CINCINNATI IN OVERTIME GAME

Royals Defeated the Locals in A Hard Fought 12 Inning Battle.

LARGE CROWD OF FANBUGS

BOYD TWIRLED A NICE GAME FOR RICHMOND BUT IN THE START HIS SUPPORT WAS A LITTLE OFF COLOR.

Royals 6; Richmond 4.

Not until the twelfth inning was the visiting Cincinnati aggregation, known as the Royals, able to bag yesterday's game from the locals at Athletic park. The game was the best of the season and thoroughly enjoyed by a good crowd of fans. Boyd's pitching was the distinct feature of the game but his support was poor at times and accounts for the visitors score.

In the early stages of the game the play on the part of the locals was loose, especially so in the infield. However after three runs had been scored by the locals, they tightened up and good ball was played during the rest of the game. The locals scored twice in the third and fourth innings respectively. The visitors scores came in the third, fourth and seventh innings, when one, two and one runs, respectively, were scored. According to the summary, the locals were outhit 10 to 8, but Boyd kept the hits made off him scattered, the six errors of the locals assisting Cincinnati more than the hits. The Royals erred twice.

The same teams meet this afternoon, at which time the locals expect to redeem themselves. Score Sunday:

R. H. E.
Richm'nd 0022000000—4 8 6
Cin'nati   .001200100002—6 10 2

RACING AT CHICAGO

Chicago, May 31.—Tentative plans for the rehabilitation of the "Sport of Kings" horseback, took on material form today when M. H. Tichenor outlined the details of the deal whereby it is expected to make racing on a high plane a realization.

Tichenor is at present at Toronto, where he has in hand the interesting of several horsemen with a view of placing a large block of stock.

To be more explicit, the plans have been cut and dried whereby all three tracks—Worth, Harlem and Hawthorne—will be pooled into a holding company with a capitalization nominally of $100,000. Under this regime one set of officials will be employed at all three tracks and all danger of protracted meetings, better still competition, will be reduced to a minimum.

CITY COURT HAS A SMALL SESSION

City court goes on forever like the brook—or until the end of this year—and unlike the other courts and offices of the county, can not be abandoned on a holiday. Judge Converse did not want to spend the afternoon at the city hall, however, so court was held this morning.

John Clark was found badly under the influence of intoxicants yesterday. It costs higher for Sunday drunks than on week days so Clark drew $5 and costs. The fine was staid.

Jacob Detro drew $1 and costs for beating a board bill. The charge was preferred by Morris Crawford. Detro was arrested Saturday night.

HIATT AND GENN WIN THE HONORS

Proved to Be Stars in the Meet Held by Garfield School, Saturday.

EIGHT A CLASS WINNERS

IN BOTH THE SENIOR AND THE JUNIOR CHAMPIONSHIP CONTESTS THEY RAN OFF WITH ALL THE LAURELS.

At the competitive field and track meet of the juniors and seniors of the three classes of the Garfield school, Saturday afternoon at the play grounds, Otto Hiatt and Genn for the seniors featured and through their efforts won the contest for their division of the class. The 8A juniors also won over the juniors of the other classes. The day was ideal and several junior and senior records were broken.

The attendance was probably the best in the history of Garfield athletics. Each division of each class was well supported by the boys and girls of these same classes. The proceeds from the meet will be placed in the Garfield treasury to be used for the purchase of additional equipment for the play grounds and the Garfield gymnasium.

Results of the Meet.

In the contest between the juniors of the different classes, the following score was the result: 8A juniors, 87½ points; 8B juniors, 76½ points; 7A juniors, 42* points and 7B juniors, 40 points. The result in the senior contest was as follows: 8A seniors, 123 points; 8B seniors, 72 points; 7A seniors, 11 points; 7B seniors 11 points.

The junior records broken were the standing broad jump by Lee Genn of the 8A juniors. The distance was 8 feet 1½ inches. The three-legged race junior record was broken by Kaufman and King of the 8A class, whose time was 8 minutes and 3 seconds. Hiatt was the principal record breaker for the 8A seniors, winning in the 75 yard dash, running broad jump, running high jump. The senior record for the three-legged race was also broken.

