

## Dutch Kiddies To Be Seen at the Gennett Saturday

The above cut shows six girls dressed as Dutch kids as they will appear in the "Red Mill" which is to show at the Gennett, Saturday afternoon and night. This is one of the most pleasing features of the affair.

TREASURER WANTS  
\$1,000 FOR DEPUTY

Mr. Albertson Makes Proposition to Council According to New Law.

## LABOR DAY, NO SESSION

PENNSYLVANIA RAILROAD INFORMED CITY TO PAY ITS BILLS MORE PROMPTLY OR STAND FOR DEMURRAGE.

The question of the salary to be paid the deputy to county treasurer, Albert Albertson, who will have charge of the collection of city taxes after the first of the year and the matter of an appropriation for the payment of freightage on crushed stone to the Pennsylvania Railroad company were taken up at council meeting last evening. The matters were not settled, as council was adjourned until Wednesday evening, yesterday being a holiday and therefore illegal for the council to transact business.

Mr. Albertson's proposition is that he will place a deputy in the city building for \$1,000 a year who will do the business now done by the city treasurer for \$1,700 a year salary. The placing of the deputy in the city building will be a great saving to the citizens in time. If the deputy had his office in the court house, one trip to the court house and two to the city building would have to be made, where, as by Mr. Albertson's arrangement, only one trip to the city building will be necessary.

The question should have been decided last June, according to the recent statutes but the city and county authorities overlooked the fact. The recent law provided that a city of the same class as Richmond, whose receipts from municipal enterprises are not \$100,000 a year, the office of city treasurer shall be abolished and the city shall employ a deputy at not less than \$600 a year nor more than \$1,000.

The city's supply of crushed stone has run short. The city is also back in its payments of freight bills and the company has announced that unless the city pays its bill by Wednesday night that in the future, it will add demurrage to its bills. City Controller Parry stated last evening that he would pay the bill Wednesday, even though he had to pay the money out of his own pocket, and then be reimbursed by the city council.

Many people delude themselves by saying, "It will wear away," when they notice symptoms of kidney and bladder trouble. This is a mistake. Take Foley's Kidney Remedy and stop the drain on the vitality. It cures backache, rheumatism, kidney and bladder trouble, and makes every trace of pain, weakness, and urinary trouble disappear. A. G. ## "Uncle Tom's Cabin."

Manager Murray has secured Oelrich Bros.' Uncle Tom's Cabin Co., for the attraction at Phillips theater Thursday, Sept. 9. This will be the first appearance of this company in Richmond. The company has during the last ten years, played all the large Eastern cities. Their production at the Academy of Music, New York, ran for nearly an entire season. Several new and startling effects will be shown, including an ice scene on the Ohio river, also an exact reproduction of the Court House at Maysville, Ky., where Uncle Tom was first sold. The old building was destroyed a few weeks ago and nearly all of it was carried away by relic hunters.

## Opening of the New Phillips.

In securing Henderson's School Days, for opening the season at the New Phillips theater Manager Murray was most fortunate for those boys and girls certainly pleased two capacity houses yesterday. The bill includes five headliner acts of vaudeville. Of course the big hit of the show is "School Days," which is made up of eight boys and girls, kept the audience screaming from the rise to the fall of the curtain, these youngsters are all singers and dancers. Abo Sharpiro as Miley Milliken, takes the lead as a fun maker. He can give most of the so-called Hebrew comedians many pointers. Joe Christopher, the Italian fun maker, is a close second, Leo Dulmage comedy unicyclist, is as good as any ever seen in Richmond. Bush and Earl, two young men, who are billed as singers that can dance, made more than good. Earl and Earl in a comedy sketch were very clever, and Miss Marie Salisbury, the petite soubrette, was certainly charming, the best show altogether is the best vaudeville com-

pany ever seen on a Richmond stage. Manager Murray has made arrangements to hold the show over another day and they will appear Tuesday and Wednesday matinee and night, giving ladies special matinees at ten cents all over the house.

