

OFFER A PRAYER TO WEATHER MAN

Fans Will Petition for Some
Sunshine on Sunday
Afternoon.

A KENTUCKY TEAM COMING

FAMOUS BLUE GRASS OUTFIT OF
NEWPORT WILL TRY CONCLUS-
IONS WITH LOCALS—SOME GOS-
SIP FOR FANS.

With fair weather the management of the Richmond baseball team will make another attempt to entertain the fans at Athletic park Sunday afternoon. A special dispensation will be asked of the weatherman for the afternoon, and there are those who have the temerity to hope that the sun will shine all day. The famous Blue Grass team, of Newport, Ky., will cross bats with the Quakers.

Inasmuch as this will be the third consecutive Sunday the attempt has been made under trying circumstances, it is believed that the spell will be broken and that the game will be played.

Made Fine Record.

Last season the Blue Grass Team won 22 out of the 28 games played. Its schedule included games with the best independent and semi-professional teams in and about Cincinnati, the Blue Grass league teams and the Kio leaguers. Manager Strunk claims the amateur championship of northern Kentucky, and says he is ready to post a forfeit for a series of games with all comers for that distinction. The team has been together five years.

Following is the batting order of the Blue Grass team:

Beuk, lf.; Boehner, ss.; Berninger, c.; Poe, lb.; Janszen, rf.; Bender, cf.; Wankleman, 3b.; Scheve, 2b.; Moran, p.; Wilber and Coffey, utility.

This will be the first opportunity of the new Quakers to show their prowess. The fact that there are several candidates for places on the team who will be tried out Sunday, is expected to prove a special attraction for the fans.

SOME FAN FODDER.

The Royals, who claim the independent championship of Cincinnati, and who were unable to play last Sunday because of the rain, will probably be given another date. The All Kentuckians, whose game two weeks ago was postponed because of the high cold wind, have joined the Kio league and will have no more open dates until late in the season. They may come to Richmond before the season closes, but for the present they have their hands full. The Kio teams are much stronger this year than last and Manager Drees will have to hustle to keep out of the cellar. Hamilton and the Dayton Shilohs are bidding for the pennant.

The Norwood, O., Blues, who held the Colts of the Cincinnati National league squad to a 3 to 2 score, several weeks ago, are booked to play here May 23. Other teams scheduled to meet the Quakers are as follows: Dunkirk, with four ex-laguers, including several Indiana-Ohio league players; the Springfield, O., Reds; the Taste Tella, of Indianapolis; the Cincinnati Muldoons and others. Connersville, New Castle and Cambridge City will all be accommodated later in the season.

Interest in the curtain raiser series for the City championship is second only to that in the big games. The exhibition between the National and the X. Y. Z. team Sunday afternoon at 1:15 o'clock, will no doubt attract a large crowd of the friends of the youngsters.

Bulla, the local sidewheeler, whose work against the Indianapolis Gold Medals, was so satisfactory has been training and promises to maintain the fast clip set then. He and a dependable right-handed heaver will constitute the local pitching staff as long as they can stand the gaff. The remainder of the team will be expected to do its share of winning, and the pitcher will not be made to carry an unusual burden.

Jocko Weaver has been appointed captain of the team. Jocko is a favorite with the fans and players, and although not the slugger he once was, still plays a matchless fielding game. His knowledge of baseball is all that can be asked and with an even break of luck he should develop a winning combination.

HIGH SCHOOL TO ENTER THE EVENT

To Send Strong Team to the
Quadrangular Meet.

Interest in the quadrangular high school meet to be held at Anderson Saturday promises to induce several local students to accompany the track team. Anderson's athletes took their final workout last evening. The team is counting on winning the meet. Delph is running the hundred in 10 3/5 seconds and Stanley is high jumping 5 feet 3 inches. The work in the weights satisfies the coaches. The local boys claim they will be able to surprise the Madison county lads.

"Consistency" a jewel.

Boston, May 14.—In a hard fought thirteen-inning game yesterday, during which Umpire Cusack was assaulted by one of the visiting players and three of them were ordered off the grounds, Boston defeated Cincinnati by the score of 3 to 2. Starr's two base hit in the eleventh inning sent in the tying run for the locals, and his single in the thirteenth scored

Mattern from second, giving the victory to Boston.

In the twelfth inning, when Catcher Roth, running for McLean, was called out at the plate on a close decision, he attacked Umpire Cusack, striking him with both hands on the chest. Several of the Cincinnati players crowded around the official threatening him with bats, but the Boston players succeeded in quieting the visitors. Roth and Dubec were immediately put off the grounds. Dubec had been sitting on the bench. Lobert and Huggins were removed from the coaching lines.

