## CERTAIN TO BE ADOPTED

Washington, July 19.—The corporation tax amendment, providing for an imposit of one percent and exempting holding companies as it was re-drafted by Attorney General Wickersham, will be adopted by the tariff conferees, it was decided today. Mutual benefit insurance, and building and loan associations are also exempt.

## RELEASE HUNTINGTON.

Earl Huntington, who was arrested yesterday afternoon on a charge of larceny, has been released. He was accused of stealing a pair of shoes, but the evidence in the case did not warrant his conviction.

## ARBITRATION IS SUGGESTION MADE

Board of Commissioners Make Proposal to the Pennsylvania Railroad.

## WATER RIGHT GUARANTEE

RAILROAD OFFICIALS PRESENT PLAT SHOWING HOW THE SYSTEM CAN BE ARRANGED TO BE ACCEPTABLE.

As an amicable way of settling the controversy relative to the appropriation of 12 1/2 acres of county land on the county farm by the Pennsylvania railroad for the double tracking of its system, it was proposed this afternoon that the matter be settled by a board of arbitration. John L. Rupe acting as counsel for the company proposed the company name one man and the county another. If these two men can not agree on the price to be paid for the land, they may select a third, who shall decide. It is understood each arbitrator is to be a man acceptable to both of the contenders.

Make Proposal.  
In regard to the question of water rights, the company presented a plat showing how the waterworks system may be rearranged. It is proposed that the pipe line cross the tracks from the spring directly south of the spring and then proceed along the south side of the track to the reservoir. The pipe line now is north of the tracks but this ground will be occupied when the additional track is laid. It is proposed that the bottom of the reservoir be deepened. This will decrease the capacity of the reservoir about 1,000 gallons but it is believed will leave an ample supply of water for all purposes. The water pressure at present is not sufficient for fire protection and will not be after the change.

Mr. Rupe said it is his personal judgment that any fair price will be paid for the land required by the company. It is proposed to dispense with a cut through the right of way at the east side of the farm. The land desired by the company was at one time a pond and now is not being used for farm purposes, according to Mr. Rupe. The county paid \$125 per acre for it when it was undrained. It is now drained. The matter had not been determined at 2:45 o'clock this afternoon.

Harold, aged five, had been sent to purchase a pair of shoestrings for his mother.  
"How long does she want them?" asked the proprietor.  
"Oh, a long time," answered Harold.  
"Till they wear out, I guess," Chicago News.

## RICHMOND TO GET BIG BARNUM SHOW

Attraction Is Billed for Here August 23.

It's coming—Barnum & Bailey's, the greatest show on Earth, will show in this city on Monday, August 23. The advance manager for this great circus was in the city today securing the license from city treasurer Johnson. So there's no doubt about it, and its coming is not merely a rumor. In a few days the city will be gaily decorated with bills and posters and the date will be looked forward to with a great deal of pleasure by all the small boys (and some of the older ones, too,) in this community.

## BROKE FURNITURE IN A FAMILY ROW

Case Tried Today in the City Court.

George Schools, colored, was arrested Saturday night for assault and battery on a charge preferred by his wife, Lydia Schools. It seems that Schools came to his home at Fifteenth and North H street late Saturday night slightly under influence of liquor and had a quarrel with his wife. A kicking match followed according to the evidence and a general smash up of the furniture resulted. Schools is being tried in the city court this afternoon.

## ELECTRIC LIGHT EXPOSED A GAME

Crap Shooters Caught in a Street Corner Game.

Michael Sharkett, Ernest and Herbert Kelly, were arrested Saturday night at Eleventh and North D street while they were having a quiet little game of craps under the electric light. Their sport was of short duration however as the trio were taken to the city building where they were slated as drunk. In the city court this afternoon all entered a plea of not guilty and the case was continued until tomorrow.

"I admit I have the fault you mention," said the conceited man self complacently. "but it's my only fault, and it's a small one."  
"Yes," replied Knox; "it is just like the small hole that makes a plugged nickel so good."—Catholic Standard and Times.

## PROGRAM PREPARED

Local Methodists Met Yesterday and Arranged for Centennial.

## HELD AUGUST NINETEENTH

The committee on program arrangements for the Methodist centennial held a meeting yesterday afternoon at which more definite arrangements were made for the celebration to be held in this city on August 19. Representatives from neighboring towns and cities attended the meeting. It was decided to have special music during the day to be provided by the leading musicians of the city. The choirs of the four Methodist churches of the city will be united into one big chorus under the direction of Alton Hale at the night service and will render "The Messiah" in part.

Word has been received from President O'Connell of DePaul University to the effect that he will be unable to attend the centennial. Badges will be supplied to all Methodists who are on the grounds and it is probable that a souvenir program will be issued for the event. The following program has been arranged:

1:30—"Early Methodism in Wayne County," by Rev. O. S. Harrison.  
2:30—Old time songs by the audience. Each hymn will be lined in the old manner.  
Address—Bishop Moore of Cincinnati.

Evening.  
7:30—Song and praise service. Quartet.  
Solo.  
8:00—Address by Bishop Anderson, of Chattanooga, Tenn.  
Chorus Choir—"Hallelujah Chorus" under the direction of Alton Hale.

## RIGHT IS EXTENDED

At the meeting of the board of commissioners today, the right to lay a six inch water main from Thirteenth and South J streets to the Werle home was granted. The right was given by the concession of a franchise. The water is to be used in the new dormitory and other necessities such as in case of fire and the like. The expense of the installation of the system will be borne exclusively by the institution. Much of the money to be used in meeting this expenditure will be raised by subscription.

"Isn't this a lovely little book?" she asked, showing it to him. "Such a fine leather cover! Such nice gilt edges! I swiped it when the clerk wasn't looking."  
"For the love of heaven!" he exclaimed. "The Acts of the Apostles? Why did you confine yourself to the 'Acts'? Why didn't you steal the whole Bible?"—New York Press.