In the other events the contestants seemed to be evenly matched. The relay race in both divisions was particularly interesting.

BATTLING NELSON STILL CHAMPION

Great Dane Fighter Shows That He Is Still King Of His Class.

HYLAND STRIKES COLORS

LAD TOUTED TO BE AS STRONG AS GIBRALTAR JUST FOLDED UP LIKE AN ACCORDION IN SCRAP, SATURDAY.

(By Tad.)

New York, May 31.—Battling Nelson, champion of the world. Not changed a bit. Isn't even mussed any; no nicks in it. Still there.

Dick Hyland, the whalebone lad who was touted to be as strong as Gibraltar, as rough as the seas and a bear for punishment, folded up like an accordion and was carried out of the ring Saturday a sadder and a wiser lad.

He was the boy who was to trim the Dane. They said the author was a has-been. They said that if it took him twenty rounds to beat poor old Joe Gans, Hyland would get Bat's number in half that time.

Was a Good Mill.

Hyland did pretty well, at that. He fought the Dane, toe to toe, for twenty rounds and during that time a pillowslip might have covered both without even a hand being stuck out. It was one of those gruelling body blow fights, with punches landing as fast as a gatling gun could turn out pellets.

They were wondering whether the Dane is still as good as he was. No one can answer that. He always did look like a sucker, but he always did cop. He never was a quick finisher. The Hyland fight, going twenty-three rounds, is about the usual route for Nelson. All of his big fights have been about that distance.

TO STATE MEETING

An invitation has been accepted by the Wayne Aerie of Eagles to send its degree team to the state convention at Albany, June 8-11, and give an exhibition of the new lodge work and exhibition drills. Besides the team, there will be a large number of members of the order attend the state meeting.

NEW AWNINGS.

New awnings have been placed over some of the windows at the city building. The cool shade provided about police headquarters will provide more comfortable sleeping accommodations when Sam Roberta is hard at work.

HALF POPULATION DEAD OR INJURED

Tornado Strikes Small Texas Town, Leaving Scenes Of Horror.

A FIRE IS RAGING TODAY

FORTY PERSONS ARE KNOWN TO BE DEAD, SIX ARE DYING AND SIX ARE REPORTED MISSING—A RELIEF PARTY.

Brownwood, Tex., May 31.—With half of its population dead and wounded, nearly every building in the town demolished and with fire raging in the ruins, the people of Zephyr, fifteen miles east of Brownwood, in Brown county, are in a state of terror, demoralization and distress today, as a result of the tornado that hit the town.

Forty persons are known to be dead. Six persons are dying and six more are missing. It is believed today that the total number of dead will reach sixty.

List of the Dead.

The identified dead are:
M. G. Simons, aged 51; Mrs. Becky Simons, aged 52; Betty Simons, aged 20; Wesley Simons, aged 12; Mrs. W. A. Ramsey, aged 50; Ollie Ramsey, aged 13; C. F. Brown, aged 70; Mrs. C. F. Brown, aged 65; Mrs. Gibb Cloyd, aged 30; Mrs. C. M. Carter, aged 35; Grover Carter, aged 12; C. M. Carter, aged 40; Harry Carter, aged 3; Mrs. Gertrude Huston, aged 25; Jessie Ware, aged 13; Harry Warden, aged 10; Oscar Warden, aged 45; Frank Ware, aged 4; Capt. Collins, aged 30; Mrs. Artie Hart, aged 37; Robert Hart, aged 5; That T. Cabler, aged 81; Mrs. Ida Cabler, aged 35; Kenneth Cabler, aged 6; Jessie Cabler, aged 2.

Among those fatally injured are: Mrs. W. H. Hicks, Mrs. M. F. Cloyd, Robert C. Campbell, Will Scott, W. H. Hicks and James Hanks.

Horrible Deaths.

Some of the inhabitants were killed in a horrifying manner. A fence picket was driven through one woman's body. A splinter was driven through the thigh of Jessie Ware, causing her death.