Manager Griffith had been ejected previously for disputing another decision. The visiting team was left without a catcher, and Shortstop Downey was pressed into service behind the bat. Score:

Something Missing.

When Irving wanted to be nasty he could be, remarked an old Lyceum hand once. His patience with the rank and file was extraordinary, but where a rebuke was deserved Irving's biting sarcasm was quite up to the occasion. There was in one production a super who, though he had only a couple of lines to speak, made his entrance in such a way as to lead one to believe he was sustaining the leading role, and his behavior to his fellow actors was equally unwarrantable. Irving soon got on the track of this man and ran him to earth at rehearsal. In due time the super entered, haughtily saying:

"My lord, the carriage is waiting."

"Let's have it louder," said Irving. The man repeated it in a louder tone, whereupon Sir Henry demanded that it should be repeated again still louder. Yet again did he make the super repeat it, and louder still, and yet again was the same demand made. The man was becoming enraged and at last shrieked out the words.

"Very good," said Sir Henry. "Very good, indeed, but couldn't you just manage to put a shade of temper into it?"—Pearson's.

WABASH AND THE QUAKERS FAVORED

These Two Ancient Rivals Will
Fight It Out in the
State Meet.

HELD HERE ON SATURDAY

BEN GRAVE, EARLHAM COACH,
WILL ATTEMPT TO BREAK THE
WORLD'S HOP-STEP-AND-JUMP
RECORD—MEET GOSSIP.

Last night the Quaker track athletes took their final work in preparation for the big Indiana College Athletic league meet, to be held on Reid Field Saturday afternoon. Coach Grave made the following statement last night. "The track team has developed rapidly in the last two weeks and has rounded into finished condition. Earlham should take the contest by a close score." He also stated that he expected Wabash to give the Quakers the hardest fight for first honors. Wabash bear stories have gained little credence locally and Wabash is counted out by no one.

Franklin Dark Horse.

Franklin is the dark horse of the meet. She has had some very satisfactory trials. It is understood, and it is a well known fact that Brannigan, their distance man, has shown much class, taking third place in the half mile run during the state indoor meet at Indianapolis last month. He did this feat in a grueling race, which was won by Dana of Notre Dame and seconded by Bonshib, of Indiana. Rose Poly is depending on Stander, of football fame, to take the broad jump. Report has it that he has made a leap close to 22 feet. This is well beyond the I. C. A. L. record and a great contest will be in order when he and Conrad meet at the saw dust pile. Conrad made a leap of 21 feet, 6 1/2 inches in the meet with De Pauw last Saturday.

The finest medals ever procured have been purchased by Manager Hancock and a 15-inch silver trophy cup will go to the champions. The track is in the best condition of the year. The footing is firm and conditions for record breaking could not be better.

Meet is the Rubber.

The meet this year is the rubber between Wabash, Earlham and Rose Poly, as each college has taken the championship twice. Earlham took the games in 1903 and 1904. Rose Poly was the winner in 1905 and 1906, and Wabash took the honors in 1907 and 1908. The first event on the program will be the attempt of E. H. Grave to break the world's record in the hop-step-and-jump. The record now stands at 30 feet, 4 inches, and the biology professor has been jumping close to that mark. He is confident that he will be able to turn the trick of gaining a world championship. E. H. Day, of the Dayton Y. M. C. A. will be the referee-starter. He has officiated at practically all of the meets held, being the official at the first meet, six years ago.

CHARLES SUDHOFF PARALYSIS VICTIM

Well Known Resident of This
City Died at His Home
Last Evening.

LIVED HERE MANY YEARS

HE WAS SEVENTY-EIGHT YEARS
OF AGE AND WAS ALWAYS A
LEADING MEMBER OF ST.
JOHN'S LUTHERAN CHURCH.

Charles Sudhoff, aged 78, one of the best known German citizens of Richmond, died last evening at his home, 301 South Third street, from paralysis. Mr. Sudhoff was born in Germany, but has been a resident of the United States for 55 years. About two weeks ago, Mr. Sudhoff's only brother, Fred Sudhoff, was buried.

Mr. Sudhoff was an active member of St. John's Lutheran church and was also prominently affiliated with other organizations among the German residents. He is survived by a large number of relatives, including his wife, Mrs. Caroline Sudhoff; three sons, Henry, George and Edward, all of this city; two daughters, Mrs. George Weidner and Miss Mary Sudhoff of this city; three stepchildren, Mrs. John Hae-meir, Charles and George Haener; and four sisters, Mrs. John Schneider, Mrs. Henry Feltman, Mrs. Seek and Mrs. Meiers of Fountain City. The funeral arrangements will be announced later.

ELAM HILL WILL BE THE CHAIRMAN

At Republican City Committee
Meeting His Selection
Is Certain.

