THOUSANDS DEAD  
IN MEXICO FLOODS

Priests Bring Word to Monterey of Wiping Out of a Number of Cities.

## RIO GRANDE OVERFLOWS

COMMUNICATION CUT OFF, AND PEOPLE ARE MISSING WITHOUT THERE BEING A TRACE OF WHAT BECAME OF THEM.

(American News Service)  
Monterey, Mex., Sept. 9.—Village priests who arrived here today, told of the destruction by the recent floods in outlying districts.

The priest of Arramburi has informed Archbishop Lenares that Arramburi was destroyed and that his people are wandering over the county in search of food.

The story brought by the priest of La Ascension is even more appalling. He says this town and its population of 2,000 souls have entirely disappeared. He does not know where the people are.

Another priest from Allende says that that place has also disappeared with large loss of life and that the neighboring fields have been converted into lakes.

Bustamantes and La Escondida have been added to the list of destroyed villages. The Rio Grande river is overflowing its banks at Matamoros, causing much damage to that city. No details of the damages or loss of life are known. Communication by rail with Matamoros has been destroyed since August 28, and little information is obtainable from there.

(American News Service)  
Mexico City, Sept. 9.—Word has been received here that the destruction of Soto la Marina, a town in the state of Tamaulipas, was so complete that the whole place has entirely disappeared with the exception of a few church towers that project from the surface of a veritable lake.

No one has been able to get closer than a league from where the towns once stood.

WILLING TO COME  
WITH HIS AIRSHIP

Aviator Bumbaugh Submits His Proposition to Fall Festival Committee.

## IS LIKELY TO BE SECURED

SUCCESSFUL FEATURE NOW AT STATE FAIR, IT IS THOUGHT WOULD DRAW GREAT CROWDS TO THIS CITY.

The executive committee of the Fall Festival is negotiating at the present time with several airship owners to have flights made over the city during the Fall Festival.

E. H. Harris, secretary, and Charles M. Morgan, chairman of the amusement committee, visited at the state fair yesterday and received a proposition from G. L. Bumbaugh to bring his airship here for the three days. Mr. Bumbaugh is one of the best known aviators in the country, having made trips in various balloons and at the present time he is making quite a sensation at the state fair. He is making from two to four flights daily, every one of which is successful in every way and is by far the best feature of the state fair and a drawing card that cannot be surpassed. Mr. Bumbaugh wants to come to Richmond, although he has a proposition from St. Louis to make flights there at the same time as the Fall Festival. If he can close negotiations with the Fall Festival committee he is willing to cancel that date and come here. Richmond would have the honor of being one of the few cities in the state that has had an airship.

On South Fifteenth Street. The probabilities are that the airship tent would be placed on the South Fifteenth street commons and he would make two flights a day, circling over the city. The airship would also be on exhibition in the tent both during the day and at night.

The Fall Festival committee also has a proposition from Cromwell Dixon, the juvenile aviator at Columbus, Ohio. The probabilities are that if they close with either one of these, it will be with Mr. Bumbaugh. Just at this time, when every one is interested in airships and the papers are full of the successful flights made by the various aeronauts, the feature would undoubtedly be a great attraction. It would undoubtedly attract people for miles around. The ease with which Mr. Bumbaugh handles his airship is truly remarkable. He has perfect control and to see him flying in mid-air is a thrilling sight.