The storm prostrated telephone and telegraph wires, and news of the calamity did not reach here until a section-hand pumped a handcar to Brownwood and spread the alarm.

A relief party was organized immediately and made the trip to see physicians on the handcar. When the men reached Zephyr they saw a scene of desolation. The hillsides were covered with debris of all kinds, intermingled with bodies of human beings and of animals. The ruins were dimly lighted by burning buildings.

50 Houses Destroyed.

Nearly fifty houses were demolished. A three-story stone school building and two churches were razed. Lightning struck a lumber yard and started a fire which destroyed an entire business block. No effort was made to fight the fire, as the care of the dead and wounded demanded all attention. Many of the houses and stores were built of stones, but they were demolished as if made of shingles.

Hundreds in the country escaped Zephyr saved themselves by taking refuge in storm cellars.

Most of the inhabitants were in bed when the storm swept by and falling timbers crushed them to death.

OFF TO CONVENTION

Frank Wilson, Louis Niewoehner, Miss Anna Golden and Miss Josephine Fleming, postal clerks, left this morning to attend the annual convention of the Indian Postal Office Clerks. Several questions of importance were to be considered.

CENTERVILLE HAS BIG CELEBRATION

Large Number of Local People Attended the Affair.

The Memorial Sunday exercises at Centerville yesterday were attended by a large crowd from this city. Sixty seven persons from here went on one car. Besides this number there were others who drove over or went in automobiles. The attendance was unusually large. The services were interesting and very appropriate.

The address of the occasion was delivered by Judge Forkner of New Castle. He paid his respect to the soldier dead in glowing tributes. He encouraged his hearers to emulate the example of the soldier in their every day life, throwing all their resources into their undertakings and renewing the attack after apparent defeat.

THE THEATER

THEATRICAL CALENDAR.

NEW PHILLIPS.
All Week—High Class Vaudeville.

GENNETT THEATRE.
June 1 and 2—Opera, "Priscilla."

The New Phillips.

The towns that the Creation of Purpura has visited previous to its coming here are all talking about the production in the loudest terms. And it is no wonder as the show is one of the most fascinating on the vaudeville stage at the present time. Magic, mysticism, romance, fantasy, poesy, mythology, science, history and art are all combined in one to make this production worthy of effort and the combination is far reaching and successful. It is the main bill at the New Phillips these three days.

The Semen Duo can rightfully look down on others of their kind. But they don't do it. They are modest, extremely so and they have a line of musical comedy that is as natural and inspiring as the Lorelei.

Gus and Marion Kohl are novelty jugglers and they do not fall below the good standard of the New Phillips.

At the Arcade.

As usual the Arcade has an appropriate picture for a holiday. "A Wartime Sweetheart" is essentially a Decoration Day picture. Incidentally it has the most thrilling and realistic battle scene yet shown in Richmond's picture theaters. The attack on the rebel fort by the Union cavalry is a tremendous piece of acting, using hundreds of men and horses. Every detail is worked out and the spectator sits spellbound at the plunging horses and running men. The G. A. R. veterans are to be guests of honor at the Arcade Decoration Day afternoon. Do not miss the best yet.

A FAMOUS REGIMENT

Spokane, Wash., May 31.—Lieutenant Colonel Lea Febiger, commandant at Fort George Wright, three miles west of Spokane, has received advices from the war department that the entire Third regiment infantry will be dispatched to Tarang, on the island of Mindanao in the Philippines, and, as a consequence, there is much rejoicing among the officers and men, who were first advised they would be stationed for a period of service on a desolate island in the Pacific. The date for breaking camp at this post has not yet been announced, but it is expected to be some time in July, when the people at Spokane will entertain the soldiers at a farewell reception and dance. The regiment is the oldest in the service. It was organized in 1793, and was at one time commanded by "Mad Anthony" Wayne. It has been in service in every war since its organization and has figured in putting down Indian uprisings in various parts of the middle western, southwestern and western states. Its officers and men were frequently mentioned in the dispatches, for bravery and distinguished service.