IRETON FOR SECRETARY

BOTH MEN QUALIFIED FOR OFFI-
CES BY THEIR FAITHFUL SERV-
ICES—NO RECOUNT OF BAL-
LOTS IS PROBABLE.

At the organization meeting of the republican city committee tomorrow evening at the office of George Ferling, the outgoing city chairman, it is probable that Elam Hill will be elected chairman and Theodore Ireton will be chosen secretary. At least indications point to the selection of these two, owing to the experience they have had in committee affairs.

No Recount Probable.
As none of the candidates in the recent primary seem to be dissatisfied with the count, it is probable that the ballots will be destroyed following the meeting. If any candidate should desire a recount, he will have to make his request before tomorrow evening's meeting.

The voters of the Seventh ward will hold a mass meeting this evening at the grocery of George Shofer and select a committeeman. No one came out for the office in this ward for election at the primary, although one voter wrote the name of George Cotton on his ballot.

BEVERIDGE HITS TOBACCO TRUST WITH UPPERCUT

(Continued From Page One.)

\$12,807,998.67 in 1902; \$25,681,007.21 in 1903; \$26,915,270.88 in 1904; \$27,524,055.49 in 1905; \$29,326,009.97 in 1906; \$31,108,451.32 in 1907 and \$30,546,268.89 in 1908. All told the government has lost \$184,060,557 in the last eight years.

"By cutting the prices so as to compel competitors to sell out or enter new combinations, which it from time to time organized, the American Tobacco company has at the present time secured control of more than eighty-two per cent of the output of the chewing tobacco of the country; seventy-one per cent of the smoking tobacco output and more than eighty-two per cent of the cigarette output of the country, and more than eighty-six per cent of the snuff output."

Looked Into Future.

"The tobacco trust has passed through many forms of corporate duplication and combination. These reached their consummation at a time when the war tax was removed and the war time package was specifically continued by the express words of the law. It was worthy of note that when the war was drawing to its close and far seeing men knew that the war tax would be removed, such men as Ryan, Dolan, Whitney, Brady, Widener, Elkins and others well known to world of finance, forced their way into the inner council of the tobacco trust. It is still more worthy of note that when, according to the newspapers, Thomas F. Ryan, last year, determined to retire from most of his financial enterprises, he retained, as his own favorite enterprise, his holdings and active participation in the American Tobacco company, which is the tobacco trust.

And More to Come.

"The principal men who are in control of the tobacco trust are James B. Duke, Thomas F. Ryan, Oliver H. Payne (of Standard oil fame), Anthony N. Brady and the banking and brokerage firm of Moore & Schley, Elkins, Whitney and Widener having died. At a convenient time in the future I shall, if it becomes necessary, present to the senate the detailed transactions of this mighty organization controlled by these well known men."

The Evident Barber.

"I don't see," said the erudite barber as he stropped his razor, "why our customers complain that men of our profession are exceedingly loquacious. All who enter the modern barber's place of business should know what to expect. Every barber shop is a 'tonorial parlor' nowadays. The word 'parlor' literally means 'talking room,' just as 'parliament' means an assembly of talkers. Parlor and parliament have the same root as the French 'parler,' which means to talk, and then there is the English 'parley,' to exchange words. Moreover—" "Moreover," gasped the victim in the chair, "I am in a very perilous position."—New York Press.

The Snipe's Bill.

The thrust catches such worms as rashly show themselves above ground, but an ancient ancestor of the snipe found that if it followed them into marshy lands it could probe the soft ground and drag them out of their chambers. For this operation it has now a bill three inches long, straight, thin and sensitive at the tip, a beautiful instrument, but good for no purpose except extracting worms from soft ground. If frost or drought hardens the ground the snipe must starve or travel.—London Strand Magazine.

Richmond Division Freight
Quarters Are Found to
Be Too Small.

SEEK UP TOWN LOCATION

ONE SITE WAS FAVORED BUT
THE OWNER REFUSED TO PRO-
VIDE HEAT SO THE PROPOSED
DEAL FELL THROUGH.

Owing to the crowded condition of the local offices of the Pennsylvania railroad, located at the depot, it is probable that the division freight office will be transferred to a room in the business district of the city. An effort was made by the company to lease rooms at Ninth and Main street, but owing to the owner's refusal to furnish heat, the deal fell through. Now another location is being sought.

Station Too Small.

Since the construction of the depot the office forces in all departments have been crowded. The system officials in Pittsburgh were appealed to when the depot was built for more office accommodation, but no attention was paid to them. Since then the business has grown until now, as one of the local officials said, "There is hardly room to turn around in."

In the larger cities the division freight offices are always located in the principal business section of the city. It is a great accommodation to business men because the offices are not far from their places of business and the surroundings are much more satisfactory.