## Nellie McHenry, Friday.

Nellie McHenry, the clever soubrette who has made the character of "M'Liss" famous the world over, will be seen at the Gennett on Friday, Sept. 10. The play is strictly a melodrama, the scene, being of course laid in California, during the picturesque times Bret Harte so faithfully portrays in his book, "M'Liss," the half wild daughter of old "Bummer" Smith, the durnkard, snubbed by all the girls, but a tremendous favorite with the men for whom she sings and dances, and falls in love with the schoolmaster. He is accused of killing her father and after many exciting trials, he finally proves his innocence and marries the girl he loves. Throughout the entire piece a vein of comedy runs in the character of Judge Weesinger, who dispenses justice "according to the statoots." Several strong sensational features are seen, such as the arrival of the stage coach, burning of the jail, and the trial of the innocent victim.

## "Salaam" Colored Show.

For lovers of the good old colored shows, Manager Murray has secured Robert B. Joplins' famous show "Salaam." This show can not fail to please as they carry with them a cast of sixteen of the best colored performers. The show is made of plenty of good singing, dancing and cake walking of the highest order. Special attention has been given to the costuming of the company, and it promises to be one of the best shows of the season. At the New Phillips, Friday, Sept. 10th.

## INJURIES IN AUTO RACE.

Boston, Mass., Sept. 7.—Nearly 10,000 spectators witnessed the inauguration of the three days' automobile meet at Lowell, and, like Brighton Beach and Indianapolis, these modern speed juggernauts claimed their usual toll of victims. So far as known no one was killed, but four spectators and one of the mechanics were injured. Another car hit a telegraph pole and one lost a wheel.

## A Judge Commends Pure Food

A Judge of a Colorado Court said: "Nearly one year ago I began the use of Grape-Nuts as a food. Constant confinement indoors and the monotonous grind of office duties had so weakened and impaired my mental powers that I felt the imperative need of something which neither doctors nor food specialists seemed able to supply.

"A week's use of Grape-Nuts twice each day convinced me that some unusual and marvelous virtue was contained therein. My mental vigor returned with astonishing rapidity; brain weariness (from which I had constantly suffered) quickly disappeared; clearness of thought and intellectual health and activity which I had never previously known were to me the plain results of a few months use of this food.

"Unhesitatingly I commend Grape-Nuts as the most remarkable food preparation which science has ever produced so far as my knowledge and experience extends."

The Judge is right. Grape-Nuts food is a certain and remarkable brain builder and can be relied upon.

"There's a reason."

## PROPOSE AUTO ROUTE

New Means of Travel from Hagerstown to Cambridge:

Cambridge City, Ind., Sept. 7.—Rumor has it that New Castle parties will, in the very near future, promote an "auto route" between Cambridge City and New Castle, via Hagerstown, making two round trips each day. Such an enterprise will fill a long felt want, as there is at present no means of transportation between Cambridge City and Hagerstown, aside from the mixed train over the old Whitewater Valley road, which makes one trip each way every day.

## MUTE SONG FOR GUESTS.

Cambridge City, Ind., Sept. 7.—Miss Nellie Crull of Dublin, entertained a number of friends in compliment to her guests, Miss Alice Judd, assistant matron of the New York school for the deaf. Miss Judd entertained the company by giving several recitations and songs in the manual language, which was interesting alike to the hearing and deaf guests. Dr. McKee sang "Lead Kindly Light," and "Now the Day is Over," while Miss Judd made signs to the accompaniment of his singing. Miss Judd is the choir leader in the St. Ann's deaf mute church of New York city, which church was one of the first ever or-

ganized by the deaf. After the musical part of the entertainment, the hostess served refreshments. Among the guests were Mr. and Mrs. John Boyd of Cambridge City, Mr. and Mrs. Ed Binkley and daughters, of Germantown, Mr. and Mrs. Sperry, the Misses Ina and Norma Herbst.
