of the largest concerns of its kind in the world. The plant is the first in the history of railway operation to make a success of the treatment of ties by the Ebanol oil process. It is expected that the treatment will prolong the life of each tie from eight to twelve years.

## AN ODD ACCIDENT CAUSE OF DEATH

Ora Bake Electrocuted in California in a Peculiar Manner.

FUNERAL HELD YESTERDAY

WHILE LIFTING AN IRON PIPE IT CAME IN CONTACT WITH A LIVE WIRE AND DEATH FOLLOWED INSTANTLY.

The funeral of Ora Bake, who was killed as the result of an accident in California, was held at College Corner, Ohio, yesterday. It was attended largely by friends and acquaintances who knew Bake during his residence at College Corner.

Bake's death came about as the result of a peculiar accident. He and Morton Miller, another former College Corner man, were engaged in removing an iron pipe casing from the ground. Suspended above their heads was a wire conveying an electric current. The iron pipe was pulled partly out of the ground, when the upper end came in contact with a place on the wire where the insulation had been worn off.

### Entered at the Chin.

Immediately a strong current was run through the bodies of the men. Miller was knocked away from the pipe, but the current entered Bake's body at his chin. He was unable to let go. Miller arose and rushed to his assistance, sustaining another shock. Before Bake could be freed away from the pole, he had been electrocuted. Miller has suffered severely from the effects of the shock. Bake's body assumed a bluish hue after his electrocution. The accident occurred at a point in California, which has not been learned locally.

## STUDENTS TO CLASH

Earlham Freshmen and Sophomores to Meet High School Athletes.

TRACK MEET ON SATURDAY

Earlham students are preparing to make things interesting for the Richmond high school track team, Saturday afternoon, when the high school athletes will contest for honors against the college students of the freshmen and sophomore classes. The freshmen and sophomores are practicing under the direction of Coach Vail and Prof. Graves, every evening and they expect to be in the "pink" of condition Saturday. The high school lads are not sitting idly by, but are out on the public school playgrounds working like Turks. The high school will be represented by a number of athletes. Allison, Haas, Spangler, the two Cottons, Meyers and a number of others, will be the representatives. According to the reports the track team at the high school will be the best this year and it is claimed will carry away the honors in the quadrangular field meet, that is to be held in May.

The freshmen and the sophomores have some of the best men in the college on their side. Conrad, who is an all around man will be the main opponent of the high school. Coach Vail has posted notice on the bulletin boards and urges every one to come out. It is expected to secure a good line on the most promising men in this meet.
